Robert R. Redfield

Nobody Jennifer Lynn Barnes,2013-01-01 Author of the popular BookTok series The Inheritance Games Jennifer Lynn Barnes introduces us to . . . Nobody. There are people in this world who are Nobody. No one sees them. No one notices them. They live their lives under the radar, forgotten as soon as you turn away. That's why they make the perfect assassins. The Institute finds these people when they're young and takes them away for training. But an untrained Nobody is a threat to their organization. And threats must be eliminated. Claire has been invisible her whole life, missed by the Institute's monitoring. But now they've ID'ed her and have sent Nix to remove her. Yet the moment Nix lays eyes on her, he can't make the hit. It's as if Claire and Nix are the only people in the world for each other. And they are—because no one else can really see them.

The Ultimate Silhouette Guide Melissa Viscount,2015-03-08 The hugely popular Ultimate Silhouette Guide ebook, written by the blogger behind Silhouette School blog (www.silhouetteschoolblog.com), is now available in paper back! What if you had an easy-to-search, in depth, reference guide to teach you everything you need to know to get the most out of your Silhouette machine? What if you essentially had a tutor at your fingertips to answer every question and troubleshoot issues when you get stuck mid-project? Now you can! Maybe you're just thinking about buying a Silhouette machine to take your crafting or business to the next level. Or perhaps you have a Silhouette CAMEO or Portrait that's been sitting in the box for weeks or months or years! Maybe you've tried using your machine, but you are struggling to understand the Silhouette Studio software. You may not even be a beginner, but you are having trouble getting beyond the basics to take full advantage of the huge capabilities of the machine and software. If you fall into any of these categories The Ultimate Silhouette Guide is for you! The Ultimate Silhouette Guide includes nearly 150 pages of instruction and more than 200 pictures and screen grabs to take you step by step through any project! Sure, you can read through the instruction booklet that comes with every machine. And of course, you can work your way through the more than 300 tutorials on the Silhouette School blog. You can even Google and YouTube and pin Silhouette tutorials for weeks to come - but no where will you find the amount of detailed instruction in logical progressive order as you will here. No where will you have all the tips, tricks, and tutorials organized and at your fingertips rather than searching the Internet every time you want to start a new project - or get stuck half-way through. Still not convinced you're ready to shell out a half a tank of gas-worth of money to buy the guide? Here's what you're

getting:-You'll learn the ins and outs of Silhouette crafting from an expert user and the blogger behind one of the most successful Silhouette blogs on the web. -4 pages of detailed labels & descriptions of all tool bar buttons & icons in Silhouette Studio-Recommended supplies, tools and materials including the best places to purchase them-I'll share a little known FREE commercial-use script monogram font - a tip I've never revealed until now-An in depth section on the absolute best way to organize your Silhouette Studio library using keywords, categories and folders-A glossary of Silhouette lingo so you have a firm understanding of the terminology-A complete list of cut settings for 40+ different materials-Extensive troubleshooting section to get you back on track-Ad-free guide means 100% information on every page-Comparison between the Silhouette America machines to help you decide which machine is best for you-Step by step unpacking, set up and what to know before making your first cutFollowing in-depth chapters on designing in Silhouette Studio and the basics of cutting, the materials section of The Ultimate Silhouette Guide is set up like a choose your own adventure book! You decide if you want to learn how to cut heat transfer vinyl or rhinestone template or some other special medium. I will lead you through step-by-step building on skills in a logical and progressive order that make it easy to learn and even easier to refer back to.Don't be that crafter who continues to spend hours cutting a 30 piece scrapbook layout out by hand when you have an amazing machine sitting 3 feet away that could do the job in just a few minutes & with much better precision. Don't let another frustrating project be the last straw before you give up on your Silhouette.Don't get stuck in a crafting rut when you know you can take it to the next level if you just knew how.

