**Trees of Power** Akiva Silver, 2019 Trees are our allies in maintaining a healthy planet. Partnering with trees allows us to build soil, enhance biodiversity, increase wildlife populations, grow food and medicine, and pull carbon out of the atmosphere. *Trees of Power* by Akiva Silver shares a step-by-step path toward working with these arboreal allies, from planting to propagation to understanding the multiple benefits that ten of our most essential tree species - the chestnut, apple, hickory, and more - provide for humans, animals, and nature alike. In this book you'll learn how to work successfully with perennial woody plants. It includes in-depth information on individual species and different ways to propagate trees - whether by seed, grafting, layering, or with cuttings. These time-honored techniques make it easy for anyone to increase their stock of trees simply and inexpensively. Silver's combination of hands-on experience and sincere exuberance for the natural world will inspire a new generation of tree stewards while appealing to anyone who feels a deep appreciation for these magnificent plants.--COVER.

**Living Fully** Mallory Ervin,2022-02-08 NATIONAL BESTSELLER • An irresistible guide to living without holding back, from the vibrant lifestyle entrepreneur and host of the Living Fully podcast One of Katie Couric Media's Best New Self Help Books to Read in the New Year • "If you're ready to up-level your life and create long-lasting change, then this book is for you! Mallory's resilient path will inspire you to step into your power."—Gabby Bernstein, #1 New York Times bestselling author of The Universe Has Your Back Mallory Ervin is known for exuding energy, joy, and laughter. But despite her public accomplishments, Mallory is no stranger to battling unhealthy attachments to performance and success. Now, in her unforgettable debut book, Mallory invites readers to see how her surprising journey—from achievement and accolades to devastating, never-before-shared lows—guided her and led her to a deeply fulfilling life. In Living Fully, Mallory shares her

personal story of overcoming the unhealthy and damaging patterns in her life and shows readers how to trade this for something completely new and more rewarding. What she discovered was there had always been a different life available to her, one that she had not yet seen. Now she encourages readers to resist a “just fine” existence and to step into a life they never dared to imagine before. Through inspiring stories and practical advice Mallory offers the motivation to: • stop returning to a “just getting by” mentality • shift perspective so blessings don’t become burdens • remember that life’s curveballs don’t have to knock you off your feet • identify your passions and get back to your truest self • slow down and enjoy the extraordinary in the everyday moments • quiet the voice of fear • get clear on the life you want “I wrote this to be your wake-up call, the thing that turns the lights on in your life and propels you to make real change, once and for all,” Mallory says. “I want you to wake up and stay awake.” For anyone hungry for a richer life, or tired of coasting through life in a “cruise control” mindset, *Living Fully* is the ultimate invitation to embrace abundance and joy—and not look back!

Brunhilda's Backwards Day, 2016-08-02 Brunhilda the witch loves making trouble. Each morning, she wakes up on the wrong side of the bed, puts on her ugliest dress, eats spider mush for breakfast, and brushes her teeth with candy. Then she looks in the mirror and happily observes, “You are utterly repulsive!” As soon as she leaves the house, she begins to spread her misery. No one is safe from her rainy-day spells or her wart-growing charms! But one night, Brunhilda’s cat makes trouble instead. When Brunhilda wakes up that next morning, she is on the right side of the bed. All she can find to wear is a fluffy pink ball gown. And her spider mush is replaced with oatmeal; her candy replaced by toothpaste! The day has gone completely backwards. What will happen when Brunhilda casts her all-time favorite misery-inducing spells? This is a silly story about how sometimes being nice can be more rewarding than being mean. Brunhilda may decide to keep some of her warts in the end, but she’s a changed witch. Waking up on the wrong side of the bed just doesn’t work for her anymore. A picture book for 3 to 6 year olds, this book teaches kids that being kind and nice to people actually makes you feel better than playing tricks and being mean. A good lesson for young children, teachers and parents will enjoy the message while kids will be enthralled with the bright, colorful illustrations and the silly, warty witch. Sky Pony Press, with our Good Books, Racehorse and Arcade imprints, is proud to publish a broad range of books for young readers—picture books for small children, chapter books, books for middle grade readers, and novels for young adults. Our list includes bestsellers for children who love to play Minecraft; stories told with LEGO bricks; books that teach lessons about tolerance, patience, and the environment, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

