Steve Voit

A River Runs through It and Other Stories Norman MacLean, 2017-05-03 The New York Times—bestselling classic set amid the mountains and streams of early twentieth-century Montana, “as beautiful as anything in Thoreau or Hemingway” (Chicago Tribune). When Norman Maclean sent the manuscript of *A River Runs Through It and Other Stories* to New York publishers, he received a slew of rejections. One editor, so the story goes, replied, “it has trees in it.” Today, the title novella is recognized as one of the great American tales of the twentieth century, and Maclean as one of the most beloved writers of our time. The finely distilled product of a long life of often surprising rapture—for fly-fishing, for the woods, for the interlocked beauty of life and art—*A River Runs Through It* has established itself as a classic of the American West filled with beautiful prose and understated emotional insights. Based on Maclean’s own experiences as a young man, the book’s two novellas and short story are set in the small towns and mountains of western Montana. It is a world populated with drunks, loggers, card sharks, and whores, but also one rich in the pleasures of fly-fishing, logging, cribbage, and family. By turns raunchy and elegiac, these superb tales express, in Maclean’s own words, “a little of the love I have for the earth as it goes by.” “Maclean’s book—acerbic, laconic, deadpan—rings out of a rich American tradition that includes Mark Twain, Kin Hubbard, Richard Bissell, Jean Shepherd, and Nelson Algren.” —New York Times Book Review Includes a new foreword by Robert Redford, director of the Academy Award-winning film adaptation

Fly Fishing Treasures Steve Voit, 2018 An inside view of a community of extraordinary people: the leading collectors, dealers and auctioneers of antique fly fishing tackle.

Fishing with the Fly Charles F. Orvis, 1886

Even Brook Trout Get The Blues John Gierach, 2010-05-11 Brilliant, witty, perceptive essays about fly-fishing, the natural world, and life in general by the acknowledged master of fishing writers. “Once an angler has become serious about the sport (and ‘serious’ is the word that’s used), he’ll never again have enough tackle or enough time to use it. And his nonangling friends and family may never again entirely recognize him, either.” In other words, he (or she) will have entered Gierach territory. And fishermen who choose to brave the crowds at the big hold, commune with the buddies at the “family pool,” or even wade into questionable waters in the dark of night are sure to recognize themselves in *Even Brook Trout Get the Blues*.

Whether debating bamboo versus graphite rods, describing the pleasure of fishing in pocket waters or during a spring snow in the mountains, or recounting a trip in pursuit of the “fascinatingly ugly” longnose gar, Gierach understands that fly-fishing is more than a sport. It’s a way of life in which patience is (mostly) rewarded, the rhythms of the natural world are appreciated, and the search for the perfect rod or ideal stream is never ending. It is not a life without risks, for as Gierach warns: “This perspective on things can change you irreparably. If it comes to you early enough in life, it can save you from ever becoming what they call ‘normal.’” Even Brook Trout Get the Blues will convince you that “normal” is greatly overrated.

The Fly Fisher (Updated Version) gestalten, Maximilian Funk, Thorsten Strüben, Jan Blumentritt, 2020-11-03 Reel the rewards of fly fishing while being surrounded by nature and wildlife. The lure of pristine rivers coupled with the sensation of casting a net into the open make fly fishing the perfect balance of outdoor activities. The Fly Fisher is a celebration of both the community and artistry of a sport with an ever-growing global appeal. By showing a new generation of aficionados alongside an established, avid band of global fishers, we take a refreshing overview on the essence of the sport, while showing how to care for nature and connect with the environment. For both curious minds and prolific fishers, this is an updated version of a gestalten favorite. In this definitive look at contemporary fly fishing, we go through gear essentials and knot patterns, and explain the techniques needed to master this pastime. Join us as we explore new fishing spots, introduce new-comers to the sport on a beautiful scale, and exhibit an opulence of stunning new photography.

The Optimist David Coggins, 2022-05-10 The perfect fly fishing book for today's novice, enthusiastic amateur, as well as the devoted angler is part narration of the author's own angling obsessions and adventures, part practical how-to, and part meditation on a connection to the natural world.

Favorite Flies and Their Histories Mary Orvis Marbury, 1892

Fly Fisherman's Primer Paul N. Fling, Donald L. Puterbaugh, 2008 A classic reissued with new and updated information, and, for the first time, full-color photos! Co-author Paul N. Fling states confidently that when newcomers experience the joys of flyfishing, they’ll rush headlong” to learn everything about the sport. When they do, there’s no better place to go for information than this primer. Fling and photographer Donald L. Puterbaugh know how to convey their knowledge to beginners, and cover every flyfishing basic: the study of insects that trout feed on, fly-casting, fly-tying, an analysis of fresh water habitats, fishing techniques, and flyfishing history and lore. This perennial guide now includes an expanded discussion of equipment and materials, as well as stunning hand-colored illustrations and photos that make the book a pleasure to look

through...and learn from.

