KariAnne Wood

So Close to Amazing KariAnne Wood,2017-09-05 This is a book celebrating the incredible, awesome, special individual within each of us. It's also a book for anyone who has ever mismatched her shoes or trimmed her own bangs when a professional might have been a better choice or added too much soap to the washer and watched it overflow. (Not that KariAnne Wood has ever done any of these things.) Fans of *The Magnolia Story* and *The Pioneer Woman* will love this debut memoir from the beloved Thistlewood Farms blogger. *So Close to Amazing* is a collection of hilarious and heartfelt reflections on getting it almost right—and how, instead of giving up, we can choose to simply embrace our real selves right where we are. It's a story of transparency and honesty and recognizing that perfection is completely overemphasized and overrated. It's about grace and learning from mistakes and rejoicing in every victory, no matter how small. Because when you find joy in the “you” God created you to be, you'll discover the amazing that was there all along. Contains beautiful DIY project ideas anyone can do, whether you're Pinterest perfect or craft challenged—homemade signs, centerpieces, recipe walls, and more!

The forty motifs explore the roses and wildflowers that appear season to season, as well as the bees and butterflies that enjoy their nectar. Chickens in the Road Suzanne McMinn, 2014-10-07 Suzanne McMinn, a former romance writer and founder of the popular blog chickensintheroad.com, shares the story of her search to lead a life of ordinary splendor in *Chickens in the Road*, her inspiring and funny memoir. Craving a life that would connect her to the earth and her family roots, McMinn packed up her three kids, left her husband and her sterile suburban existence behind, and moved to rural West Virginia. Amid the rough landscape and beauty of this rural mountain country, she pursues a natural lifestyle filled with chickens, goats, sheep—and no pizza delivery. With her new life comes an unexpected new love—52, a man as beguiling and enigmatic as his nickname—a turbulent romance that reminds her that peace and fulfillment can be found in the wake of heartbreak. Coping with formidable challenges, including raising a trio of teenagers, milking stubborn cows, being snowed in with no heat, and making her own butter, McMinn realizes that she's living a forty-something's coming-of-age story. As she dares to

become self-reliant and embrace her independence, she reminds us that life is a bold adventure—if we're willing to live it. Chickens in the Road includes more than 20 recipes, craft projects, and McMinn's photography, and features a special two-color design.
