Jelly-Boy Nicole Godwin,2024-08-06 What happens when a jellyfish falls in love with a plastic bag she mistakes for a jelly-boy? Jelly-Boy is different. He is big and strong. And not as wobbly as the other Jelly-Boys. By the time Jelly-Girl discovers the dangerous truth about her new friend, it may already be too late. This is an inventive approach to tackling a conservation issue that is plaguing our world: too much plastic in the ocean. Told in a kid-friendly and humorous way, this is a story with the potential to encourage dialogue around an important issue.

Plastic-Free Beth Terry,2015-04-21 "Guides readers toward the road less consumptive, offering practical advice and moral support while making a convincing case that individual actions . . . do matter." —Elizabeth Royte, author, *Garbage Land* and *Bottlemania* Like many people, Beth Terry didn't think an individual could have much impact on the environment. But while laid up after surgery, she read an article about the staggering amount of plastic polluting the oceans, and decided then and there to kick her plastic habit. In *Plastic-Free*, she shows you how you can too, providing personal anecdotes, stats about the environmental and health problems related to plastic, and individual solutions and tips on how to limit your plastic footprint. Presenting both beginner and advanced steps, Terry includes handy checklists and tables for easy reference, ways to get involved in larger community actions, and profiles of individuals—*Plastic-Free Heroes*—who have gone beyond personal solutions to create change on a larger scale. Fully updated for the paperback edition, *Plastic-Free* also includes sections on letting go of eco-guilt, strategies for coping with overwhelming problems, and ways to relate to other people who aren't as far along on the plastic-free path. Both a practical guide and the story of a personal journey from helplessness to empowerment, *Plastic-Free* is a must-read for those concerned about the ongoing health and happiness of themselves, their

children, and the planet.
