Jungalow: Decorate Wild Justina Blakeney,2021-04-06 From Justina Blakeney, the ultimate guide to designing wildly creative interiors that are free-spirited, layered, and deeply personal Justina Blakeney's new book is her biggest, boldest, and most beautiful volume yet, filled with irresistible style, original patterns, and artwork—lushly photographed by Dabito. In each chapter, Justina shares her distinctive point of view on everything design fans want to know—how to make bold choices with color and pattern, how to take cues from nature, how to authentically glean inspiration from their heritage and travels, how to break rules, and all the other paths to truly begin to decorate wild. Along the way, Justina also shares personal narratives, practical advice, and nuanced insight into how she lives in her own space—how she reconnects with nature, how she plays and stays inspired, how she gives herself permission to feel free and wild, and how readers can do the same. Jungalow is the term coined by Justina for the brand that embodies her wild, but cozy and homey, style. Copycats abound, but there is no other book like this one—offering Justina's authentic, encouraging voice and approachable, signature style.
