*Prominent Families of New York* Lyman Horace Weeks, 1898

*The Buy Nothing, Get Everything Plan* Liesl Clark, Rebecca Rockefeller, 2021-01-12 In the spirit of *The Gentle Art of Swedish Death Cleaning* and *The Joy of Less*, experience the benefits of buying less and sharing more with this accessible 7-step guide to decluttering, saving money, and creating community from the creators of the Buy Nothing Project. In their island community, friends Liesl Clark and Rebecca Rockefeller discovered that the beaches of Puget Sound were spoiled by a daily influx of plastic items and trash washing on shore. From pens and toothbrushes to toys and straws, they wondered, where did it all come from? Of course, it comes from us—our homes, our backyards, our cars, and our workplaces. And so, a rallying cry against excess stuff was born. In 2013, they launched the first Facebook Buy Nothing Project group in their small town off the coast of Seattle, and they never expected it to become a viral sensation. Today there are thousands of Buy

Nothing groups all over the world, boasting more than a million members, and 5,000 highly active volunteers. Inspired by the ancient practice of gift economies, where neighbors share and pool resources, *The Buy Nothing, Get Everything Plan* introduces an environmentally conscious 7-step guide that teaches us how to buy less, give more, and live generously. At once an actionable plan and a thought-provoking exploration of our addiction to stuff, this powerful program will help you declutter your home without filling landfills, shop more thoughtfully and discerningly, and let go of the need to buy new things. Filled with helpful lists and practical suggestions including 50 items you never need to buy (Ziploc bags and paper towels) and 50 things to make instead (gift cards and salad dressing), *The Buy Nothing, Get Everything Plan* encourages you to rethink why you shop and embrace a space-saving, money-saving, and earth-saving mindset of buying less and sharing more.

*Blindsight* Peter Watts, 2006-10-03 Hugo and Shirley Jackson award-winning Peter Watts stands on the cutting edge of hard SF with his acclaimed novel, *Blindsight* Two months since the stars fell... Two months of silence, while a world held its breath. Now some half-derelict space probe, sparking fitfully past Neptune's orbit, hears a whisper from the edge of the solar system: a faint signal sweeping the cosmos like a lighthouse beam. Whatever's out there isn't talking to us. It's talking to some distant star, perhaps. Or perhaps to something closer, something en route. So who do you send to force introductions with unknown and unknowable alien intellect that doesn't wish to be met? You send a linguist with multiple personalities, her brain surgically partitioned into separate, sentient processing cores. You send a biologist so radically interfaced with machinery that he sees x-rays and tastes ultrasound. You send a pacifist warrior in the faint hope she won't be needed. You send a monster to command them all, an extinct hominid predator once called vampire, recalled from the grave with the voodoo of recombinant genetics and the blood of sociopaths. And you send a synthesist—an informational topologist with half his mind gone—as an interface between here and there. Pray they can be trusted with the fate of a world. They may be more alien than the thing they've been sent to find. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

**Copper, Iron, and Clay** Sara Dahmen, 2020 A gorgeously photographed love letter to copper pots, cast-iron skillets, and classic stoneware and the hard-won artistry that goes into them, by perhaps the only woman coppersmith in the country--

**Everyone in This Room Will Someday Be Dead** Emily Austin, 2021-07-06 Gilda, a twenty-something, atheist, animal-loving lesbian, cannot stop ruminating about death. Desperate for relief from her panicky mind and alienated from her repressive family, she responds to a flyer for free therapy at a local Catholic church, and finds herself being greeted by

Father Jeff, who assumes she's there for a job interview. Too embarrassed to correct him, Gilda is abruptly hired to replace the recently deceased receptionist Grace. In between trying to memorize the lines to Catholic mass, hiding the fact that she has a new girlfriend, and erecting a dirty dish tower in her crumbling apartment, Gilda strikes up an email correspondence with Grace's old friend. She can't bear to ignore the kindly old woman, who has been trying to reach her friend through the church inbox, but she also can't bring herself to break the bad news. Desperate, she begins impersonating Grace via email. But when the police discover suspicious circumstances surrounding Grace's death, Gilda may have to finally reveal the truth of her mortifying existence.--Amazon.

**BWCAW Rules and Regulations** United States. Forest Service,1987

**Loan Sharks** Charles R. Geisst,2017-04-04 Predatory lending: A problem rooted in the past that continues today. Looking for an investment return that could exceed 500 percent annually; maybe even twice that much? Private, unregulated lending to high-risk borrowers is the answer, or at least it was in the United States for much of the period from the Civil War to the onset of the early decades of the twentieth century. Newspapers called the practice “loan sharking” because lenders employed the same ruthlessness as the great predators in the ocean. Slowly state and federal governments adopted laws and regulations curtailing the practice, but organized crime continued to operate much of the business. In the end, lending to high-margin investors contributed directly to the Wall Street crash of 1929. Loan Sharks is the first history of predatory lending in the United States. It traces the origins of modern consumer lending to such older practices as salary buying and hidden interest charges. Yet, as Geisst shows, no-holds barred loan sharking is not a thing of the past. Many current lending practices employed today by credit card companies, payday lenders, and providers of consumer loans would have been easily recognizable at the end of the nineteenth century. Geisst demonstrates the still prevalent custom of lenders charging high interest rates, especially to risky borrowers, despite attempts to control the practice by individual states. Usury and loan sharking have not disappeared a century and a half after the predatory practices first raised public concern.