Excelsior Annie Hunter Eriksen,2021-09-07

Brunhilda's Backwards Day ,2016-08-02 Brunhilda the witch loves making trouble. Each morning, she wakes up on the wrong side of the bed, puts on her ugliest dress, eats spider mush for breakfast, and brushes her teeth with candy. Then she looks in the mirror and happily observes, "You are utterly repulsive!" As soon as she leaves the house, she begins to spread her misery. No one is safe from her rainy-day spells or her wart-growing charms! But one night, Brunhilda's cat makes trouble instead. When Brunhilda wakes up that next morning, she is on the right side of the bed. All she can find to wear is a fluffy pink ball gown. And her spider mush is replaced with oatmeal; her candy replaced by toothpaste! The day has gone completely backwards. What will happen when Brunhilda casts her all-time favorite misery-inducing spells? This is a silly story about how sometimes being nice can be more rewarding than being mean. Brunhilda may decide to keep some of her warts in the end, but she's a changed witch. Waking up on the wrong side of the bed just doesn't work for her anymore. A picture book for 3 to 6 year olds, this book teaches kids that being kind and nice to people actually makes you feel better than playing tricks and being mean. A good lesson for young children, teachers and parents will enjoy the message while kids will be enthralled with the bright, colorful illustrations and the silly, warty witch. Sky Pony Press, with our Good Books, Racehorse and Arcade imprints, is proud to publish a broad range of books for young readers—picture books for small

children, chapter books, books for middle grade readers, and novels for young adults. Our list includes bestsellers for children who love to play Minecraft; stories told with LEGO bricks; books that teach lessons about tolerance, patience, and the environment, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

The Beach Trap Ali Brady, 2022-06-14 Two best friends torn apart by a life-altering secret. One summer to set the record straight. When twelve-year-olds Kat Steiner and Blake O'Neill meet at Camp Chickawah, they have an instant connection. But everything falls apart when they learn they're not just best friends—they're also half sisters. Confused and betrayed, the girls break off all contact. Fifteen years later, when their father dies suddenly, Kat and Blake discover he's left them a joint inheritance: the family beach house in Destin, Florida. The two sisters are immediately at odds. Blake, who has recently been demoted from regular nanny to dog nanny, wants to sell the house, while social media influencer Kat is desperate to hold on to the place where she lived so many happy memories. Kat and Blake reluctantly join forces to renovate the dilapidated house, with the understanding that Kat will try to buy Blake out at the end of the summer. The women clash as Blake's renovation plans conflict with Kat's creative vision; meanwhile, each sister finds herself drawn into a summer romance. As the weeks pass, the two women realize the most difficult project they face this summer will be coming to grips with their shared past—and learning how to become sisters.

Textile Visionaries Bradley Quinn, 2013-06-28 Technologized textiles and sustainable fabrics are among the most innovative designed today, and together they are driving the rest of the industry dramatically forward. Many designers are now integrating hi-tech fabrics, such as protective and impact-resistant textiles, or cellulose fabrics with groundbreaking results. Embracing new processes such as biomimicry, they bridge the gap between art, design, technology and sustainability. This book showcases new work from over 35 of today's most forward-thinking textile designers, featuring surface designs, highly-structured textures and striking silhouettes. Each will be presented through inspirational text and striking visual spreads to include design sketches, work-in-progress photographs and digital drawings alongside images of cutting-edge furniture, interior textiles and fashion. This book shows how the development of fabrics today is immersed in technology, sustainability and innovation. It is an essential resource for anyone interested in contemporary textile design.

The Mutant Mushroom Takeover Summer Rachel Short, 2020-09-22 Stranger Things meets The Miscalculations of Lightning Girl in this offbeat adventure about Maggie, an aspiring young naturalist, and her YouTuber best friend, Nate, who use their smarts and science to solve the mystery behind a mutant fungus that's threatening the town. Ever since Magnolia Stone's scientist dad left Shady Pines to find a new job, Maggie's been stuck in her grandma's mobile home with her grumpy older brother, Ezra. Now she's on a mission to put her family back together by winning the Vitaccino Junior Naturalist Merit

Award. When Maggie and her best friend, Nate, a wannabe YouTube star and alien conspiracy theorist, scout out a rare bioluminescent fungus, Maggie is certain she's a shoo-in to win. But after animals around town start sprouting unusual growths and Ezra develops a bluish glow and hacking cough, Maggie wonders what they've really stumbled onto. As things in Shady Pines become stranger and more dangerous, and conversations with her dad get complicated, Maggie must use her scientific smarts and Nate's impressive knowledge of all things spooky to put things back in order and prevent these peculiar glowing mushrooms from taking over their home.

