I'm Awesome. Here's Why... Sara Katherine, 2019-04-09 You're totally awesome—let these creative exercises, cool prompts, and fun activities help remind you why. When's the last time you felt good—really good—about yourself? Between the unrealistic standards of social media, to the Photoshopped images of celebrities in the media, and the constant voice in our head saying we have to be faster, better, and smarter in our personal lives, at work, and everywhere in between, it's easy to lose sight of your self-worth. Sometimes, we all need a kick in the butt to remind us just how awesome we are. I'm Awesome. Here's Why... is that kick. With prompts, exercises, lists, and activities, I'm Awesome: Here's Why will help remind you of all the reasons why you are unique, cool—and yes, awesome. Through fun prompts and writing exercises like listing ten things you're proud of, drawing your idea of the perfect Friday night, creating your own personal affirmations to read out loud, and delivering an acceptance speech for an award of your choice, you'll learn to celebrate what makes you, you. Loving yourself can take practice, but there is no shortage of things to love. Let I'm Awesome. Here's Why... help you discover each and every one.

Towards Thin Air Vijay Malur, 2016-10-10 Vijay Malur looks back at a life filled with happy, sad, depressing, and exhilarating experiences in this inspiring memoir. Everything for the successful physician changed in 1998 when an accident took away some of his memory and sight. Three months later, he underwent quadruple cardiac bypass surgery. By taking life one day at a time, he found he could accomplish things he never would have imagined. That outlook was what enabled him in 2003 to scale the base camp of Mount Everest from Lukla after trekking more than seven days. More than ten years later, he would reach the summit of Mt. Kilimanjaro in Tanzania. He celebrated his seventieth birthday at the top of the mountain. If someone who has lost his intellectual memory and faced death can find the will to live and enjoy life to the fullest, then cant you? Find the strength to overcome any obstacle and stop holding yourself back. It begins with learning the life lessons in Towards Thin Air.
