I Do Not Like Living with Brothers Daniel Baxter, 2020-05-19 As she struggles to get along with her brothers, a little girl learns valuable lessons about kindness, empathy, and the importance of family. *I Do Not Like Living with Brothers* aims to teach young siblings to see the value and goodness in each other. We never like everything about our brothers or sisters but if we focus on the positive and recognize that our family cares about us, then we can live together with greater joy. Exploring the family dynamic of a sister living with two brothers, in this children's book, our young narrator discovers that while her brothers are dirty, smelly, and sometimes selfish, they are also kind, funny, and helpful. Author and father Daniel Baxter, creator of the popular YouTube channel *How It Should Have Ended*, shows kids that perhaps living with your siblings is not all bad. *I Do Not Like Living with Brothers* is a great empathy book for kids. With creative examples and fun illustrations, it will teach young girls and boys how to be more generous, why we should appreciate the people we live with, and that even though living with siblings can be hard work, it's worth it! Great for readers of *Be Kind, You're the Biggest*, and *Kindness Starts with You*.

Noble Rider Steven Breneman,2016-03-25 An epic poem in alliterative verse reminiscent of Old English poetic form, Noble Rider concerns the nineteenth-century luminary named Bahauallah, the prophet founder of the Bahai faith. It is the first volume in a projected trilogy and addresses the life from birth in Tehran in 1817 to the public announcement of his mission in Baghdad in 1863. The son of a minister ascendant in the Qajar monarchy, Bahauallah was renowned from an early age for his brilliance, compassion, and breath-taking courage and integrity in speaking truth to power in the Shiah church-state system. Even while still in his twenties, he became known as the Father of the Poor. When a young merchant in Shiraz known as the Bab (the Gate) began to proclaim the advent of a great one who would usher in the coming of age of the human race, Bahauallah forfeited name and wealth in enthusiastically championing the promising cause. Iran was electrified and divided by the challenging call to renewal and modernization. Many were magnetized by its themes of human unfoldment, others fiercely resistant. Holocaust ensued. The Bab and twenty thousand of his followers were slaughtered. Alone among the leading figures to survive, Bahauallah was imprisoned and tortured and then exiled to Iraqbut not before receiving through mystic means, and from the Bab himself, clear indications of his station as the promised one.
