New York Living Rooms Dominique Nabokov,2021-07-05 New York Living Rooms' is the first instalment in Dominique Nabokov's holy trinity of interior photography works, re-issued by Apartamento Publishing more than two decades after it was first published in 1998. Originally commissioned as a photo essay for the New Yorker in 1995, it offers a frank and intimate study of the interior living spaces of some of the city's most fabled cultural figures, including Susan Sontag, Norman Mailer, Louise Bourgeois, Francesco Clemente, Allen Ginsberg, and Joan Didion.0With nothing added and nothing altered, Nabokov calls these images her interior 'portraits'. Some spaces are indulgent and ostentatious, others shelter the bare

necessities, but Nabokov simply records them all for her fellow voyeurs and leaves us to decipher the rest. Long out of print, this updated edition brings back to life an era of New York City history, seen through Nabokov's original Polaroid photos and the original introduction by English poet James Fenton. It also sets the stage for the following editions in Paris and Berlin, which Apartamento will be re-issuing later in 2021. -- Publisher website.

*Berlin Living Rooms* Dominique Nabokov,2017

*Paris Living Rooms* Dominique Nabokov,2002-06 Photographer Dominique Nabokov has documented the living rooms of well-known Parisians--artists, writers, designers, intellectuals and the occasional celebrity. The rooms vary widely from one another in terms of formality and decor, but they are all equalized under the gaze of Nabokov's camera. Each room is shot simply as it happened to appear on that particular day, without any people. Using discontinued Polaroid Colorgraph type 691 film (which provides a full-color transparency in four minutes), Nabokov does not use special lighting or allow the rooms to be rearranged or touched by a stylist. The result is a series of fascinatingly deadpan photos that puts an ironic slant on the celebrity interior genre. These peeks into the living rooms of celebrated Parisians will provide hours of voyeuristic pleasure. The book includes more than seventy living rooms of such diverse Parisians as Jean-Paul Goude, Andree Putman, Christian Liaigre, Gerard Depardieu, Jeanne Moreau, Carine Roitfeld, Loulou de la Falaise and Jacques Grange, to name a few.

Through the lens of five small-footprint design principles and drawing on architectural images and detailed floor plans, the authors examine how architects and designers are reimagining small space living. Full of inspiration we can each apply to our own spaces, this is a book that offers hope and inspiration for a future of our cities and their citizens in which sustainability and style, comfort and affordability can co-exist. *Never Too Small* proves living better doesn't have to mean living larger.

**The Land Gardeners** Bridget Elworthy,Henrietta Courtauld,2022-04-26 *The Land Gardeners* show you how to establish

organic garden beds and sow, grow and harvest over 100 varieties of cut flowers. 'With their instinctive flair, Elworthy and Courtauld established cutting gardens that bring the deep poetry of organic flowers to their enthusiastic customers.' Patrick Kinmonth For American Vogue In this visual diary of life in the garden, The Land Gardeners share their beliefs on the importance of soil health, introduce you to their favourite blooms and inspire you to create your own cutting garden with expert knowledge on how to grow and what to gather by season. Based in the original walled garden at Wardington Manor, The Land Gardeners have revived the tradition of working with the land to produce abundant, seasonal flowers for clients' use in decoration, design and events. But for all the frivolous bucolic beauty of the flowers, it is the productivity and health of the soil that truly underpins The Land Gardeners' philosophy. The book explores lively soil, the joy (and, arguably, necessity) of gathering from our gardens, and the imperative that we care for our soils and live among healthy, vital gardens.
