

White Kitchen Inspiration

Michael S. Smith,Christine Pittel

Design*Sponge at Home Grace Bonney,2016-06-28 The long-awaited home décor bible by the beloved design blogger “Thank you,” wrote a reader to Design*Sponge creator Grace Bonney, “for teaching me that houses don’t have to be frumpy and formal. They don’t have to be matchy-matchy or rigidly modern.” They can just be comfy and unique and reflect who you are, no matter how small your budget or space. That reader is one of the 75,000 unique daily visitors to Design*Sponge, who make it the most popular design site on the web. The site receives 250,000 pageviews every day and has 150,000 RSS subscribers and 280,000 followers on Twitter. Design*Sponge fans have been yearning for the ultimate design manual from their guru, Grace, and she has finally delivered with this definitive guide, which includes: • Home tours of 70 real-life interiors featuring artists and designers • Fifty DIY projects, with detailed instructions for personalizing your space • Step-by-step tutorials on everything from stripping and painting furniture to hanging wallpaper and doing your own upholstery • Fifty Before & After makeovers submitted by readers of Design*Sponge—real people with limited time and realistic budgets • Essential tips on modern flower arranging, with 20 arrangements With over 700 color photos and illustrations and projects that are customizable, relatable, and affordable, this is the democratizing design book everyone has been waiting for—and all for only \$35.00!

500 Kitchens Ideas Dominique DeVito,2008 Presents 500 fabulous decorating ideas and quick changes for the kitchen -
- Book jacket flap.

Patina Farm Brooke Giannetti,Steve Giannetti,2016-06-24 The husband and wife team behind Giannetti Home welcome readers into their gorgeous farm residence blending modern style with French antiques. When Brooke and Steve Giannetti decided to leave their suburban Santa Monica home to build a new life on a farm, they traveled to Belgium and France for design inspiration. In *Patina Farm* they share their collaborative process, as well as the enviable result of their team effort and creativity: an idyllic farm in California’s Ojai Valley. With two hundred gorgeous photographs and Steve’s architectural drawings, Brooke takes readers through their inspirations, thought process, and materials selections. Readers are given a full tour of the family home, guesthouse, lush gardens, and delightful animal quarters.

New Bathroom Idea Book Jamie Gold,2017 The bathroom today is getting more attention than ever from homeowners, as they realize its value as a personal retreat and resale enhancer. Gone are the days of garish tile and fuzzy toilet seat

covers: now, bathrooms are as much about taste and style as the rest of the house. People want them to be both beautiful and functional, and manufacturers have responded with many more choices in materials and fixtures. This book covers them all, with ideas for tiny half-baths, medium-size his-and-hers, and large, luxurious home spas. Specifics on ventilation, waterproofing, faucets, showers, tubs, and more give readers the knowledge they need to create the bathroom they've always wanted. Taunton's New Bathroom Idea Book gives homeowners hundreds of ideas about how to make one of the most necessary rooms in the house one of the most enjoyable.--Publisher description

Bright Bazaar Will Taylor,2014-04-29 Known for his bold and refreshing take on color, Will Taylor, the founder of Bright Bazaar--one of the world's leading interior design blogs--shares his secrets to choosing colors that work for every room in your house. Structured around the different spaces within the home, the book breaks down the how, when, and where of using different shades and color combinations--

The Efficient Kitchen Georgie Boynton Child,1915

Young House Love Sherry Petersik,John Petersik,2015-07-14 This New York Times bestselling book is filled with hundreds of fun, deceptively simple, budget-friendly ideas for sprucing up your home. With two home renovations under their (tool) belts and millions of hits per month on their blog YoungHouseLove.com, Sherry and John Petersik are home-improvement enthusiasts primed to pass on a slew of projects, tricks, and techniques to do-it-yourselfers of all levels. Packed with 243 tips and ideas—both classic and unexpected—and more than 400 photographs and illustrations, this is a book that readers will return to again and again for the creative projects and easy-to-follow instructions in the relatable voice the Petersiks are known for. Learn to trick out a thrift-store mirror, spice up plain old roller shades, hack your Ikea table to create three distinct looks, and so much more.

