Unravel Me Tahereh Mafi, 2013-02-05 The thrilling second installment in New York Times bestselling author Tahereh Mafi's *Shatter Me* series. It should have taken Juliette a single touch to kill Warner. But his mysterious immunity to her deadly power has left her shaken, wondering why her ultimate defense mechanism failed against the person she most needs protection from. She and Adam were able to escape Warner's clutches and join up with a group of rebels, many of whom have powers of their own. Juliette will finally be able to actively fight against The Reestablishment and try to fix her broken world. And perhaps these new allies can help her shed light on the secret behind Adam's—and Warner's—immunity to her killer skin. Juliette's world is packed with high-stakes action and tantalizing romance, perfect for fans of the *Red Queen* series by Victoria Aveyard and the *Darkest Minds* trilogy by Alexandra Bracken. Ransom Riggs, #1 New York Times bestselling author of *Miss Peregrine's Home for Peculiar Children*, raved: A thrilling, high-stakes saga of self-discovery and forbidden love, the *Shatter Me* series is a must-read for fans of dystopian young-adult literature—or any literature! Pont Neuf Max Byrd, 2020-07-07 The splendidly gifted (and faintly scandalous) writer Martha Gellhorn, Hemingway's famously unhappy third wife, is the presiding spirit over a great romance. Two American soldiers, torn apart by the war,

meet and fall in love with Martha's protégé—the irresistibly charming and vulnerable young reporter, Annie March. Their story begins and ends on the beautiful Pont Neuf, the oldest and best-loved bridge in Paris. For Annie, every bridge connects two different worlds; to cross a bridge is to make a choice. For her, crossing Pont Neuf means choosing one man over the other, one life over another. It is a haunting love story that will move readers to tears. In its Homeric themes of death and love, Eros and Thanatos, Pont Neuf also recalls the epic sweep of Byrd's earlier novels, especially his acclaimed Civil War novel *Grant*. Its accounts of the last two massive battles of the war—Operation Market Garden in the Netherlands and the cataclysmic Battle of the Bulge—are riveting and authentic, the result of years of research. These historic moments are not simply a backdrop for romance, but also the treacherous and explosive landscape through which love itself moves. The New York Times called Max Byrd “an expert in blending historical and fictional characters.” Pulitzer Prize-winning historian, Joseph Ellis, called him “the reigning champion of American historical fiction.”

Signs and Symbols Adrian Frutiger, 1998 Discusses the elements of a sign, and looks at pictograms, alphabets, calligraphy, monograms, text type, numerical signs, symbols, and trademarks.