Subpar Parks Amber Share, 2021-07-13 ****A New York Times Bestseller!**** Based on the wildly popular Instagram account, Subpar Parks features both the greatest hits and brand-new content, all celebrating the incredible beauty and variety of America's national parks juxtaposed with the clueless and hilarious one-star reviews posted by visitors. Subpar Parks, both on the popular Instagram page and in this humorous, informative, and collectible book, combines two things that seem like they might not work together yet somehow harmonize perfectly: beautiful illustrations and informative, amusing text celebrating each national park paired with the one-star reviews disappointed tourists have left online. Millions of visitors each year enjoy Glacier National Park, but for one visitor, it was simply Too cold for me! Another saw the mind-boggling vistas of Bryce Canyon as Too spiky! Never mind the person who visited the thermal pools at Yellowstone National Park and left thinking, "Save yourself some money, boil some water at home." Featuring more than 50 percent new material, the book will include more depth and insight into the most popular parks, such as Yosemite, Yellowstone, the Grand Canyon, and Acadia National Parks; anecdotes and tips from rangers; and much more about author Amber Share's personal love and connection to the outdoors. Equal parts humor and love for the national parks and the great outdoors, it's the perfect gift for anyone who loves to spend time outside as well as have a good read (and laugh) once they come indoors.

Sitting Pretty Rebekah Taussig, 2020-08-25 A memoir-in-essays from disability advocate and creator of the Instagram account @sitting_pretty Rebekah Taussig, processing a lifetime of memories to paint a beautiful, nuanced portrait of a body that looks and moves differently than most. Growing up as a paralyzed girl during the 90s and early 2000s, Rebekah Taussig only saw disability depicted as something monstrous (The Hunchback of Notre Dame), inspirational (Helen Keller), or angelic (Forrest Gump). None of this felt right; and as she got older, she longed for more stories that allowed disability to be complex and ordinary, uncomfortable and fine, painful and fulfilling. Writing about the rhythms and textures of what it means to live in a body that doesn't fit, Rebekah reflects on everything from the complications of kindness and charity, living both independently and dependently, experiencing intimacy, and how the pervasiveness of ableism in our everyday media directly translates to everyday life. Disability affects all of us, directly or indirectly, at one point or another. By exploring this truth in poignant and lyrical essays, Taussig illustrates the need for more stories and more voices to understand the diversity of humanity. *Sitting Pretty* challenges us as a society to be patient and vigilant, practical and imaginative, kind and relentless,

as we set to work to write an entirely different story.

Lord of Embers C N Crawford,2022-01-06 Once, I was a broke college student. Now, it seems I'm destined to rule as the Lightbringer--queen of the demon realm. Except I have competition in the form of Orion, the Lord of Chaos. Like me, he has been marked as a leader. We can't keep our hands off each other, even if he swore an oath to kill me. It seems we both want the same thing--the crown. And in this battle of wills, only one of us will be left standing.

Furysong Rosaria Munda,2023-09-19 One of fantasy's best series. —Booklist, starred review In this explosive conclusion to the epic trilogy that began with *Fireborne*, Annie and Lee are fighting for their lives—and for each other—as invading dragonfire threatens to burn their home to the ground. A new revolution is underway, and nobody will emerge unscathed. In *New Pythos*, Griff is facing an execution by the dragonborn, who are furious at his betrayal. He has allies on both sides seeking to defy his fate, but the price of his freedom might come at a dear cost. And Delo will have to make a choice: follow his family, or finally surrender to his conscience. Meanwhile, Annie must race home to hatch a plan to save her Guardians and their dragons. With Callipolis on the brink of collapse and the triarchy set to be reinstated, she may be the one person who can save the city—if she can overcome her own doubts about her future. Lee is a revolutionary at heart, but now he'll have to find a way to fight with diplomacy. Going up against the dragonborn court and a foreign princess, he faces a test of loyalty that sets his head against his heart. As the fate of Callipolis darkens, Annie and Lee must determine what they are willing to sacrifice in order to save each other, defeat their enemies, and reclaim their home.