Imagine Childhood Sarah Olmsted, 2012-10-16 For children, potential is limitless, curiosity is an electrical current, and every moment is open to the possibility of the unexpected. Day-to-day life is filled with adventure. Road blocks are invitations

to try new routes. And the world is vast and expansive. This book is a celebration of childhood through the crafts and activities that invite wonder and play. The twenty-five projects and activities in this book are meant to speak to the way children engage with the world. These projects are not about what is produced in the end (although that part is fun too) but rather they are stepping-off points—activities that spark curiosity, an adventure, or an investigation. They're about the process of getting there. They're about the conversations that happen while making things together. They're about getting to know the world inch by inch. They're about exploring imaginary universes and running through real forests. They're about living in childhood . . . regardless of your actual age. They're about being a kid.

With all the tips, tricks, and techniques you need to master the basics of watercolor painting and instructions on how to paint every element of nature, this collection of wilderness landscapes is the go-to guide for both beginner painters and more experienced artists looking for new subjects to paint.

**No One Brings You a Casserole When Your Husband Goes to Rehab** Leah Grey,2021-10-31 Leah Grey was still in

her twenties when her life fell apart. She couldn't decide what was more depressing—the state of her marriage, or the fact that she lived in Jersey City instead of Manhattan. Until meeting her husband, she'd lived the most cliché life. She'd come from a small town in Canada that smelled like fish or manure, depending on the season. She'd fallen in love with the boy down the road, and she had a dog. Her life had been unbearably predictable—until one snowy New Year's Eve, a tall, dark, and handsome stranger from New York City walked into her life. Her debut book, *No One Brings You a Casserole When Your Husband Goes to Rehab*, is a poignant coming-of-age story about curly-haired boys and the dark side of having your dreams come true. From poufy dresses and a whirlwind romance to considering when it was time to jump into the Hudson River, Leah candidly tells of her personal transformation through her husband's struggle with addiction. Her story offers hope to every girl who has felt like she needed to run away from her dreams because they didn't come true.

**TinkerLab Art Starts** Rachele Doorley, 2020-11-24 Get inspired with hands-on creative prompts for children ages 3-8 featuring simple materials you can find at home from an experienced art teacher. Open-ended art prompts that give children opportunities to think creatively rather than follow directions are essential to raising learners who are comfortable with the unknown and eager to tackle it with problem solving skills, self-efficacy, and critical thinking. From drawing, painting, and paper cutting to making three-dimensional art with clay and recycled materials, these 52 fun and engaging ideas for creative art play use everyday household materials to get kids engaged in their own explorations. These activities are led primarily by the environment. The set up itself is the teacher and will encourage children to think of creative ways to use the provided materials. With foundational information at the start of the book, parents will understand the power of art prompts to foster children's creativity and will be given a variety of ideas for creating a making space and encouraging self-directed play.

*Unlocked Book 8.5* Shannon Messenger, 2020-11-17 Book 8.5 in the New York Times and USA TODAY bestselling *Keeper of the Lost Cities* series delivers what fans of the series have been begging for! Told in an exciting new way, the saga continues with plenty of huge reveals and shocking new twists—plus a complete series guide with beautiful black-and-white illustrations and other awesome bonuses! In this extra special installment of the *Keeper of the Lost Cities* series, the story picks up right from Legacy's particularly devastating cliffhanger. But chapters alternate between Sophie and Keefe's perspectives to give readers deeper insights into both beloved characters. New powers will be discovered. Hard truths from the past will come to light. And all of your favorite characters will find themselves tested in ways they never imagined. And that's not all! *Unlocked* also includes a comprehensive guide to the world of the *Lost Cities*, featuring new character and world details that have never been revealed before—plus fun bonuses like *Keeper*-themed recipes, a detailed map of the *Lost Cities*, gorgeous illustrations, and so much more!

