*Seconds to Snap - One Explosive Day. A Family Destroyed. My Descent Into Anorexia.* Tina McGuff, 2015-06-04 I can tell you exactly the day it all went wrong - the day my mum attacked my dad with a kitchen knife. In those few, short seconds, a black hole opened up in my life and I fell right in.' Tina McGuff's life was perfect - or so she thought. Living in Dundee with her devoted parents and three younger sisters, she was a happy, healthy and confident thirteen-year-old. But all that changed in one horrifying act of revenge and Tina's world collapsed overnight. Terrified, lost and confused, she turned to the one thing she thought she could control - food. And so began the biggest fight of her life. Tina's life-or-death struggle with anorexia is told with devastating honesty in this extraordinary account of a girl at war with herself. Through her years in and out of psychiatric wards, Tina takes us to some of the darkest places of the mind. But in the end her courage, conviction and sheer determination win out. It took Tina seconds to snap and a lifetime to recover - but today, as a passionate campaigner for mental health, she is living proof that there is always a reason to hope that one day, things will get better.

**Give Me This Mountain** R. Michael Baldock, 2019-09-06 The reason I decided to write this book was seeing so many Christians struggling in their life to receive and walk in the promises of God. Sometimes we as believers don't get what we are looking for in the time we think it should come. It took one man by the name of Caleb forty-five years to inherit what was promised. Within this book, you will discover some of the characteristics of Caleb that kept him holding onto his promised inheritance. If these principles are applied to your life, you can walk in what God has promised!

Il Bel Centro Michelle Damiani, 2020-08-09 A witty and warm-hearted memoir of abandoning fast-paced American days in favor of discovering the Italian secrets of food, community, and life. Moving across the globe meant Michelle Damiani soon found herself untangling Italian customs, delighting in glorious regional cuisine (recipes included), and creating lasting friendships. From grandmothers eager to teach the ancient art of pasta making, to bakers tossing bread into fiery ovens with a song, to butchers extolling the benefits of pork fat, *Il Bel Centro* is rich with captivating characters and cultural insights. Throw in clinking glasses of Umbrian red with the local communists and a village all-nighter decorating the cobblestone streets with flower petals; as well as embarrassing language minefields and a serious summons to the mayor's office, and you have all the ingredients for a spellbinding travel tale. Exquisitely observed, *Il Bel Centro* is an intimate celebration of small town Italy, as well as a thoughtful look at raising a family in a new culture and a fascinating story of finding a home.

Ultimately though, this is a story about how travel can change you when you're ready to let it. With laugh-out-loud situations and wanderlust-inspiring storytelling, *Il Bel Centro* is a joyous and life-affirming read that will have readers rushing to renew their passports. "This is one of the most beautiful book I've ever read." "I absolutely couldn't get enough of this book." "This book made me want to pack my bags." "I loved, loved this book. Fabulously written, engaging, and entertaining." "A magical read."

**A Lot or a Little** Timothy Darnell, 2022-11-16 A life song express by different periods and cycles of growing and maturing. Memories of rough times and situations; disappointments, let downs. Depending prayer and faith and believing that there a Father in Heaven that does incredible things. From childhood the walk of a young man desiring to be free to express the gift of love through poetry good old fashioned American morals and values. A voice crying out in the wilderness; turn to YAHWEH GOD and repent, suffer the little children and watch them grow; the beauty in the sun the love of family no matter situations that life throws at you " show them better than you can tell them ". The misuse and treatment of our fellow man that human being that we see out in the street talking to themselves cause no one cared to hear " you are loved ". Black on black crimes shootings and killings; " we are killing our babies " " we are killing our hopes, dreams, maybes ". " I am Black ". Depression is something we all experience and life takes us in that direction. If you allow it to envelope you it will swallow you whole and consume you into a pit of darkness; leading you further from the light and the truth that everyday doesn't rain and storm. There are butterfly moments that hummingbird eye to eye that quiet voice that says " yes you can " ";you are more than you can see ". Doors opportunities that come along in the pathway of life that depending on our choices on which doors to open and walk through not every opportunity is golden, not every opportunity comes up short. Doors are the entrance into rooms that have room for you to grow and expand to be enlightened, everything you need is in your room behind your door; at God's time the door opens for you to walk into your blessings. Poetry nice to read any age will love it; library friendly ( here now exactly at library young and old will enjoy the different stories told by rhyme