Hank Has a Dream Rebecca Dudley,2014 In this poetic tale, Hank dreams that he can fly. Come along for the ride as he recreates the dream for his little friend. How far will Hank fly? What will he see? How high will he go? These dreamland mysteries capture his friend's imagination and they will capture yours too. The enchanting images of Rebecca Dudley's meticulously crafted dioramas set the scene for this gentle fantasy. Readers will set sail, gliding through Hank's world as he discovers the wonders of flight and the magic of friendship. This gentle, uplifting fantasy by the author of the bestselling Hank Finds an Egg highlights the magic of friendship and lets young readers' imagination soar. Rebecca Dudley's highly praised, hand-crafted dioramas and characters -- combined with minimal text -- will entertain and delight. Author Rebecca Dudley is a builder, creator, photographer, and artist. She makes everything that appears in her illustrations: the trees, leaves, ponds, skies, and the creatures themselves. She lives in Evanston, Illinois. Book trailer: Reviews: PUBLISHERS WEEKLY, ?STARRED REVIEW? "Last night I dreamed I flew!" announces Hank, the bear/monkeylike critter from Hank Finds an Egg, before proceeding to regale his hummingbird friend with a step-by-step recounting of his dream. Dudley again stages the action in carefully crafted and photographed dioramas, this time creating lovely parallels between the "real" and dream action of the story. On the left side of each spread, Hank races through the forest, sits on a rope bridge, and swings from a tree. Each action mirrors events from his dream, which are shown in scenes that appear at right, with Hank floating over rivers and through the clouds in a delicate, translucent airship. Readers will find Hank's subconscious travels every bit as enticing as his forest wanderings. AMERICAN LIBRARY ASSOCIATION BOOKLIST As before, Dudley's images are awesome: delicate dioramas handmade from materials like clay, paper, wire, and fabric and then photographed with shallow focus to make them come popping to life. The tone is understated and sweet, and when the hummingbird asks to hear the entire dream again, Hank complies-and adult readers should also be ready to accede to similar requests from their listeners. KIRKUS Meticulously crafted. CHICAGO TRIBUNE ""It's a tribute to Hank, the stuffed animal photographed for this entrancing tale, that you don't pause to try to categorize him. Is he a monkey, a dog, a bear, or all three? It doesn't matter, because from the moment you set eyes on his lopsided hand-sewn face, he is strangely, magically, unmistakably alive. This kind of transformation occurs only occasionally in children's literature -- I was reminded of the "Lonely Doll" books by Dare Wright -- and when you find it, you don't quibble about monkey noses and dog tails. Dudley, an artist who lives in Evanston, photographs Hank moving through a series of woodsy diorama scenes that are at once unapologetically make-believe and

strikingly familiar. There are meticulously constructed prairies, creeks and oak trees; there's even a glimpse of what could be Lake Michigan. We first find Hank sleeping in a bed of leaves, his hummingbird friend perched in the tree above him, and then it's morning, and Hank is telling his pal about his dream ("I flew!"). In the panels that follow, Hank gives the bird an action-packed step-by-step account, with each real-world demonstration (Hank leans on a swing to show how he peered down at the ground) followed by a depiction of the same moment in the dream (Hank leans out of his flying machine, which is hovering above a grassy field). The gentle sweetness of this tale is undeniable; "Hank," which will be released October 15, is a great choice for bedtime reading. But older readers will also appreciate the book's quiet heft and complexity: the layer upon layer of make-believe, the shadows in the corners of bright landscapes, the poignancy of a very small creature venturing forth in a very big world.'" --Nara Schoenberg [Click here to download a free Common Core Aligned Teaching Guide for Hank Has a Dream.](#)

The Monstrumologist Rick Yancey, 2015-02-24 A monster-hunting doctor and his apprentice face off against a plague of monsters in the first book of a terrifying series. Publishers Weekly says "horror lovers will be rapt." These are the secrets I have kept. So starts the diary of Will Henry, orphan and assistant to a doctor with a most unusual specialty: monster hunting. In the short time he has lived with the doctor in nineteenth-century New England, Will has grown accustomed to his late-night callers and dangerous business. But when one visitor comes with the body of a young girl and the monster that was eating her, Will's world changes forever. The doctor has discovered a baby Anthropophagus—a headless monster that feeds through a mouth in its chest—and it signals a growing number of Anthropophagi. Will and the doctor must face the horror threatening to overtake and consume the world...before it is too late. *The Monstrumologist* is the first stunning gothic adventure in a series that combines the terror of HP Lovecraft with the spirit of Arthur Conan Doyle.
