## Scott Kubie

Happy Hour Marlowe Granados,2021-09-07 With the verve and bite of Ottessa Moshfegh and the barbed charm of Nancy Mitford, this stunning debut about a young ingénue in the big city is “as refreshing as gin fizz . . . a wild careening joyride through a hot sultry summer in New York” (Rachel Syme, *The New Yorker*). Isa Epley, all of twenty-one years old, is already wise enough to understand that the purpose of life is the pursuit of pleasure. She arrives in New York with her newly blond best friend looking for adventure. They have little money, but that’s hardly going to stop them. By day, the girls sell clothes on a market stall, pinching pennies for their Bed-Stuy sublet and bodega lunches. By night, they weave between Brooklyn, the Upper East Side, and the Hamptons among a rotating cast of celebrities, artists, Internet entrepreneurs, stuffy intellectuals, and bad-mannered grifters. Resources run ever tighter and the strain tests their friendship as they try to convert social capital into something more lasting than precarious gigs as au pairs, nightclub hostesses, paid audience members, and aspiring foot fetish models. Through it all, Isa’s bold, beguiling voice captures the precise thrill of cultivating a life of glamour and intrigue as she juggles paying her dues with skipping out on the bill. *Happy Hour* is a novel about getting by and having fun in a system that wants you to do neither.

**We Believe You** Annie E. Clark, Andrea L. Pino, 2016-04-12 From young activists at the forefront of the movement to end

sexual assault on college campuses, a collection of survivor stories that will connect with students and inform and inspire us all Across the U.S. student activists are exposing a pervasive cover-up of sexual assault on college campuses. Every day more survivors come forward. But other survivors choose not to. *We Believe You* elevates the stories the headlines about this issue have been missing--more than 30 experiences of trauma, healing and everyday activism, representing a diversity of races, economic and family backgrounds, gender identities, immigration statuses, interests, capacities and loves. More than 1 in 5 women and 5 percent of men are sexually assaulted at college, a shocking status quo that might have stayed largely hidden and unaddressed but for the two authors of *We Believe You*. In 2013, Annie E. Clark and Andrea L. Pino, then 23 and 20, building on the work of earlier activists, outed themselves as assault survivors and filed a federal complaint against the University of North Carolina (Chapel Hill) for mishandling such crimes; within a month, the U.S. government began to investigate UNC. Within a year, dozens of colleges were under federal investigation. But Clark and Pino rightly see themselves as two among many. Students from every kind of college and university--large and small, public and private, highly selective and less so--are sounding alarms and staking claims to justice by filing complaints, by pressing charges, and by simply living beyond the effects of assault and the betrayals of their schools. A sampling of their voices speak out in this book--

*Where the Magic Happens* Caspar Craven, 2018-05-17 In June 2009, Caspar and Nichola created a plan to sail around the world with their young children. Most people thought they were crazy. But over the past seven years they've embraced every moment of this momentous chapter of their lives. Five years of planning - the vision, the values, the practicalities, the realities, the excitement, the highs, the lows and the seemingly adventure-stopping obstacles - led to two wonderful years of living their dream - the magical and the scary; enjoying life and learning as a family. This is Caspar's story. It's a story of a fabulous sailing adventure but it's also so much more than that - it's an inspirational tale for all those wishing they could do the same; it's a practical guide to show you just how you can make it happen; it's a motivational story of leadership and teamwork within a family; and it's a funny, heart-warming tale of slightly unconventional family life. The fascinating narrative of Caspar's story is accompanied by useful text features such as tip boxes, sidebars and chapter summaries, so that the reader can easily extrapolate the necessary nuggets about how they can make the dream a reality.
