The next day she learns her older brother Connor has gone missing during his tour in Afghanistan. *The Governess of Highland Hall* Carrie Turansky, 2013-10-15 Worlds lie between the marketplaces of India and the halls of a magnificent country estate like Highland Hall. Will Julia be able to find her place when a governess is neither upstairs family nor downstairs help? Missionary Julia Foster loves working alongside her parents, ministering and caring for young girls in India. But when the family must return to England due to illness, she readily accepts the burden for her parents' financial support. Taking on a job at Highland Hall as governess, she quickly finds that teaching her four privileged, ill-mannered charges at a grand estate is more challenging than expected, and she isn't sure what to make of the estate's preoccupied master, Sir William Ramsey. Widowed and left to care for his two young children and his deceased cousin Randolph's two teenage girls, William is consumed with saving the estate from the financial ruin. The last thing he needs is any distraction coming from the kindhearted-yet-determined governess who seems to be quietly transforming his household with her persuasive personality, vibrant prayer life, and strong faith. While both are tending past wounds and guarding fragile secrets, Julia and William are determined to do what it takes to save their families—common ground that proves fertile for unexpected feelings. But will William choose Julia's steadfast heart and faith over the wealth and power he needs to secure Highland Hall's future?

**27 Hours** Tristina Wright, 2017-10-03 Rumor Mora fears two things: hellhounds too strong for him to kill, and failure. Jude Welton has two dreams: for humans to stop killing monsters, and for his strange abilities to vanish. But in no reality should a boy raised to love monsters fall for a boy raised to kill them. Nyx Llorca keeps two secrets: the moon speaks to her, and she's in love with her best friend, Dahlia. Braeden Tennant wants two things: to get out from his mother's shadow, and to unlearn his colony's darkest secret. To save everyone they love, they'll both have to commit treason. During one twenty-seven-hour night, these four runaways must stop the war between the colonies and the monsters from becoming a war of extinction, or the things they fear most will be all that's left.

love story.“—InTouch Weekly Beckett, If you’re reading this, well, you know the last-letter drill. You made it. I didn’t. Get off the guilt train, because I know if there was any chance you could have saved me, you would have. I need one thing from you: get out of the army and get to Telluride. My little sister Ella’s raising the twins alone. She’s too independent and won’t accept help easily, but she has lost our grandmother, our parents, and now me. It’s too much for anyone to endure. It’s not fair. And here’s the kicker: there’s something else you don’t know that’s tearing her family apart. She’s going to need help. So if I’m gone, that means I can’t be there for Ella. I can’t help them through this. But you can. So I’m begging you, as my best friend, go take care of my sister, my family. Please don’t make her go through it alone. Ryan
