Temecula Quilt Company - Quirky Little Quilts Sheryl Johnson,2018-08-01 Mismatched blocks, make-do colors, planned

mistakes, and happy surprises--it's all good at Temecula Quilt Company! Inspired by quilts of the nineteenth century, 15 petite patchwork quilts invite you to play with reproduction fabrics in quirky ways. Try wonky layouts, unexpected block pairings, and blends of color where anything goes. The results are instantly endearing--just like the quilts of yesteryear. With Sheryl Johnson's make-do philosophy, you can use a scrappy fabric assortment to create charming, stress-free quilts that celebrate one-of-a-kind choices. Patterns are small, cute, and quick to stitch, each with a perfectly imperfect personality all its own. What a liberating way to quilt!

Stagecraft Fundamentals Rita Kogler Carver,2013 *Stagecraft Fundamentals* Second Edition tackles every aspect of theatre production with Emmy Award-winning author Rita Kogler Carver's signature witty and engaging voice. The history of stagecraft, safety precautions, lighting, costumes, scenery, career planning tips, and more are discussed, illustrated by beautiful color examples that display step-by-step procedures and the finished product. This second edition offers even more in-demand information on stage management, drawing and drafting (both by hand and CAD), lighting fixtures, and special effects. Also new to this edition are current articles from *Lighting and Sound America*, brand new diagrams that illustrate

hard-to-grasp concepts, and a plethora of information on European conversions, standards, and practices, making the skills you learn applicable to stage jobs on either side of the ocean! The accompanying website, www.stagecraftfundamentals.com is bursting with additional material such as an instructor's manual, CAD drawings, color theory, manufacturing information, and so much more to help you along the way as you learn all about the world of theatre production! Praise for the Book: Beautifully written! The author has succeeded in relaying technical theatre information without being too technical and putting the reader to sleep. I read three sentences and instantly knew this book was for me and the way I teach. When I think back on the insufferable intro to tech theatre books I had to read, I feel cheated I didn't have this one as a student. I will be using this text in my class! -- Rob Napoli, Designer and Technical Director at Penn State University, Berks Campus This text has tempted me to return to teaching with a textbook for the first time in seven years. The language is both accessible and informal yet the text goes a long way in debunking some of the typical jargon that may alienate students just getting into the field, or trying it out for the first time. The illustrations (the text is full of them) coupled with the stories reinforce the fundamental information being conveyed. -- John Paul Devlin, Associate Professor of Theatre at Saint Michael's College What a great idea! Thank heavens someone is doing this for students at that impressionable age. That has been one of my mantras - education of teachers and students on the use of scenic materials. The teachers don't have enough time in college to learn and do everything they have to teach. Most get thrown into the theatre area by default and struggle with designing/building/painting the scenery. -- Jenny Knott, Rosco Stagecraft Fundamentals is beautifully illustrated throughout, and the profusion of color on every page gives this textbook the appearance of a coffee table book. The writing is clear and personal, which should be very appealing to students. Rita Carver covers all aspects of theatre production from scenery, to lighting, to an actor's makeup. Her close ties to the New York theatre scene gives this book a special insight into the professional world, one that goes well beyond what is found in most college textbooks. -- John Holloway, Professor in the Theatre Department at the University of Kentucky and President of the International Association of Theatrical stage Employees (IATSE) Local 346. I can't thank you enough for Stagecraft Fundamentals. I have been teaching stagecraft since 1976 and you have saved me from the nightmare of writing a text to suit my class needs..After two semesters with your text, I have found that I had more time to develop the skills necessary within the classroom than before. The humor that you have infused in the book has enticed my students to read on. That alone makes this text invaluable. --Meta Lasch, Assistant Professor, West Liberty University

Teeny-Tiny Quilts Donna Lynn Thomas, 2018-04-01 Master the precision and attention to detail needed for quilts—in sizes small, smaller, and smallest! In this book, author Donna Lynn Thomas teaches you the skills you need to create accurately pieced quilts in miniature. Choosing fabrics (with emphasis on print size), cutting (with emphasis on accuracy), sewing (with techniques for how to sew small pieces and tiny half-square triangles), pressing, and finishing are all covered in

depth. Build your confidence and skills at your own pace with easy-to-follow instructions and a progression of twelve main projects, from easier to more challenging. Plus, each project comes in up to three sizes, so you can choose how small you want to go!

