Punk Rock Aerobics Maura Jasper, Hilken Mancini, 2004-01-08 * Would you flee in terror if confronted with a room full of sweaty people in spandex thongs? * Are you not immune to the occasional Van Halen-style air guitar jump? * Have you been known to push aside your coffee table and dance like crazy in your living room? If you answered yes to any of these questions, here at last is your workout book. As simple as throwing on that old Ramones (or even White Stripes) record, punk meets a high- and low-impact workout in an exercise craze that is spreading like wildfire amongst teens and aging rockers alike: Punk Rock Aerobics. Unlikely bedfellows though they seem, punk has always been about image—from Iggy's abs to the Sex Pistols' carefully cultivated outfits. Back in the good old days cigarettes would suffice to keep rockers slim, but to have real punk energy, say these rockers-turned-certified-aerobics-instructors, you need to drop those chips and get off the couch. Chock-full of easy-to-follow moves in an accessible, home-exercise-friendly format, Punk Rock Aerobics contains photos and instructions for DIY, heart-pumping (and thigh-slimming) retro moves like the Air Guitar, the Skank, and the Fire Hydrant, while suggesting songs by the Sex Pistols, Blondie, and the Stooges for a perfect workout soundtrack. With sidebars and Q&A's with rockers like J. Mascis and Evan Dando, this is definitely not your mom's aerobics class (Boston Globe).

The Gentle Art of Swedish Death Cleaning Margareta Magnusson,2018-01-02 *The basis for the wonderfully funny and moving TV series developed by Amy Poehler and Scout Productions* A charming, practical, and unsentimental approach to putting a home in order while reflecting on the tiny joys that make up a long life. In Sweden there is a kind of decluttering called *döstädning*, *dö* meaning "death" and *städning* meaning "cleaning." This surprising and invigorating process of clearing out unnecessary belongings can be undertaken at any age or life stage but should be done sooner than later, before others have to do it for you. In *The Gentle Art of Swedish Death Cleaning*, artist Margareta Magnusson, with Scandinavian humor and wisdom, instructs readers to embrace minimalism. Her radical and joyous method for putting things in order helps families broach sensitive conversations, and makes the process uplifting rather than overwhelming. Margareta suggests which possessions you can easily get rid of (unworn clothes, unwanted presents, more plates than you'd ever use) and which you might want to keep (photographs, love letters, a few of your children's art projects). Digging into her late husband's tool shed, and her own secret drawer of vices, Margareta introduces an element of fun to a potentially daunting task. Along the way readers get a glimpse into her life in Sweden, and also become more comfortable with the idea of letting go.

Seeing Like a City Ash Amin,Nigel Thrift,2017-01-09 Seeing like a city means recognizing that cities are living things made up of a tangle of networks, built up from the agency of countless actors. Cities must not be considered as expressions of larger paradigms or sites of human effort and organization alone. Within their density, size and sprawl can be found a world of symbols, bodies, buildings, technologies and infrastructures. It is the machine-like combination, interaction and confrontation of these different elements that make a city. Such a view locates urban outcomes and influences in the character of these networks, which together power urban life, allocating resources, shaping social opportunities, maintaining order and simply enabling life. More than the silent stage on which other powers perform, such networks represent the essence of the city. They also form an important political project, a politics of small interventions with large effects. The

increasing evidence for an Anthropocene bears out the way in which humanity has stamped its footprint on the planet by constructing urban forms that act as systems for directing life in ways that create both immense power and immense constraint.

Forest Has A Song Amy Ludwig VanDerwater,2013-03-26 A spider is a “never-tangling dangling spinner / knitting angles, trapping dinner.” A tree frog proposes, “Marry me. Please marry me... / Pick me now. / Make me your choice. / I’m one great frog / with one strong voice.” VanDerwater lets the denizens of the forest speak for themselves in twenty-six lighthearted, easy-to-read poems. As she observes, “Silence in Forest / never lasts long. / Melody / is everywhere / mixing in / with piney air. / Forest has a song.” The graceful, appealing watercolor illustrations perfectly suit these charming poems that invite young readers into the woodland world at every season.