*Your Wild Child* Brooke Davis, 2020-09-09 Following on from the success of the first book by Brooke Davis, *Your Wild Imagination*, comes *Your Wild Child* - a new book that your family will love! Full of new and interesting nature based

activities for children aged 2-12 years, this beautiful, practical and easy to use book will captivate your children and encourage independent play with nature. You will discover new ideas for outdoor play, and also find ways to bring nature indoors - perfect for those times when you're stuck inside. Your Wild Child includes more than 150 stunning full colour photographs, accompanied by simple and easy to follow instructions. The activities can be adapted to suit your children's age and interest. Some activities may require adult assistance for younger Nature Warriors, but there are often alternatives presented for how you can provide a more or less challenging activity. The activities are open-ended, meaning that children can use their imaginations and create dozens of things from one activity prompt. This book shows actual creations made by children and does not encourage all crafts to turn out looking the same. Instead the activities can boost creativity, problem solving and persistence. Nature play also improves fine motor skills, physical strength and coordination. The book allows you to easily adapt the activities to suit your location. Using nature as the primary resource reduces the need for craft purchases, making the activities very inexpensive to implement. Inside the book you will find more than 20 nature play activities that are fun and easy to implement, including:-Leaf crowns-Nature wings-Boats and rafts-Stick frames-Nature weaving-Bug journal-Pick up sticks-Light catcher-Leaf art and more. The hardcover, full colour book measures 16cm x 24cm and is printed in Australia on sustainably sourced paper. It's the perfect backpack size and easy to manage with little hands. This book is a wonderful resource for early years and primary teachers, home schoolers, parents and grandparents seeking more nature play ideas. It's also perfect for taking camping and for school holiday play ideas.

Alabama Studio Sewing Patterns Natalie Chanin, 2015-04-07 A compendium for Alabama Chanin crafters collects all of the patterns from her first three books on an accompanying CD and offers illustrated instructions and patterns for 12 new skirts, dresses, tops and jackets. 20,000 first printing.

Walking with Henry Rachel Anne Ridge, 2019-03-05 "Readers will be clamoring for more." Publishers Weekly on Flash Just when you think it's the end of your story . . . grace shows up. Sometimes it arrives as a moment of joy in the middle of despair. Sometimes you find it next to a trusted friend along an old, well-trodden path. And sometimes, grace has fuzzy ears, a bristled mane, and hope for a new start. Join Rachel Anne Ridge, author of the beloved memoir Flash, in a journey back to the pasture. As she adopts a second rescue donkey as a little brother for Flash—a miniature named Henry—she finds that walking with donkeys has surprising lessons to teach us about prayer, renewing our faith, and connecting to God in fresh ways. Readers all over the world fell in love with Flash and with Rachel's thoughtful, funny, and poignant stories about what life with a donkey can teach you. Now, meet Henry and join him on a walk that could change everything about how you hope, trust, and move forward from past regrets.

The Narnia Code Michael Ward, 2010-11-01 C S Lewis' Narnia books have delighted millions of readers with their captivating otherworld. In this compelling book, Lewis scholar Michael Ward reveals deeper layers of meaning encrypted in

the Narnia series, drawing on medieval cosmology and symbolism. - Koorong The Narnia books are mysterious. Millions of people have been captivated by them, but are left with unanswered questions. Why are there seven books? Are they biblical allegories? If so, why do four of them seem to have no biblical basis? Why do they lack uniformity? Why does Father Christmas appear in them? In *The Narnia Code* Michael Ward attempts to answer this puzzle. Drawing on Lewis' love of Medieval astronomy, Ward breaks the Narnia 'code' and demonstrates the single theme that provides the link between all seven books. The author takes us through each of the seven Chronicles of Narnia and draws from the whole range of Lewis' other works to reveal the secret. Based on a groundbreaking scholarly work (*Planet Narnia*, OUP) that entered the Sunday Times best seller list, this fascinating book will cause the reader to understand Lewis in a whole new way. It has some important things to say about how we understand the universe and Christian faith today. Documentary DVD also available. #313627

