The Almanack Martine Bailey,2019-03-01 The philosophy of time, destiny and the stars pervade this intricate historical mystery in which a young woman determines to avenge her mother's death. 1752, Midsummer. Following a desperate summons from her mother, Tabitha Hart departs London for her home village of Netherlea - only to discover that her mother has drowned. Determined to discover the truth about the Widow Hart's death, Tabitha consults her almanack and uncovers a series of cryptic notes describing her mother's terror of someone she names only as 'D'. Teaming up with young writer Nat Starling, Tabitha begins a race against time to unmask 'D' before more deaths follow. But as the summer draws to a close and the snow sets in, cutting off Netherlea from the outside world, Tabitha and Nat are forced to face the darkest hours of their lives. With the year predicted to meet a 'violent, bloody end' will Tabitha survive long enough to bring her mother's killer to justice?

Noble Rider Steven Breneman,2016-03-25 An epic poem in alliterative verse reminiscent of Old English poetic form, Noble Rider concerns the nineteenth-century luminary named Bahauallah, the prophet founder of the Bahai faith. It is the first volume in a projected trilogy and addresses the life from birth in Tehran in 1817 to the public announcement of his mission in Baghdad in 1863. The son of a minister ascendant in the Qajar monarchy, Bahauallah was renowned from an early age for his brilliance, compassion, and breath-taking courage and integrity in speaking truth to power in the Shiah church-state system. Even while still in his twenties, he became known as the Father of the Poor. When a young merchant in Shiraz known as the Bab (the Gate) began to proclaim the advent of a great one who would usher in the coming of age of the human race, Bahauallah forfeited name and wealth in enthusiastically championing the promising cause. Iran was electrified and divided by the challenging call to renewal and modernization. Many were magnetized by its themes of human unfoldment, others fiercely resistant. Holocaust ensued. The Bab and twenty thousand of his followers were slaughtered. Alone among the leading figures to survive, Bahauallah was imprisoned and tortured and then exiled to Iraq but not before receiving through mystic means, and from the Bab himself, clear indications of his station as the promised one.
