**Every Little Win** Todd Tilghman,Brooke Tilghman,2021-06-22 Learn to celebrate the smallest victories and unlock some of life's greatest joys! What does a forty-two-year-old, small-town pastor do when he wins one of the most popular singing competitions in the world? He celebrates with the same joyful mindset of embracing every little win along the way that his family has practiced for years. When Todd Tilghman, pastor and father of eight, auditioned for The Voice, he counted it as a win simply to sing in front of an audience. But despite not having any music or vocal training he won the show's entire eighteenth season! Fans loved Todd's rich voice, but they loved his exuberant joy even more. No one knew, though, that his joy came not from winning each round but from years of choosing light over darkness. In Every Little Win, Todd and Brooke share how their focus on joy and celebrating every little win has helped them to overcome numerous challenges over their twenty-plus-year marriage. From being on brink of divorce to parenting a critically ill child, from wrestled with Brooke's depression and Todd's food addiction to pastoring a small congregation through periods of adversity, Todd and Brooke share the lessons they've learned and the strategies that have moved them from fear to faith to ever-present joy. In Every Little Win, Todd and Brooke share how decades of unrelenting challenges taught them to celebrate not just the big wins but also every little win along the way. In this candid and vulnerable book, they encourage you to: Take practical steps to move from fear to freedom and from freedom to joy Make the choice to cling to God's goodness even in the hard times Understand why your story—and your voice—matter to God and others Every Little Win will inspire you not to wait for your struggles to pass or for a “big win” to bring you joy, but how to cultivate a habit of celebrating the small victories now so you don't miss out on the amazing life that is already in front of you.

**Victim To Victory** Heather "Sangeeta" Ferri,2022-11-03 I believe every soul is born with the birthright to be happy, healthy, and holy. I lost this belief system when my mother abruptly changed mental states and began choking me on a regular basis. Spending much of my life with brain damage, PTSD, and a weak immune system, I believe my suffering was for a higher purpose. I spent the first ten years of my adult life as a Broadway performer where I utilized tap dance and theater to convey stories and address my inner pain. As a child, I took an oath never to show my authentic self. This book releases the shame held by so many of my ancestors. I didn't grow up eating vegan food, listening to chants, or communicating with my biological tribe on spiritual issues. I grew up like many of you in generational abusive patterns where yelling was common and issues were slipped under the table. The first thing I learned from my teacher, Yogi Bhanjan, is that there is a way through every block. In this book, you will discover the journey behind healing oneself to a new mind, new body, and new life!

This move to the country was a saving grace for him and to all of the members of his family. Along with the unostentatious tutelage of his parents and older brothers, his maturation guided him to his rise to the *Victory Horizon*. This book is a true story of this young man's challenges, life's lessons and ultimate victory.

Damage to Victory Natasha Brown,2021-04-21 *Damaged to Victory: Secrets to My Son* By: Natasha Brown God, why do you hate me? The monsters hurt me again and again, and she won't help me. Isn't a mother supposed to protect her children? I know she knows what these beasts are doing to me and my sisters; she has to hear our cries. I want to die. I don't want to be this anymore. Enough. God, I have had enough, just let me die. I have to be better for my son. My past will not define my future. My immaculate conception, my first love, my one true victory, my reason for living, the love of my life will never know the feeling of degradation and self-hatred I felt the first time I realized that my mother did not love me enough to protect me nor did she care. That will not be my son's reality. Though my divine blessing was a product of rape, I will protect him with my life! God blessed me when he brought the Goldsteins in my life. These great people, my God-given parents, took this flawed hurt girl with all my thorns, self-hate, and rage and loved me to wellness. They brought me from damage to victory, and now it is time to tell my secrets to my son.

**Noble Victory** Mandeep K. Atwal,2023-10-05 MANDEEP K. ATWAL KNEW FROM A YOUNG AGE SHE WANTED TO

FIGHT FOR EQUALITY. Motivated and driven, she pursued a career in law, but even when she was a full-fledged lawyer and everything had gone according to her plans, she still felt like something was missing. She felt that it was time to start a family with her husband, Samir. But little did they know how that decision would take their souls to places they never could have imagined. After multiple complications during the delivery, Mandeep gave birth to her son, JSS. The initial months of motherhood were difficult—and then, everything changed when Mandeep and Samir discovered their son had autism. Their lives became a whirlwind of therapies and doctors' visits, but the thing that stood out the most to Mandeep was how differently her son was treated at almost every turn. Why did the word "autism" suddenly change the way the world saw her kind, hardworking son? Why was he denied opportunities granted to other children? A lifelong passion for justice and a never-ending drive to change the world led Mandeep exactly where she was meant to be. From that day onward, Mandeep and her family became advocates for autism awareness, first starting small among their friends and family, then spreading outward in their community. In *Noble Victory*, Mandeep and her family walk side by side in JSS's journey with autism and teach us that across the world, we are more alike than we are different, and that even one individual can make a difference.

**Education for Victory** ,1944

*Thumbs up "V" for Victory, I Love You* Norm Benedict,2011-03-09 *Thumbs Up, V for Victory, I Love You* chronicles a special time, from the early 1940s through the mid-50s. It reveals how people moved forward in a world in tumult, and the payoff they received having survived it. Its about a handful of kids who because they were in the right place at the right time were provided an education well above the norms of the day. It reflects the melodrama that is real life, when young and old lived each day to the fullest while making the most of what they had. Its an oral history that tells how the wonders of discovery, communication, education and the opposite sex changed an impressionable boy into a determined young man. A period that has not been afforded the coverage it deserves, *Thumbs Up, V for Victory, I Love You* reveals a softer time, but one no less significant or singular than any other.

**Victory in the Pool** Bill George,2023-05-10 The ultimate underdog story of a swim coach who could not swim, a swim club that accepted minorities when others would not, and a group of young swimmers who became Olympic champions. Before the United States was the swimming power it is today, a novice coach named Sherm Chavoor formed a swim club that accepted all swimmers—no matter their religion, race, or social status—and started a dynasty. Following Chavoor’s intense and unorthodox coaching methods, his young swimmers quickly began dominating competitions across northern California—and then the world. In *Victory in the Pool: How a Maverick Coach Upended Society and Led a Group of Young Swimmers to Olympic Glory*, Bill George tells the inspiring story of Sherm Chavoor and his dedicated athletes who rose from obscurity to win twenty Olympic gold medals during the 1960s and ‘70s. They triumphed in two of the most tumultuous and dangerous Olympic Games ever held, the 1968 Mexico City Games and the 1972 Munich Games marred by the terrorist attack that killed eleven Israeli athletes. Mark Spitz and Debbie Meyer were the two most prominent members of the team, but they were challenged every step of the way by teammates and fellow Olympians Sue Pedersen, Mike Burton, John Ferris, Jeff Float, and more. Featuring exclusive interviews with the athletes and with Sherm Chavoor before he passed away, *Victory in the Pool* delivers an inside look at this unparalleled time in Olympic history. But more than that, it is the story of young people overcoming incredible odds—often in the face of insults and bigotry and under the intense glare of the spotlight—and coming out triumphant.
