When we salvage these and other woods for new projects, we are strengthening our own roots. *Reclaimed Wood: A Field Guide* is the first complete visual survey of this valuable resource, with chapters on history, sources, and types of wood, reclamation, and practical information, and its use in modern architecture and design.

The first book on his career, Fox-Nahem presents his most luxurious, exuberant, and refined interiors that showcase his own personal vision of modernism. Nahem’s interiors are unique because he designs many of the finishes, textiles, and furnishings that establish the look and feel of a room. He calls on a stable of artisans and craftspeople, including

woodworkers, metal workers, and weavers, who assist him in creating one-of-a-kind environments for clients who demand something that no one else has. With more than 250 photographs, Fox-Nahem celebrates the work of a designer who seamlessly adapts his style to suit the context and fit his clients' highly refined and original tastes.

Plain Simple Useful Sir Terence Conran, 2014-05-12 Terence Conran has always believed that objects - and surroundings - that are plain, simple and useful are the key to easy living. By being practical and performing well over time, they are as much the antidote to superficial styling as they are to the shoddy and second-rate. Applied to the home as a whole, this discerning approach results in interiors that are effortlessly stylish, confident and timeless, with plenty of room for the expression of personal taste. Plain Simple Useful is organized according to the main activities that take place at home. Inspirational interiors, many of which are Conran's own, and a number of projects designed by him exclusively for this book, provide all the guidance you need to tailor-make your own storage. The book also features iconic examples of classic designs that will enhance any home, as well as a peek behind the closed doors of those well-ordered cupboards, larders and other stowing spaces that contribute so much to easy living.

Remodelista Julie Carlson, 2016-08-16 *Remodelista.com* is the go-to, undisputed authority for home design enthusiasts, remodelers, architects, and designers. Unlike sites that cater to all tastes, *Remodelista* has a singular and clearly defined aesthetic: classic pieces trump designs that are trendy and transient, and well-edited spaces take precedence over cluttered environments. High and low mix seamlessly here, and getting the look need not be expensive (think *Design Within Reach* meets *Ikea*). *Remodelista* decodes the secrets to achieving this aesthetic, with in-depth tours and lessons from 12 enviable homes; a recipe-like breakdown of the hardest-working kitchens and baths; dozens of do-it-yourself projects; "The *Remodelista* 100," a guide to the best everyday household objects; and an in-depth look at the ins and outs of the remodeling process. In a world of design confusion, *Remodelista* takes the guesswork out of the process.

Junk Gypsy Jolie Sikes, Amie Sikes, 2016-10-04 New York Times bestseller In their first book, the Junk Gypsies—sisters and stars of the popular Texas-born brand and HGTV show—combine big dreams, stories of roadside treasures found, and down-home design projects inspired by epic makeovers for friends like Miranda Lambert, Billie Joe Armstrong, and Sadie Robertson. Amie and Jolie Sikes, the Thelma and Louise of the design world, are the Junk Gypsies: a family with an addiction to flea markets, wanderlust, and Americana inspired design. In their world, cowgirls are heroes, road trips last forever, and junk is treasured. Beginning with a little bit of faith and a whole lot of heart and soul, the sisters travelled the back roads of America like gypsies, collecting roadside trinkets and tattered treasures while meeting kindred spirits and lively characters along the way. With a mix of hippie, rock n’ roll, southern charm, and big dreams, these small-town Texas girls became restless wanderers and owners and operators of their dream business and bohemian brand, Junk Gypsy. Filled with stories from their unique journey as well as DIY projects and bohemian inspired designs, Junk Gypsy is a tribute to all the rowdy gypsies, crafty junkers, free-spirited romantics, and true-blue rebels who have ever dared to dream big.
