Have Her Over for Dinner Matt Moore,2010-03 Let's face it, today we are inundated with articles about cooking, food, and wine in almost every part of our lives. From The Wall Street Journal to Playboy Magazine, you'd be hard pressed not to find a commentary related to the subject of food. At a time when I'm trying to figure out my best financial opportunities or determine which girl of the SEC is the best looking, why am I being told how to cook something? The simple answer is women. Don't get me wrong, a quick glance at any men's magazine will always yield the same redundant taglines; Lose your Gut, 1001 Financial Solutions, or Score your Dream Job on the cover. However, by now the majority of writers have exhausted the subjects of health, wealth, and power as a means to attract women, and they realize that cooking is just another avenue that they can use to appeal to the wants and needs of their readers. Don't trust me? Take a stroll through the magazine aisle at your local grocery store, and you might find that even Field and Stream has gone haute-cuisine on your latest hunt. Confused by the last sentence? Good, this book is for you.

Confessions of a Serial Entertainer Steven Stolman, 2015-03-09 Menus and anecdotes give away one man's secrets for entertaining in style. Steven Stolman has a gregarious personality. He loves to entertain: cocktail parties in Palm Beach, football game-day gatherings in Wisconsin, family Passover Sedars in Connecticut, and dinner parties in his New York apartment. "Of all our friends, we have the smallest places, yet we seem to do more entertaining than anyone." It's about the people and the food, he says. He also loves old community and church cookbooks from the 1950s to the '70s. And these are his inspirations for party food: dips and cheese spreads with crackers, family recipes for delicious roasts, breakfast casseroles, and desserts. What Stolman confesses is that he hates hostess gifts and isn't afraid to say so. He advises women not to take a purse to a party and just "tuck it behind here" to avoid holding it—thanks for ruining my furniture arrangement! He advises about the importance of having silver serving pieces and how to dress for a cocktail party or a dinner party (at least try!). And he confesses that even when he has hired servers to pass hors d'oeuvres, he can't help but carry a tray around himself! This book will give any novice party host ideas and confidence, and it will inspire seasoned hosts to simplify and enjoy the party. Steven Stolman is the author of *40 Years of Fabulous* and *Scalamandré: Haute Décor*. He divides his time among homes in Palm Beach, New York, and Milwaukee.

Across the River and Into the Trees Ernest Hemingway, 2014-05-22 In the fall of 1948, Ernest Hemingway made his first extended visit to Italy in thirty years. His reacquaintance with Venice, a city he loved, provided the inspiration for *Across the River and into the Trees*, the story of Richard Cantwell, a war-ravaged American colonel stationed in Italy at the close of the Second World War, and his love for a young Italian countess. A poignant, bittersweet homage to love that overpowers reason, to the resilience of the human spirit, and to the worldweary beauty and majesty of Venice, *Across the River and into the Trees* stands as Hemingway's statement of defiance in response to the great dehumanizing atrocities of the Second World War. Hemingway's last full-length novel published in his lifetime, it moved John O'Hara in *The New York Times Book Review* to call him "the most important author since Shakespeare."

I was so impressed by the results of the assignment that I felt the poems needed to be preserved in a bound document. Thus, this little book. If You See a Fairy Ring Ladybird Books Staff, 2007 Step into fairyland with William Shakespeare, Robert Graves, Laura Ingalls Wilder, and a host of other classic poets. A rich combination of enchanting verse and magical colour illustrations make this a truly unusual and attractive book for younger children. The easy and accessible poems - all of them written by