*Years of adventure, 1874-1920* Herbert Hoover,1951

*Field & Stream* , FIELD & STREAM, America's largest outdoor sports magazine, celebrates the outdoor experience with great stories, compelling photography, and sound advice while honoring the traditions hunters and fishermen have passed down for generations.

**A Measure of Blood** Kathleen George,2014-01-14 A killer puts a child in danger and sends a police detective on a hunt for justice in a novel that will “appeal to fans of Mary Higgins Clark” (Booklist). Nadal watches for weeks before he first approaches the boy. No matter what Maggie Brown says, he’s sure Matt is his son, and a boy should know his father. After their first confrontation, Maggie should have run. She should have hidden her child. But she underestimated the man who was once her lover. With self-righteous determination, Nadal goes to her house. He demands to spend time with the boy. When she refuses, he reaches for a knife. By the time homicide detective Richard Christie arrives on the scene, all that remains of Maggie Brown is a bloodstain on the floor. The killer has vanished, and Matt is too scared to remember anything but his mother’s fear. As Christie looks for the killer and Maggie’s friends fight to keep Matt out of the hands of Child Services, Nadal watches the news and waits. A boy should be with his father. He’s going to get his son. From the Edgar Award-nominated author of *Simple* and *Hideout*, this suspenseful tale with “plenty of hometown flavor and characters worthy of investment” is a gritty tale of crime and justice (Pittsburgh Post-Gazette). Entertainment Weekly raves, “If anyone’s writing better police thrillers than George, I don’t know who it is,” while George Pelecanos says, “I look forward to reading anything Kathleen George writes.”

**Field & Stream** ,1987-09 FIELD & STREAM, America’s largest outdoor sports magazine, celebrates the outdoor experience with great stories, compelling photography, and sound advice while honoring the traditions hunters and fishermen have passed down for generations.

**Fifty Years in the Northwest** William Henry Carman Folsom,1888 Chapters start with historical information about a county or places within the county followed by biographies of people from those localities.

**The Turquoise Lament** John D. MacDonald,2013-08-13 From a beloved master of crime fiction, *The Turquoise Lament* is one of many classic novels featuring Travis McGee, the hard-boiled detective who lives on a houseboat. Funny thing about favors. Sometimes they come back to haunt you. And Travis McGee owes his friend a big one for saving his life once upon a time. Now the friend’s daughter, Linda “Pidge” Lewellen, needs help five time zones away in Hawaii before she sails off into the deep blue with a cold-blooded killer: her husband. “The Travis McGee novels are among the finest works of fiction ever penned by an American author.”—Jonathan Kellerman When treasure hunter Ted Lewellen saved his life in a bar fight, McGee could never have thought he’d end up paying his rescuer back in such a way. But years later he finds himself headed to Hawaii at Ted’s request to find out whether Pidge’s husband really is trying to kill her, or if she’s just losing her mind. Of course, once McGee arrives he can’t help but give in to his baser instincts, and as his affair with Pidge gets underway, he can’t find a single thing wrong. McGee chalks up Pidge’s paranoia to simple anxiety, gives her a pep talk, and leaves for home blissfully happy. It’s not until he’s back in Lauderdale that he realizes he may have overlooked a clue or two. And Pidge might be in very serious danger. Features a new Introduction by Lee Child

**Walk, Hike, Saunter** Susan Alcorn,2020-11 In *Walk, Hike, Saunter*, long-distance hiker Susan Alcorn introduces you to 32 experienced outdoors women who consider hiking to be an essential part of their lives. Their stories are told with honesty, insight, and humor. They share their wisdom and proven tips to inspire women and men of all ages. The women, all 45 or older and in the prime of their lives, are superstars-shining examples of the richness that hiking can bring to our lives. Some, but not all, were introduced to the outdoors as children. One hated those early camping trips, others reveled in them. A few, when teenagers, found hiking to be a great way to socialize with friends. Most, however, developed their zest for adventurous travel as adults. All told, they have hiked tens of thousands of miles. There's no doubt about it-walking and hiking are excellent ways to improve or maintain physical and mental health; in general they increase longevity. They are great ways to enjoy the camaraderie of the trail, or to go solo and foster greater independence. There are many paths to incorporating hiking into your life. Whether hiking is one of many things that you enjoy doing, or whether you find hiking such a passion that you don't mind living out of your car in order to pursue it - you can reap the rewards of exploring the world on foot. We are lucky to live in these times with an unprecedented number of women on our trails. We are living in an age where we have golden opportunities to explore much of the world on foot. Walking - as we immerse ourselves in nature, enjoy new vistas, and explore interesting cultures - can be life-changing.

**Consumer's Resource Handbook**, 1992

Dog Teams Nami Oneda,2020-07-31 Around the world, K-9s play a crucial part in police work. But more goes into the training and selection of these dogs than you might think.Go behind the scenes of the Las Vegas Metropolitan Police Department K-9 Section with a look at how to work with police dogs and what it takes to become a K-9 handler.