The Kitchen John Ota,2020-02-25 One man's quest to seek out--and be inspired by--the great historic kitchens of Canada and the USA. John Ota was a man on a mission--to put together the perfect kitchen. He and his wife had been making do with a room that was frankly no great advertisement for John's architectural expertise. It just about did the job but for a room that's supposed to be the beating heart of a home and a joy to cook in, the Otas' left a lot to be desired. And so John set out on a quest across North America, exploring examples of excellent designs throughout history, to learn from them and apply their lessons to his own restoration. Along the way, he learned about the origins and evolution of the kitchen, its architecture and its appliances. He cooked, with expert instruction. And he learned too about the homes and their occupants, who range from pilgrims to President Thomas Jefferson, from turn of the century tenement dwellers to 21st century Vancouver idealists, from Julia Child to Georgia O'Keeffe, and from Elvis Presley to Louis Armstrong. John Ota has a refreshingly upbeat approach and a hunger for knowledge (and indeed for food). His energy and enthusiasm are contagious, and his insights of lasting value. Illustrated throughout, with photographs and also with drawings by the author, this is a book for homeowners, home

makers, interior designers, cooks, armchair historians, and for anyone who--like John Ota before them--is looking for inspiration for a renovation.

150 Best New Kitchen Ideas Manel Gutierrez,2015-07-07 A comprehensive, full-color handbook, packed with hundreds of photographs that showcase the latest in beautiful, welcoming, and efficient kitchen design. 150 Best New Kitchen Ideas offers an in-depth look at exemplary new kitchen designs from today's most renowned architects and designers. In the Mood for Colour Hans Blomquist,2021-08-10 Bring the transformative power of colour into your life with the help of Hans Blomquist, whose inspiring interiors will enable you to find the right colours for your home.

American Grown Michelle Obama,2012-05-29 #1 NEW YORK TIMES BESTSELLER • The former First Lady, author of *Becoming*, and producer and star of *Waffles + Mochi* tells the inspirational story of the White House Kitchen Garden and how gardens can transform our lives and the health of our communities. Early in her tenure as First Lady, despite being a novice gardener, Michelle Obama planted a kitchen garden on the White House's South Lawn. To her delight, she watched as fresh vegetables, fruit, and herbs sprouted from the ground. Soon the White House Kitchen Garden inspired a new conversation all across the country about the food we feed our families and the impact it has on the nutrition and well-being of our children. In *American Grown*, Mrs. Obama invites you inside the White House Kitchen Garden, from the first planting to the satisfaction of the seasonal harvest. She reveals her early worries and struggles—would the new plants even grow?—and her joy as lettuce, corn, tomatoes, collards and kale, sweet potatoes and rhubarb flourished in the freshly tilled soil. She shares the stories of other gardens that have moved and inspired her on her journey across the nation. And she offers what she learned about planting your own backyard, school, or community garden. *American Grown* features: • a behind-the-scenes look at every season of the garden's growth • unique recipes created by White House chefs • striking original photographs that bring the White House garden to life • a fascinating history of community gardens in the United States From a modern-day vegetable truck that brings fresh produce to underserved communities in Chicago, to Houston office workers who make the sidewalk bloom, to a New York City school that created a scented garden for the visually impaired, to a garden in Winston-Salem, North Carolina, that devotes its entire harvest to those less fortunate, *American Grown* isn't just the story of a single garden. It's a celebration of the bounty of our nation and a reminder of what we can all grow together.