The Poetic "I" Ken Bazyn,2021-12-17 One should never assume that the narrator in a poem is expressing views identical to the author's. For words, like Nature, half reveal / And half conceal the Soul within, wrote Tennyson. Autobiographical elements tend to be so mixed in with the fictional that lines blur. Bazyn's revolving carousel of poetic I's includes an egotist who makes fun of his arrogance; a baby confused by his wobbly surroundings; the simple joys of a childhood Christmas; youth's dilemma at forging a vocation; the peculiar circumstances surrounding one's first love; reminiscences of a recent class reunion; a period of self-examination following the death of a neighbor; anxiously awaiting a monogrammed invitation; lessons gleaned from closely inspecting nature; exhibiting faith in a secular metropolis; dreaming of a technician's utopia; and the frailty and ragged edges of old age. The narrator is, by turns, nostalgic, uneasy, speculative, forlorn, elated, discombobulated--representing, as he does, different stages of life, personality types, and psychological moods. Bazyn's language can be mysterious, his sentences follow a winding course, his stanzas end abruptly. Bewitching black-and-white photos accent and enhance each poem's metaphors. As you gaze into this verbal/visual mirror, likenesses of the hidden self emerge and take on unexpected shapes.

Melt For Us Molly Doyle,2021-12-06 After going to a cabin in the woods, Quinn finds herself stuck in the midst of a blizzard with her three masked men. As they spend the holidays with one another, Quinn is left captivated. Christmas and New Year's Eve will never be the same. 'Tis the season for giving, and receiving. Holy, not so silent, night... - Reader discretion is advised for sensitive readers.

Casting a Spell George Black,2009-03-12 Thirty-five million Americans--one in eight--like to go fishing. Fly fishers have always considered themselves the aristocracy of the sport, and a small number of those devotees, a few thousand at most, insist upon using one device in the pursuit of their obsession: a handcrafted split-bamboo fly rod. Meeting this demand for perfection are the inheritors of a splendid art, one that reveres tradition while flouting obvious economic sense and reaches back through time to touch the hands of such figures as Theodore Roosevelt and Henry David Thoreau. In *Casting a Spell*, George Black introduces readers to rapt artisans and the ultimate talismans of their uncompromising fascination: handmade bamboo fly rods. But this narrative is more than a story of obscure objects of desire. It opens a new vista onto a century and a half of modern American cultural history. With bold strokes and deft touches, Black explains how the ingenuity of craftsmen created a singular implement of leisure--and how geopolitics, economics, technology, and outrageous twists of fortune have all come to focus on the exquisitely crafted bamboo rod. We discover that the pastime of fly-fishing intersects with a mind-boggling variety of cultural trends, including conspicuous consumption, environmentalism, industrialization, and even cold war diplomacy. Black takes us around the world, from the hidden trout streams of western Maine to a remote valley in Guangdong Province, China, where grows the singular species of bamboo known as tea stick--the very stuff of a superior fly

rod. He introduces us to the men who created the tools and techniques for crafting exceptional rods and those who continue to carry the torch in the pursuit of the sublime. Never far from the surface are such overarching themes as the tension between mass production and individual excellence, and the evolving ways American society has defined, experienced, and expressed its relationship to the land. Fly-fishing may seem a rarefied pursuit, and making fly rods might be a quixotic occupation, but this rich, fascinating narrative exposes the soul of an authentic part of America, and the great significance of little things. George Black's latest expedition into a hidden corner of our culture is an utterly enchanting, illuminating, and enlightening experience.

Muriel Foster's Fishing Diary Muriel Foster,1996-05-01 Muriel Constance Foster was born in June 1884, in the village of Shenley in Surrey, England. She was the first daughter in a typically Victorian upper-middle-class family of four girls and two boys. Muriel Foster's interests, which included fencing as well as fishing, were always allied with those of her brothers. This remarkable fishing diary, on which Aunt Muriel lavished so much of her affection and skill, was never intended for publication but was simply a private document of one of her most pleasurable lifelong activities. It has been my most treasured possession, and it is in the spirit of tribute to my aunt that I wish to share it, even with those who never had the pleasure of knowing her.--BOOK JACKET.Title Summary field provided by Blackwell North America, Inc.
