I Can Do It Too! Karen Baicker, 2011-07-22 A little girl tries to prove she can do everything in this heartwarming story that reminds us how satisfying it is to grow up surrounded by love. *I Can Do It Too!* affirms a little girl's growing independence as she, too, can begin to do all the things she sees her parents, relatives, and neighbors do: pouring juice at breakfast, strumming a guitar, and even riding a bike! The simple cadence of text and direct-to-the-heart art result in a book as warm and generous as its message, providing reading pleasure for toddlers, older siblings, and the grown-ups who love them. "Her enthusiasm is contagious. . . . A winner for perusing alone or reading at storytimes." —Booklist "Physical skills are not the only kind in focus here, for a happy contagion of kindness is also afoot. The support of her family and congenial companions has the very finest of effects, and best of all, at the end of it all, is our little heroine's unspoiled and generous display of encouragement for one even smaller than she." —Kirkus Reviews "Young children are continually faced with challenging developmental milestones, and this affirming read-aloud offers lots of encouragement. . . . Colorful, full-page illustrations show her pouring juice like Dad, holding a book like Grandpa, putting on clothes like her big sister, etc. Preschoolers are likely to repeat the catchy title refrain. A good choice for toddler collections." —School Library Journal