Cosmic Healing Barbara Brodsky, 2011 With the onset of sudden profound deafness at the age of 29, Barbara Brodsky set out on a quest to understand the nature of illness and healing, examining the interrelationship of mind and body and our capacity to transcend limitation. Asking the questions What is healing? Who and what heals? Why do some people heal while others do not? she discusses karma and free will, our habit of identifying with a limited sense of self, and our potential for greater healing. A longtime Buddhist practitioner who began meditation in the '60s, Brodsky discovered a new path on her

healing journey when she began channeling the spirit Aaron in 1989. Based on three decades of meticulously kept journals, Cosmic Healing weaves together Brodsky's Buddhist teachings, channeled material from Aaron, exercises for the reader, and an account of her experiences with the healer known as John of God (Joao Teixeira de Faria) at his teaching center, Casa de Dom Inacio, in Brazil. While Cosmic Healing is channeled in part and has deep roots in traditional dharma, it is at heart a universal story of human growth and discovery. Old beliefs limit us every day. But as Brodsky discovered and teaches, we can learn to recognize such limiting beliefs, transcend them, and live a deeper truth.

**Becoming Dr Jones** Dr Rhys Jones, 2023-08-03 Rhys Jones was brought up on a council estate in South Wales where expectations for what life held in store for you were slim, and the factor beckoned. As he recalls, he was born fighting and never stopped. His perspective on what life could offer him changed forever in the early 1980s when his grandfather took him to the local cinema to see Stephen Spielberg's blockbuster Raiders of the Lost Ark. The dream of emulating his hero Indiana Jones and travelling to the farthest reaches of the planet to explore exotic locations and its wildlife now burned deep inside him. As he progressed at school this passion to escape and explore was further kindled through the pages of an old natural history encyclopaedia given to him by his grandmother. Devouring the pages, the encyclopaedia would help craft his chosen path in life. Like his hero and namesake Indiana Jones, Rhys's journey has now taken him to all corners of the globe with friends and colleagues at every port; from the Australian outback to the furthest outpost of the Maasai tribe in Eastern Africa. In *Becoming Dr Jones* Rhys will take the reader on an inspiring journey through his life. One filled with highs, lows, humour and poignancy, as well as reverent insights into some of the amazing residents of our beloved natural world. If adventure had a name it would be Jones, and Dr Rhys Jones has taken that mantle to a whole new level!

[The Brotherhood of the Red Nile: America Responds](#) Dan Perkins, 2015-03-13 This is the final book of the Brotherhood Trilogy, but not the end of your relationship with the principal plays. The journey we have taken has been full of twists and turns, surprises, and almost believable events. Many of you have written to me about your experiences with the first two installments. Be warned -- you will find a different tone in this final book, "America Responds". People who have read the third book of the series earlier wondered if it were possible to publish it before the 2014 mid-term election? I wrote all three books to try and educate America about the serious challenges in fighting terrorists. Book three uses fiction to convey some significant ways to prevent a cataclysmic attack, make America strong again, protect our borders and most of all, make us all proud to be Americans. Dan Perkins, 2015 Dan Perkins has finished his first trilogy in what some say was an almost impossible timeframe. His books have left some people's questions unanswered and Dan hopes to answer those outstanding

questions and perhaps raise some new ones in book three. In the future, he would like to also try his hand at writing historical fiction, with Abraham Lincoln as the subject. For now though, Dan is working on his current project in a new book called “Terrorist Gold”, featuring favorite characters from the Trilogy, Ted Baker and the Pathfinders. You will have an opportunity, as in his previous books, to read the first chapter of “Terrorist Gold” at the end of this book. Dan is very appreciative of your feedback and encourages you to return to your place of purchase and write a review.
