Happy Hour Marlowe Granados,2021-09-07 With the verve and bite of Ottessa Moshfegh and the barbed charm of Nancy Mitford, Marlowe Granados's stunning debut brilliantly captures a summer of striving in New York City. Isa Epley, all of twenty-one years old, is already wise enough to understand that the purpose of life is the pursuit of pleasure. She arrives in New York with her newly blond best friend looking for adventure. They have little money, but that's hardly going to stop them. By day, the girls sell clothes on a market stall, pinching pennies for their Bed-Stuy sublet and bodega lunches. By night, they weave between Brooklyn, the Upper East Side, and the Hamptons among a rotating cast of celebrities, artists, Internet entrepreneurs, stuffy intellectuals, and bad-mannered grifters. Resources run ever tighter and the strain tests their friendship as they try to convert social capital into something more lasting than precarious gigs as au pairs, nightclub hostesses, paid audience members, and aspiring foot fetish models. Through it all, Isa's bold, beguiling voice captures the precise thrill of cultivating a life of glamour and intrigue as she juggles paying her dues with skipping out on the bill. *Happy Hour* is a novel about getting by and having fun in a system that wants you to do neither.

Phil Gernhard William Leonard DeYoung, 2018 A go-getting, red-headed college kid eager to break into the music business, Phil Gernhard produced a handful of singles for South Carolina doo-wop group Maurice Williams and the Zodiacs. One of these songs, *Stay*, reached number one on the charts in 1960. Gernhard was just 19 years old. *Phil Gernhard, Record Man* is the story of a self-made music mogul who created nearly fifty years' worth of chart-topping songs. From a tiny office

and studio in Florida, he co-wrote the Royal Guardsmen's Snoopy vs. the Red Baron, America's fastest-selling single of 1966. He revived the career of singer Dion DiMucci with the ballad Abraham, Martin and John--a million seller. He discovered and produced hit records for Lobo, Jim Stafford, and the Bellamy Brothers. Through a long collaboration with music business icon Mike Curb, he launched to fame many others, including country superstars Tim McGraw and Rodney Atkins. In Nashville and Los Angeles, Phil Gernhard was a legend. Yet Gernhard's private life was crumbling. He battled physical and emotional demons that he simply couldn't overcome, struggling with alcoholism, drug addiction, and a bad past with his father. He filed for his fourth divorce just months before taking his own life in 2008. Through interviews with Gernhard's musicians, business partners, family members, and ex-wives, Bill DeYoung offers an intimate portrait of a brilliant yet troubled man who channeled his talent, ego, and ambition into the success of others. A true record man, Gernhard did it all. He lived to make records into gold, to make unknowns into stars, and above all, to make music.

Problem one: his best friend Sam has given him an angel's feather that also happens to be evidence of an unholy pact between Bobby's employers and those who dwell in the infernal depths. Problem two: Eligor, Grand Duke of Hell, wants to get his claws on the feather at all costs, but particularly at all cost to Bobby . Problem three: Bobby has fallen in love with Casimira, Countess of Cold Hands, who just happens to be Eligor's girlfriend. Problem four: Eligor, aware of Problem three, has whisked Casimira off to the Bottomless Pit itself, telling Bobby he will never see her again unless he hands over the feather. But Bobby, long-time veteran of the endless war between above and below, is not the type of guy who finds Hell intimidating. All he has to do is toss on a demon's body, sneak through the infernal gates, solve the mystery of the angel's feather, and rescue the girl. Saving the day should just be a matter of an eon or two of anguish, mutilation and horror. If only it were that easy.

Naptime Is the New Happy Hour Stefanie Wilder-Taylor, 2008-03-25 Motherhood -- it's not for wimps. Once the zigzagging hormones and endless, bleary-eyed exhaustion of the first year have worn off, you're left with the startling realization that your tiny, immobile bundle has become a rampaging toddler, complete with his or her very own, very forceful personality. Just as Sippy Cups Are Not for Chardonnay helped debunk decades of parenting myths to offer honest advice for the first year, Naptime Is the New Happy Hour is a voice of reason for every woman facing questions such as: Will refined

sugar make my toddler's head explode? Is it wrong to have a cocktail at two in the afternoon? And what exactly is a Backyardigan? With biting wit and boatloads of common sense, Stefanie Wilder-Taylor addresses all these concerns and more. Whether it's planning easy outings that are fun for both of you (fact: your child will find the local Target just as scintillating as the Guggenheim), dishing the dirt on preschool TV (those mothers who swear their kids don't watch television? Liars or psychos, every one), or perfecting the art of the play date, readers will find advice, anecdotes, and a reassuring sense of camaraderie to help them survive -- and even thrive -- during each hilarious, frustrating, and amazing moment.

Relive many interesting vignettes from the 70s, eighties and nineties including insights into several dynamic general officers, including one who postponed a meeting with the Supreme Allied Commander Europe (SACEUR) to chat with doctors at a coffee break. Peek inside the often confusing world of quality assurance. Examine why reduction in rank appears not to work. See how the National Practitioner Data Bank protects patients in the U.S. Read about one attempt to prepare Army doctors and field medics for psychiatric casualties on the battlefield. Find out how a psychiatrist can become involved in a surprisingly wide range of activities related to military life. Marvel over the level of emotions engendered by the question of who should command medical units. Enjoy articles about Dr. Jeffer from Newsweek, Psychology Today, Army Times, U.S. Medicine, Stars and Stripes, Psychiatric News and the Newport News Daily Press. Over twenty-six years Dr. Ed Jeffer was involved in drugs and alcohol, the interface of medicine and the law, quality assurance, combat psychiatry and many other areas. He served with both active and reserve components. Working as a staff officer he interfaced with command at all levels and with governors and the Congress of the United States. Many lessons learned are still valuable today and there is something of interest for everyone.

Midlife Happy Hour Elaine Ambrose, 2016-10-04 From the author of *Midlife Cabernet* and *Frozen Dinners*, a guide to life after fifty full of personal anecdotes and laugh-out-loud humor. More than forty million middle-aged women are tumbling over the hill, laughing all the way because the kids are grown, their menstrual periods stopped, and they survived at least four decades of arbitrary rules dictated by a crabby universe. They went to work with varying degrees of success and brought home the bacon but threw it in the freezer and ordered pizza. Now they're ready to celebrate the freedom of pending retirement because they know it's more fun to laugh hysterically than to stab someone with a fork and deal with the messy

court case and inconvenient jail time. With her irreverent kiss-my-attitude, Elaine Ambrose shares her life experiences through a series of amusing anecdotes created to show women over age fifty that life is worth living out loud. Readers will learn how to remain relevant when the world ignores them, why their children are cute but should grow up and move out, how to cope when their aging parents forget their names, and why it's never too late to get serious about a passionate love life. She even throws in a few hints for fabulous fashion and decorating ideas for lazy people. This creative collection of humorous, gluten-free, and non-fattening stories will encourage midlife friends to grab an adult beverage and order two laughs for the price of one as the appropriate reward for surviving careers, kids, and chaos. It's time for Midlife Happy Hour!
