Striking Images Monte Beauchamp,2006-04-27 From the 1920s to the 1950s, a small but useful advertising gimmick spread like wildfire into the purses, pockets, and kitchen drawers of millions of Americans. The give-away matchbook was one of the most pervasive means ever found of putting promotional images into the hands of the public. Small and disposable, matchbooks were not only a highly successful marketing tool for a wide variety of products, they were also the repositories for a wealth of anonymous design creativity. Fantasies of ocean travel, bathing beauties, regal leisure, and tropical locales adorned the covers, as did hand-lettered typography, stylized illustration, and eye-catching color. This red-hot celebration brings the ubiquitous matchbook's art to life in all its pulp panache and visual zing.

Incredible Tom Chidi Akomah,2021-12-02 Wandsworth is a modest town but turns into a place of hullabaloo owing to migration and influx of foreign nationals into it. This used to be a quiet atmosphere but changes with time. There is one shining star that casts hope on the town and gives it a breadth of fresh air. This star is the boy called Tom. He is unarguably incredible though of mixed race with white mother, black father and has younger brother Peter. Tom excels in all walks of endeavour but music is his soft spot. There are some other interesting characters to make it a good fun story. The spider that tells Tom's future, the swan that leaves water and the ghostly natures are all part of the story.
