*The Lost Sisters* Holly Black, 2018-10-02 Sometimes the difference between a love story and a horror story is where the ending comes... While Jude fought for power in the Court of Elfame against the cruel Prince Cardan, her sister Taryn began to fall in love with the trickster, Locke. Half-apology and half-explanation, it turns out that Taryn has some secrets of her own to reveal. *The Lost Sisters* is a companion e-novella to the New York Times bestselling novel *The Cruel Prince*, by master writer Holly Black.

*The Wicked King* Holly Black, 2019-01-08 The enchanting and bloodthirsty sequel to the New York Times bestselling novel *The Cruel Prince*. You must be strong enough to strike and strike and strike again without tiring. The first lesson is to make yourself strong. After the jaw-dropping revelation that Oak is the heir to Faerie, Jude must keep her brother safe. To do so, she has bound the wicked king, Cardan, to her, and made herself the power behind the throne. Navigating the constantly shifting political alliances of Faerie would be difficult enough if Cardan were easy to control. But he does everything in his power to humiliate and undermine her even as his fascination with her remains undiminished. When it becomes all too clear that someone close to Jude means to betray her, threatening her own life and the lives of everyone she loves, Jude must uncover the traitor and fight her own complicated feelings for Cardan to maintain control as a mortal in a Faerie world.

*The Queen of Nothing* Holly Black, 2019-11-19 A powerful curse forces the exiled Queen of Faerie to choose between ambition and humanity in this highly anticipated and jaw-dropping finale to *The Folk of the Air* trilogy from a #1 New York Times bestselling author. He will be the destruction of the crown and the ruination of the throne Power is much easier to acquire than it is to hold onto. Jude learned this lesson when she released her control over the wicked king, Cardan, in exchange for immeasurable power. Now as the exiled mortal Queen of Faerie, Jude is powerless and left reeling from Cardan's betrayal. She bides her time determined to reclaim everything he took from her. Opportunity arrives in the form of her twin sister, Taryn, whose life is in peril. Jude must risk venturing back into the treacherous Faerie Court, and confront her lingering feelings for Cardan, if she wishes to save her sister. But Elfame is not as she left it. War is brewing. As Jude slips deep within enemy lines she becomes ensnared in the conflict's bloody politics. And, when a dormant yet powerful curse

is unleashed, panic spreads throughout the land, forcing her to choose between her ambition and her humanity . . .

*Embrace* Taryn Brumfitt,2015-02 Body confidence does not come from trying to achieve the perfect body, it comes from embracing the one you've already got. This is the book for every woman who hates the way her body looks, and derides herself for not having the perfect figure. It is for those who have allowed those negative and harmful thoughts to affect their self-confidence and inform their everyday behaviour. Once a body builder with a lean, toned and taut figure, Taryn's obsession with muscle definition and the sleek lines of her body came with the territory of her job. Pregnancy and motherhood stole the identity she was familiar with and left her with feelings of self-loathing and repulsion that affected the way she thought about herself. After contemplating cosmetic surgery to reclaim the body she wanted, Taryn had an epiphany. If she went ahead with the surgery, how would she teach her daughter to love and respect her own body if she couldn't do the same? Taryn's greatest challenge came next. How would she learn to love her body and transform the hatred she felt into something positive? Her journey to acceptance of her womanly figure and celebration of her femininity has been publicly chartered. Here she shares her story to help harness and facilitate positive body image activism for all women.

**The Alchemy of Forever** Avery Williams,2012-04-26 People say 'love never dies'... but love might be the death of Seraphina. Seraphina has been alive since the Middle Ages, when her boyfriend, Cyrus, managed to perfect a method of

alchemy that lets them swap bodies with any human being. She doesn't want to die, so she finds young people who are on the brink of death, and inhabits their bodies. When we meet Sera, she has landed in the body of a girl named Kailey who was about to die in a car accident. For the first time, Sera falls in love with the life of the person she's inhabiting. Sera also falls for the boy next door, Noah. And soon it's clear the feelings are returned. Unfortunately, she can never kiss Noah, because for her to touch lips with a human would mean the human's death. And she has even more to worry about: Cyrus is chasing her, and if she stays in one place for long, she puts herself -and the people she's grown to care for - in danger.

**Memoirs of a Broken Hearted Girl II** Latonya D. Young, 2014-05-08 Sophie has spent two years under armed guard. Now the walls are beginning to close in. Her life and the lives of her children are at risk. She still hasn't gotten over the brutal murder of her husband and those recurring nightmares that replay that awful moment, night after night, are driving her insane. She's itching at the bud to pay the men who murdered her husband a visit, but her love and respect for Jack is holding those desires at bay. Jack has given up too much for the safety of Sophie and her sons, for her to foolishly go off and risk her life, while seeking revenge. A string of midnight phone calls forces her to face that Taryn won't give up on having her, and their son. When Taryn murders another of Sophie's loved ones just to prove a point, it brings out the bad girl that she tried to control, and now that she has been unleashed, murder and revenge are the name of the game, and no amount of coaxing from Jack can keep Sophie from acting impulsively.

*Sedition* E. M. Wright, 2021-05-18 Fast-paced, clever, and allegorical, this novel considers what makes people human after all. *Sedition* is powerful because of its social commentary, compelling setting, and unexpected heroine. - Camille-Yvette Welsch, FOREWORD REVIEWS hrShe was created for more than slavery; she was built for rebellion. In an alternate Victorian England, clockwork cyborgs provide the primary source of labor for the upper class. Known as biomatons, they are property by law and have been manipulated and mind-controlled into subservience. Taryn Roft, a 17-year-old girl, attending classes at Grafton's School of Mechanics in London has a secret. What's even worse—she cannot remember anything before her twelfth birthday. When a mysterious privateer discovers her secret, he offers her an ultimatum: accompany him to his airship, or her secret will be revealed to everyone. For Taryn, it's not much of a choice. Facing prejudice and cruelty may be nothing new to the only girl at an all-boys' school, but the further from home she gets, the darker her situation becomes. With danger around every corner and holes in her mind, can Taryn uncover the truth and prevent her own destruction before she can sow the seeds of sedition? hr It's a story of horror, of nightmares brought to life. But it is also a story about love, hope

and trust. A story about making horrible mistakes and having to live with them. It is a story about redemption but also, of course, of Sedition. – Hanna Palm, Goodreads & Bookstagrammer (librarianofterrasen) Sedition is definitely a book for fans of introspective, deep characters who are enraged by the injustice of the world. – Cat Rector, author of The Goddess of Nothing at All A good steampunk story ought to say something about society. Sedition does this.– Chris Patrick Carolan, author of The Nightshade Cabal Sedition is one of the most creative and innovative books that I've read this year!...One highlight of this book is that the world-building is amazing, full of automatons and gas lamps. I felt like I was transported back in time to an alternative Victorian London, and I loved it. - Leighton, Layton's Book Reviews hr

**A Whole New Crowd** Tijan,2019-11-10 He told me to go away. I did. I followed his instructions. I left with the new family. They were from the right side of the tracks and I tried to become one of them. I really did, but I failed. When someone died, someone that I loved, I couldn't keep pretending everything was fine. It wasn't. This privileged world he gave me wasn't privileged. There were problems. He just never told me that he created them, that he had sent me into a world he set up for me. It was all a lie, but it was lie that I was going to expose. Or I would die trying. \*\*This is a standalone.