Magical Miniature Gardens & Homes Donni Webber,2016-11 Celebrate the cute, tiny, magical and whimsical world of fairy gardens using this resourceful and inspiring book as the guide. Donni Webber crafter, fairy gardening guru and creator of FairyGardens.com -takes readers on a journey to build unique gardens, houses and accessories for fairies. The garden designs are low-cost and low-care, highlighting common, long-lasting plants. The accessories and furniture projects are easy to make, come together quickly and use natural materials or commonly found craft supplies. The playful and imaginative trend of miniature & fairy gardening caught fire in the craft world several years ago, and it has only grown in popularity. It's the quick-and-easy -and super cute -way to become a gardener! These gardens are a big hit with kids, who love to imagine the magical creatures that enjoy the garden when the kids are asleep or away from home. Plus, the gardens make adorable home decorations (and gifts!) for adults that can fit on an end table, desk or bookshelf. Our book is a new offering on the market with easy beginner gardens and accessories, as well as more unique themes like using a gourd to create a Gaudy Gnome Home complete with mossy windows, wood round steps, a burlap broom, a flowerpot chimney and more. The theme of magic and enchantment will run throughout the book in Donni's engaging tone of writing and photography.

The Curse of La Croix Jason Kingsland, Dan Kingsland, 2010-11 Sophie Rochelle, the Duke of La Croix's only daughter, is an unhappy soul even though she is a wealthy girl living in a prosperous city. Due to a mysterious illness, she has been confined to the grounds of the Duke's vast estate since age two. Sophie immerses herself in books and waits for her twentieth birthday, when she embarks on an adventure of her own, daring physical harm and her father's wrath all for just one stolen day of freedom. But she is about to discover that her dream may not unfold exactly the way she imagined. Alaric Vashon, the greatest swordsman of the age, is on the run from a dangerous band of men who will stop at nothing to destroy him. As his flight takes him to the embattled city of La Croix now overrun with bandits he realizes that fate has dictated his journey. Meanwhile, Sophie encounters a strange beggar hated by all the townsfolk; just as their destinies and the fate of La Croix become intertwined, Sophie realizes she is facing a far greater conflict looming on the horizon. In this classic tale of good, evil, and love, one woman must take control of her future before it is too late.

Knack Dorm Living Casey Lewis, 2010-03-02 Knack Dorm Living, Casey Lewis-herself a college senior at the University of Missouri-provides the guide she searched for, in vain, in her freshman year. She offers invaluable tips on what to pack and what to buy, what to expect, decorating, clothes, and organizing time and money. This is an ideal high school graduation gift for high school seniors-both girls and guys-set to move away from home.

Shooting Ladders Gary Keeney, 2010-08-03 Shooting Ladders is a book of advice written to a little girl named Tori. She was four years old when the author started writing the first topic, and she was eight years old when he finished the last topic. But he didn't write it for the Tori of then or even the Tori of now; instead he wrote it for the Tori of the future, as something to help her make the right decisions in her late childhood/early adult years and throughout her life. The book contains the author's opinions on hundreds of various subjects-some of them practical, many of them philosophical; some serious, some whimsical. On a typical subject, the author tells a story from his own personal experiences and then adds a moral lesson for her to learn from the story. Although he's not trying to tell her what to think; he is trying to guide her into making the proper decisions in life. The author hopes that she'll carefully weigh all the options and choose the paths that lead

her to a good and happy life
