Reinventing Food Banks and Pantries Katie S. Martin, 2021-03-09 In the US, there is a wide-ranging network of at least 370 food banks, and more than 60,000 hunger-relief organizations such as food pantries and meal programs. These groups provide billions of meals a year to people in need. And yet hunger still affects one in nine Americans. What are we doing wrong? In Reinventing Food Banks and Pantries, Katie Martin argues that if handing out more and more food was the answer, we would have solved the problem of hunger decades ago. Martin instead presents a new model for charitable food, one where success is measured not by pounds of food distributed but by lives changed. The key is to focus on the root causes of hunger. When we shift our attention to strategies that build empathy, equity, and political will, we can implement real solutions. Martin shares those solutions in a warm, engaging style, with simple steps that anyone working or volunteering at

a food bank or pantry can take today. Some are short-term strategies to create a more dignified experience for food pantry clients: providing client choice, where individuals select their own food, or redesigning a waiting room with better seating and a designated greeter. Some are longer-term: increasing the supply of healthy food, offering job training programs, or connecting clients to other social services. And some are big picture: joining the fight for living wages and a stronger social safety net. These strategies are illustrated through inspiring success stories and backed up by scientific research. Throughout, readers will find a wealth of proven ideas to make their charitable food organizations more empathetic and more effective. As Martin writes, it takes more than food to end hunger. Picking up this insightful, lively book is a great first step.

My Money My Way Kumiko Love, 2022-02-01 Does fear and insecurity keep you from looking at your bank account? Is your financial anxiety holding you captive? You don't have to stress about money anymore. YOU can take back control. As a newly divorced single mom making \$24,000 per year and facing down \$77,000 in debt, Kumiko Love worried constantly about money. She saw what other moms had—vacations, birthday parties, a house full of furniture—and felt ashamed that she and her son lived in a small apartment and ate dinner on the floor. Worse, when her feelings began to exhaust her, she binge-shopped, reasoning that she'd feel better after a trip to the mall. On the day she needed to pay for a McDonald's ice cream cone without her credit card, she had an epiphany: Money is not the problem. Self-Doubt is the problem. Shame is the problem. Guilt is the problem. Society's expectations for her are the problem. She is the solution. Once she reversed the negative thinking patterns pushing her toward decisions that didn't serve her values or goals, her financial plan wrote itself. Now, she's not only living debt-free in her dream home, which she paid for in cash, but she has spread her teachings around the world and helped countless women envision better lives for themselves and their families. Now, building on the lessons she's taught millions as the founder of The Budget Mom, she shares a step by step plan for taking control back over your financial life—regardless of your level of income or your credit card balance. Through stories from navigating divorce to helping clients thrive through recessions, depression, eviction, layoffs and so much more, you will learn foundational practices such as: How to use your emotions to your financial advantage, instead of letting them control you How to create a budget based on your real life, not a life of self-denial How to create a motivating debt pay-off plan that makes you excited about your future, instead of fearing it My Money My Way will give you the tools to align your emotional health with your financial health—to let go of deprivation and embrace desire. Love's paradigm-shifting system will teach you how to honor your unique personal values, driving emotions, and particular needs so that you can stop worrying about money and start living a financially fulfilled life.

**This Will Make It Taste Good** Vivian Howard,2020-10-20 An Eater Best Cookbook of Fall 2020 From caramelized onions to fruit preserves, make home cooking quick and easy with ten simple kitchen heroes in these 125 recipes from the New York Times bestselling and award-winning author of Deep Run Roots. “I wrote this book to inspire you, and I promise it will change the way you cook, the way you think about what’s in your fridge, the way you see yourself in an apron.” Vivian Howard’s first cookbook chronicling the food of Eastern North Carolina, Deep Run Roots, was named one of the best of the year by 18 national publications, including the New York Times, USA Today, Bon Appetit, and Eater, and won an unprecedented four IACP awards, including Cookbook of the Year. Now, Vivian returns with an essential work of home-cooking genius that makes simple food exciting and accessible, no matter your skill level in the kitchen. Each chapter of This Will Make It Taste Good is built on a flavor hero—a simple but powerful recipe like her briny green sauce, spiced nuts, fruit preserves, deeply caramelized onions, and spicy pickled tomatoes. Like a belt that lends you a waist when you’re feeling baggy, these flavor heroes brighten, deepen, and define your food. Many of these recipes are kitchen crutches, dead-easy, super-quick meals to lean on when you’re limping toward dinner. There are also kitchen projects, adventures to bring some more joy into your life. Vivian’s mission is not to protect you from time in your kitchen, but to help you make the most of the time you’ve got. Nothing is complicated, and more than half the dishes are vegetarian, gluten-free, or both. These recipes use ingredients that are easy to find, keep around, and cook with—lots of chicken, prepared in a bevy of ways to keep it interesting, and common vegetables like broccoli, kale, squash, and sweet potatoes that look good no matter where you shop. And because food is the language Vivian uses to talk about her life, that’s what these recipes do, next to stories that offer a glimpse at the people, challenges, and lessons learned that stock the pantry of her life.
