*Design Mom* Gabrielle Stanley Blair,2015-04-07 New York Times best seller Ever since Gabrielle Stanley Blair became a parent, she's believed that a thoughtfully designed home is one of the greatest gifts we can give our families, and that the objects and decor we choose to surround ourselves with tell our family's story. In this, her first book, Blair offers a room-by-

room guide to keeping things sane, organized, creative, and stylish. She provides advice on getting the most out of even the smallest spaces; simple fixes that make it easy for little ones to help out around the house; ingenious storage solutions for the never-ending stream of kid stuff; rainy-day DIY projects; and much, much more.

**The Lantern House** Erin Napier,2022-05-24 From the nationally beloved co-host of the #1 hit show Home Town comes the quintessential celebration of home. Imagine a house's early days as a home: A young family builds a picket fence and plants flowers in its yard, children climb the magnolia tree and play the piano in the living room, and there is music inside the house for many happy years. But what will happen when its windows grow dark, its paint starts to crumble, and its boards creak in the winter wind? The house dreams of a family who will love it again...and one day, a new story will emerge from within its walls. In this modern classic, Erin Napier's lyrical prose and Adam Trest's warm and comforting paintings deeply evoke the soul of a house cherishing the seasons of life and discovering the joy of rebirth.

More than just a book on how to care for your child's physical well-being, *The New Basics* also covers such parenting challenges as biting, hitting, ADD, separation anxiety, how to prevent the terrible twos (and threes and fours ...), and preparing your child for a new sibling.
