**936 Pennies** Eryn Lynum,2018-02-06 Make the Most of Your Time with Your Children On the day of their baby dedication, Eryn and her husband were given a jar of 936 pennies. The jar contained a penny for every week they would raise their child until graduation, and they were instructed to remove one penny each Sunday as a reminder, placing it into another jar as an investment. At some point every parent realizes time is moving swiftly, and they ask themselves, How am I investing in my child? Through personal stories and biblical examples, 936 Pennies will help you discover how to capture time and use it to its fullest potential, replacing guilt and regrets with freedom. Meanwhile, your kids will see how simple choices, like putting the cell phone down and going on a family hike, will make all the difference. Together you will stretch time and make it richer. Craft a family legacy in tune with God's heartbeat as you capture a new vision for your children and learn the best ways to spend your pennies.

Cover Peter Mendelsund,2014-08-05 Peter Mendelsund has enjoyed years as a much-sought-after book cover designer and art director. Among the many recognizable jackets he has created are those for The Girl with the Dragon Tattoo; collections of the works of Joyce, Kafka, Dostoevsky, de Beauvoir, and Foucault; the contemporary works of Martin Amis, Tom McCarthy, Ben Marcus, Jo Nesbø, and James Gleick; and many more. All have greatly benefitted from the care and touch Mendelsund gave them. Cover abounds with Mendelsund's completed book jackets along with ephemera from his previously unseen creative method, including jacket sketches, interior art and editorial illustrations, and scores of rejected drafts. These images are punctuated by Mendelsund's reflections on his work and his process, as well as by texts from writers with whom he has worked and designed for. Cover is a compendium of beautiful design and a beautiful design object itself; a profile and celebration of one of the publishing world's most talented and prolific contemporary creators, and a brilliant showcase of his deft touch for balanced and innovative design.
