The Jemima Code Toni Tipton-Martin, 2022-07-01 Winner, James Beard Foundation Book Award, 2016 Art of Eating Prize, 2015 BCALA Outstanding Contribution to Publishing Citation, Black Caucus of the American Library Association, 2016 Women of African descent have contributed to America's food culture for centuries, but their rich and varied involvement is still overshadowed by the demeaning stereotype of an illiterate "Aunt Jemima" who cooked mostly by natural instinct. To discover the true role of black women in the creation of American, and especially southern, cuisine, Toni Tipton-Martin has spent years amassing one of the world's largest private collections of cookbooks published by African American authors, looking for evidence of their impact on American food, families, and communities and for ways we might use that knowledge to inspire community wellness of every kind. The Jemima Code presents more than 150 black cookbooks that range from a rare 1827 house servant's manual, the first book published by an African American in the trade, to modern classics by authors such as Edna Lewis and Vertamae Grosvenor. The books are arranged chronologically and illustrated with photos of their covers; many also display selected interior pages, including recipes. Tipton-Martin provides notes on the authors and their contributions and the significance of each book, while her chapter introductions summarize the cultural history reflected in the books that follow. These cookbooks offer firsthand evidence that African Americans cooked creative masterpieces from meager provisions, educated young chefs, operated food businesses, and nourished the African American community through the long struggle for human rights. The Jemima Code transforms America's most maligned kitchen servant into an inspirational and powerful model of culinary wisdom and cultural authority.

*Simply Scratch* Laurie McNamara, 2015-11-17 From the popular blogger behind *Simply Scratch* comes a debut cookbook showing how to home-cook absolutely everything from scratch. For Laurie McNamara, growing up on a farm in the country had major perks: her mother cooked with vegetables from the family garden, they collected fresh eggs from the chicken coop, and absolutely everything--from ketchup to casseroles--was made 100 percent from scratch. When she moved away from home, though, McNamara was too busy working full-time and raising two kids to prepare from-scratch meals. Like most Americans, she relied on boxed brownie mix, canned soup, bottled dressings, and frozen dinners to make home cooking quicker and cheaper. But she soon learned that these so-called shortcuts were in fact both more expensive and light-years less healthy than simply making everything herself. Eventually, she'd had enough and vowed to remake her kitchen into a from-scratch kitchen. Now, four years later, McNamara has helped hundreds of thousands of home cooks prepare from-

scratch meals with whole food ingredients through her blog, Simply Scratch. McNamara's highly anticipated debut cookbook, Simply Scratch, takes her home-cooking know-how to the nation, with 120 wholesome, mouthwatering recipes along with stunning photography, entertaining anecdotes, and personal musings. This book offers easy recipes for delectable concoctions such as Buckwheat Pancakes and Creamy Roasted Tomato Soup. Simply Scratch will be the must-have bible to cooking beyond the box and can. Featuring everyday ingredients, a down-to-earth approach, and family recipes, Simply Scratch proves cooking from scratch can be affordable, simple, fun, and--of course--absolutely delicious--

**Ripple Effects** Pam Tebow, 2022-07 Discover the God-inspired difference only you can make in the world . . . using the key you never knew you had. Tim Tebow credits his mom with being the key to his success--but Pam never expected that she would be known on a national stage. For most of her life, she was serving quietly and faithfully as a wife and a mom--choosing life for her child in the face of medical risks, answering the Lord's call to mission work in the Philippines, and homeschooling before anyone knew what the word meant. But all along the way, her experiences--and her consistent, everyday choices to follow the Lord and to serve wherever He placed her--were creating unexpected ripples of influence throughout her family, her community, and her world. And they would end up extending far beyond anything she ever imagined. Pam believes that every one of us can be influential--and that deep within a woman's heart is the desire to use her influence for good. In *Ripple Effects*, Pam uncovers and explores the miraculous motivating power of influence we can have on this generation and the next, no matter where we are planted in life. Whether we are in the midst of endless diaper changes, climbing up the corporate ladder, or simply doing our best to live, love, and serve well each day, Pam will encourage us to maximize our God-given opportunities for influence--and watch how far the ripples will spread.