Rules for Being a Girl Candace Bushnell,Katie Cotugno,2020-04-16 From Katie Cotugno and author of *Sex and the City*

Candace Bushnell comes this fierce and feisty exploration of feminism: standing up, speaking out and rewriting the rules. Don't be easy. Don't give it up. Don't be a prude. Don't be cold. Don't put him in the friendzone. Don't act desperate. Don't let things go too far. Don't give him the wrong idea. Don't blame him for trying. Don't walk alone at night. But calm down! Don't worry so much. Smile! Marin is a smart, driven, popular girl - she's headed for Brown when she graduates and has a brilliant career as a journalist ahead of her. Especially in the eyes of English teacher Mr Beckett. He spends a lot of time around Marin, and she thinks it's harmless . . . until he kisses her. No one believes Marin when she tells them what happened, so she does the only thing she can: she writes an article called 'Rules for Being a Girl' for the school paper to point out the misogyny and sexism that girls face every day. As things heat up at school and in her personal life, Marin must figure out how to take back the power and rewrite her own rules.

Junk Gypsy Jolie Sikes, Amie Sikes, 2016-10-04 New York Times bestseller In their first book, the Junk Gypsies—sisters and stars of the popular Texas-born brand and HGTV show—combine big dreams, stories of roadside treasures found, and down-home design projects inspired by epic makeovers for friends like Miranda Lambert, Billie Joe Armstrong, and Sadie Robertson. Amie and Jolie Sikes, the Thelma and Louise of the design world, are the Junk Gypsies: a family with an addiction to flea markets, wanderlust, and Americana inspired design. In their world, cowgirls are heroes, road trips last forever, and junk is treasured. Beginning with a little bit of faith and a whole lot of heart and soul, the sisters travelled the back roads of America like gypsies, collecting roadside trinkets and tattered treasures while meeting kindred spirits and lively characters along the way. With a mix of hippie, rock n' roll, southern charm, and big dreams, these small-town Texas girls became restless wanderers and owners and operators of their dream business and bohemian brand, Junk Gypsy. Filled with stories from their unique journey as well as DIY projects and bohemian inspired designs, Junk Gypsy is a tribute to all the rowdy gypsies, crafty junkers, free-spirited romantics, and true-blue rebels who have ever dared to dream big.

New Kitchen Ideas that Work Jamie Gold, 2012 This completely revised edition of the consummate resource for kitchen redesign features more than 350 ideas with 350 photos for a facelift or full-throttle redo of a range of kitchen styles and sizes.

Great Kitchen Ideas Vicki Christian, 2007-09-24 An in-depth, beautifully photographed look at more than 60 stunning kitchens that showcase all the current design trends. Floor plan ideas help homeowners make the most of every inch of available space and improve traffic flow. The newest looks in cabinetry, countertops, appliances, fixtures, flooring, lighting, colors, and finishes, perfect for starting a kitchen wish list. Ideas and inspiration for designing kitchens in every style, from Tuscan to cottage to contemporary.

Michael S. Smith: Kitchens & Baths Michael S. Smith, Christine Pittel, 2011-10-04 The newest book from acclaimed designer Michael S. Smith showcases his exceptional take on kitchens and baths, the busiest yet most personal rooms in a

home. Legendary designer Michael S. Smith has stories to tell about kitchens and bathrooms—those he has designed himself, and those that inspire him. In this fascinating and inspirational book, Smith, who has his own line of kitchen and bath fixtures for Kohler, explains how these rooms define a house. Kitchens and bathrooms are among the most expensive and labor-intensive rooms to design. But they are also opposites, the most public and private zones of a house. In three in-depth case studies and dozens of supporting examples, Smith discusses his design process for these rooms, from big-picture issues such as the social engineering of the kitchen's layout to details large and small, including the importance of choosing the right cabinet, which can be a crystallization of the architecture of the house, as well as countertops, fixtures, floors, hardware, and more. Also including a sampling of dressing rooms and breakfast rooms, along with a comprehensive resource section, this is a uniquely sophisticated take on a subject of perennial interest.

