All the Colors of Christmas (Board) Matthew Paul Turner, 2022-09-27 The bestselling author of *When God Made You* and *When I Pray for You* captures the wonder of Christmas and the joy of Jesus' birth in a lyrical exploration of what makes the season so colorful, magical, and personal. In his trademark style, Matthew Paul Turner celebrates the Christmas season, particularly the colors that infuse the holiday and all the memorable sensations and experiences—including a festive market, sledding, and nativity scene—connected to those bright hues. Matthew draws his readers into a whirling ribbon of the familiar reds and greens of Christmas, as well as other festive hues, including white, gold, blue, and brown. Christmas is RED. It's a bright shiny sled. It's candy canes, and toy store lanes. It's sprinkles on sweet bread. Christmas is BROWN It's pinecones scattered round... It's a cradle soft with hay And a donkey's gentle bray. It's God within a baby's skin on that very first Christmas Day. All the colors come together when readers are reminded that Christmas is YOU—you're a part of the story, the joy and the glory! Matthew shows us again and again that the holidays are nothing without being with the people we love, celebrating treasured traditions, and making new memories—all in vivid color.

This book is the third major volume, covering all essential grammar points that an upper intermediate (B2) learner needs to master. Together with the Elementary and Intermediate volumes, the series comprises the most complete single resource on Chinese grammar in print. This volume features:- 160 Upper Intermediate (B2)) grammar points- 200+ separate grammar structures- 1,700+ examples (with pinyin and English translation)- Extensive interlinking of similar grammar points- Bilingual glossary of grammar terms- Learner-centric design
