Opportunity arrives in the form of her twin sister, Taryn, whose life is in peril. After the jaw-dropping revelation that Oak is the heir to Faerie, Jude must keep her brother safe. To do so, she has bound the wicked king, Cardan, to her, and made herself the power behind the throne. Navigating the constantly shifting political alliances of Faerie would be difficult enough if Cardan were easy to control. But he does everything in his power to humiliate and undermine her even as his fascination with her remains undiminished. When it becomes all too clear

that someone close to Jude means to betray her, threatening her own life and the lives of everyone she loves, Jude must uncover the traitor and fight her own complicated feelings for Cardan to maintain control as a mortal in a Faerie world.

The Alchemy of Forever Avery Williams,2012-04-26 People say 'love never dies'... but love might be the death of Seraphina. Seraphina has been alive since the Middle Ages, when her boyfriend, Cyrus, managed to perfect a method of alchemy that lets them swap bodies with any human being. She doesn't want to die, so she finds young people who are on the brink of death, and inhabits their bodies. When we meet Sera, she has landed in the body of a girl named Kailey who was about to die in a car accident. For the first time, Sera falls in love with the life of the person she's inhabiting. Sera also falls for the boy next door, Noah. And soon it's clear the feelings are returned. Unfortunately, she can never kiss Noah, because for her to touch lips with a human would mean the human's death. And she has even more to worry about: Cyrus is chasing her, and if she stays in one place for long, she puts herself -and the people she's grown to care for - in danger.

Embrace Taryn Brumfitt,2015-02 Body confidence does not come from trying to achieve the perfect body, it comes from embracing the one you've already got. This is the book for every woman who hates the way her body looks, and derides herself for not having the perfect figure. It is for those who have allowed those negative and harmful thoughts to affect their self-confidence and inform their everyday behaviour. Once a body builder with a lean, toned and taut figure, Taryn's obsession with muscle definition and the sleek lines of her body came with the territory of her job. Pregnancy and motherhood stole the identity she was familiar with and left her with feelings of self-loathing and repulsion that affected the way she thought about herself. After contemplating cosmetic surgery to reclaim the body she wanted, Taryn had an epiphany. If she went ahead with the surgery, how would she teach her daughter to love and respect her own body if she couldn't do the same? Taryn's greatest challenge came next. How would she learn to love her body and transform the hatred she felt into something positive? Her journey to acceptance of her womanly figure and celebration of her femininity has been publicly chartered. Here she shares her story to help harness and facilitate positive body image activism for all women.

Memoirs of a Broken Hearted Girl II Latonya D. Young,2014-05-08 Sophie has spent two years under armed guard. Now the walls are beginning to close in. Her life and the lives of her children are at risk. She still hasn't gotten over the brutal murder of her husband and those recurring nightmares that replay that awful moment, night after night, are driving her insane. She's itching at the bud to pay the men who murdered her husband a visit, but her love and respect for Jack is holding those desires at bay. Jack has given up too much for the safety of Sophie and her sons, for her to foolishly go off and risk her life, while seeking revenge. A string of midnight phone calls forces her to face that Taryn won't give up on having her, and their son. When Taryn murders another of Sophie's loved ones just to prove a point, it brings out the bad girl that she tried to control, and now that she has been unleashed, murder and revenge are the name of the game, and no amount of coaxing from Jack can keep Sophie from acting impulsively.