*Gated* Amy Christine Parker, 2013-08-06 A fast-paced, nerve-fraying contemporary thriller that questions loyalties and twists truths. Appearances can be deceiving. Lyla Hamilton is a loyal member of the Community. Her family was happy to be chosen by Pioneer to join such a lovely gated neighborhood. Here, life seems perfect. But after meeting Cody, an outsider boy, Lyla starts questioning Pioneer, her friends, her family--everything. And if there's one thing not allowed in the Community, it's doubt. As Pioneer cleverly manipulates his flock toward disaster, the real question is: Will Lyla follow her heart or follow Pioneer over the edge? From the outside looking in, it's hard to understand why anyone would join a cult. But *Gated* tells the story from the inside looking out, and from behind the gates things are not quite so simple. Amy Christine Parker's beautiful writing creates a chilling, utterly unique YA story. Perfect for fans of creepy thrillers and contemporary fiction alike. A tense psychological thriller that will leave you gasping for breath as you race to the very last page. --Gretchen McNeil, author of *Ten HelloGiggles.com*, August 3, 2013: When I found out that there was a YA book about cults, of course I had to read it. As it turns out, Amy Christine Parker's *Gated* is an awesome, creepy book that reminds me of my favorite cult films while still being surprising. Starred Review, *Kirkus Reviews*, June 15, 2013: Parker doesn't pull punches, indicating a level of brutality that will appropriately disturb even as it successfully conveys Lyla's complete entrapment in the Community. Compelling and not that distant from real-world cults that have ended in tragedy. *Publishers Weekly*, June 10, 2013: Parker skillfully explores the mindset and inner workings of an apocalyptic cult, steadily building toward the inevitable moment of truth...As for the apocalypse itself, Parker keeps things suitably ambiguous, resulting in a complex, intriguing tale rooted in real-world events. *School Library Journal*, October 2013: This well-plotted tale will allow readers a glimpse into the possible world of a doomsday cult...The language is accessible, making it a good choice for reluctant readers. After the last page is turned, the question will linger: 'Could I ever be deceived like this?' *Examiner.com* A well-rounded and thorough look into cults while still remaining entertaining throughout. I look forward to reading more of Parker's works in the future.

*Fierce Marriage* Ryan Frederick, Selena Frederick, 2018-04-17 Ryan and Selena Frederick were newlyweds when they landed in Switzerland to pursue Selena's dream of training horses. Neither of them knew at the time that Ryan was living out a death sentence brought on by a worsening genetic heart defect. Soon it became clear he needed major surgery that could either save his life--or result in his death on the operating table. The young couple prepared for the worst. When Ryan survived, they both realized that they still had a future together. But the near loss changed the way they saw all that would lie ahead. They would live and love fiercely, fighting for each other and for a Christ-centered marriage, every step of the way. *Fierce Marriage* is their story, but more than that, it is a call for married couples to put God first in their relationship, to measure everything they do and say to each other against what Christ did for them, and to see marriage not just as a relationship they should try to keep healthy but also as one worth fighting for in every situation. With the gospel as their foundation, Ryan and Selena offer hope and practical help for common struggles in marriage, including communication problems, sexual frustration, financial stress, family tension, screen-time disconnection, and unrealistic expectations.

**Don't Mom Alone** Heather MacFadyen, 2021-10-12 Being a good mom isn't about doing everything right to create a set of perfect trophy children--though every mom has felt the pressure to do just that and to do it all on her own. To ask for help feels like defeat. Yet when we try to do it all by our own strength, we end up depleted, lonely, and ineffective. Heather MacFadyen wants you to know that you are not meant to go it alone. Sharing her most vulnerable, hard mom moments, she shows how moms can be empowered by God, supported by others, and connected with their children. With encouragement and insight, she helps you foster the key relationships you need to be the mom you want to be. Whether you work or stay home, whether you have teenagers or babes in arms, you'll find here a compassionate friend who wants the best--not just for your kids but for you.