The Scandinavian Home Niki Brantmark, 2017-04-18 Discover classic and contemporary Scandinavian style with specially commissioned photography of homes in Denmark, Norway, Sweden, and Finland. Discover classic and contemporary Scandinavian style with specially commissioned photography of homes in Denmark, Norway, Sweden, and Finland. Scandinavia is famous for its distinctive style: homes are pared-back and simple, and form and function are combined to create aesthetically pleasing and practical interiors. Scandinavians are inspired by light, having an abundance of it in summer but so little of it in winter, and house designs tend to maximize the amount of natural light that enters the home, and allow the inhabitants to make the most of outdoor life during the summer. Similarly, nature and the weather are major influences: homes are made warm and cozy for the freezing winter months—not just literally with log burners, but also through incorporating wood and natural materials. Here Niki Brantmark, owner of the interior design blog *My Scandinavian Home*, presents a wide-ranging collection of these beautiful homes and explores how the Scandinavian lifestyle is reflected in them all. The first chapter, *Urban Living*, features styles ranging from minimalist to bohemian, and pale palettes to dramatic dark colors. By contrast, the *Country Homes* tend to have a softer, calmer feel, through color and textiles, in line with a slower pace of life. Finally, the spectacular *Rural Retreats* include a mountain cabin, beach house, and rustic summer cottage, and demonstrate how having somewhere to escape to is so important to many Scandinavians. This collection of stunning interiors will put Scandi style within every reader's reach.

My Soulful Home Kelly Wilkniss, 2017-07-05 *My Soulful Home, A Year in Flowers* offers detailed instruction for those new to floral arrangements and fresh inspiration to the experienced. Join award-winning blogger Kelly Wilkniss as she seeks to elevate the every day with fresh cut beauty, illustrated with 105 gorgeous pictures.

The Perfect Kitchen Barbara Sallick, 2020-03-24 A chic, polished guide to creating your dream kitchen from the cofounder of Waterworks, with hundreds of images and practical advice. The kitchen is the heart of the home, the destination of every party, everyone's favorite gathering spot, where style and functionality must go hand in hand. Designing a kitchen is a vastly

complicated affair, involving an array of appliances (movable and fixed) and storage zones, not to mention addressing the kitchen's role as a multifunctional social arena to be used from very early in the morning until late into the night. Creating a timeless, high-functioning space is daunting indeed. Where is one to begin? In *The Perfect Kitchen*, Waterworks cofounder Barbara Sallick explores the process of designing a kitchen in great and beautiful detail, from surfaces and finishes to storage, cabinetry, and hardware. The book is enriched by dozens of images of kitchens by esteemed designers such as Steven Gambrel, Gil Schafer, and Suzanne Kasler; essays by top food icons including Julia Turshen and Melissa Clark about their own kitchens; and important, how-to advice. Combining evocative, informative photography with an authoritative, engaging narrative, *The Perfect Kitchen* is an essential, lasting resource that will appeal to discerning homeowners and professionals alike looking for upscale visual inspiration and design advice.

Kitchen Ideas You Can Use, Updated Edition Chris Peterson, 2018-04-03 From the latest in backsplashes to elegant faucet fixtures, *Kitchen Ideas You Can Use, Updated Edition* helps you create the kitchen of your dreams. The kitchen is one of the most popular DIY home renovation projects, with simple upgrades and wholesale renovations both contributing to the value of your home. This new edition covers the hottest kitchen DIY remodeling trends, including installing commercial-grade appliances, kitchen technology such as sensor-activated lights and hands-free faucets, creative kitchen storage solutions, and bold fixtures. New in this edition features practical advice on common kitchen issues, like the best products for cleaning different types of finishes, how to re-grout, unclogging a sink, and more. *Kitchen Ideas You Can Use, Updated Edition* is an essential tool for anyone who is planning a kitchen upgrade or remodel. Pulling from a wide range of contributors and his own deep knowledge, author Chris Peterson covers every aspect of kitchen planning.
