Erasmio Gamboa

MacArthur's Papua New Guinea Offensive, 1942-1943 Jon Diamond,2020-05-27 “A compelling chronicle of the Battle of Papua New Guinea with rarely viewed images from World War II . . . an excellent book.” —Naval Historical Foundation The Japanese seizure of Rabaul on New Britain in January 1942 directly threatened Northern Australia and, as a result, General Douglas MacArthur took command of the Southwest Pacific Area. In July 1942, the Japanese attacked south across the Owen Stanley mountain range. Thanks to the hasty deployment of Australian militiamen and veteran Imperial Force troops the Japanese were halted at Ioribaiwa Ridge just 27 miles from Port Moresby. MacArthur’s priority was to regain Northeast New Guinea and New Britain. The capture of airfields at Buna and reoccupation of Gona and Sanananda Point were prerequisites. The Allied offensive opened on 16 November 1942 with Australian infantrymen and light tanks alongside the US 32nd Infantry Division. Overcoming the Japanese and the inhospitable terrain in tropical conditions proved the toughest of challenges. It remains an achievement of the highest order that the campaign ended successfully on 22 January 1943. This account with its clear text and superb imagery is a worthy tribute to those who fought and, all too often, died there. “Covers a seriously neglected key campaign of WWII. Most Highly Recommended.” —Firetrench “A fascinating look at real jungle warfare and the images only accentuate how miserable troops must have been during the fighting.” —ModelingMadness.com

Mexican Labor & World War II Erasmo Gamboa,2000 A study of the bracero program during World War II. It describes the labor history of Mexican and Chicano workers in Oregon, Washington, and Idaho. It analyses the ways in which Braceros were active agents of their own lives. It also describes the living and working conditions in migrant farm camps.

LIFE ,1942-10-12 LIFE Magazine is the treasured photographic magazine that chronicled the 20th Century. It now lives on at LIFE.com, the largest, most amazing collection of professional photography on the internet. Users can browse, search and view photos of today’s people and events. They have free access to share, print and post images for personal use.

Interface Theology 5/2 2019 ATF Press,2020-09-01 The volume covers a number of areas: Interment of Marist Fathers in the Second World War in NZ, and examines theology and art.

Hitler versus Stalin: The Eastern Front 1941-1942 Nik Cornish,2016-06-30 This pictorial WWII history chronicles the

epic drama of the Eastern Front, from Operation Barbarossa to the Battle of Moscow. The world was not prepared for the massive onslaught launched by Nazi Germany on the Soviet Union on June, 22nd, 1941. The scale of the invasion and the speed of the German advance forced the Red Army into a chaotic retreat toward Leningrad and Moscow as hundreds of thousands of soldiers were taken prisoner. But then came the Soviet's equally astonishing response. Despite all the predictions, the Red Army stemmed the Wehrmacht's advance, held the lines before Leningrad and Moscow, and mounted a counter-offensive that changed the course of the campaign and the outcome of the Second World War. These are the historic events that Nik Cornish portrays in this volume of rare wartime images portraying the war on the Eastern Front.

Enemy Images in American History Ragnhild Fiebig-von Hase, Ursula Lehmkuhl, 1998-01-01 It seems to be a tenet of the human condition to perceive "others" as "different" and potentially hostile. In nearly all societies stereotypes are developed to stigmatize suspected enemies within and without. The American case is particularly interesting in this respect because American society consists of nothing but "others"; to be open to "others" and welcome those who are "different" is one of the basic tenets of the country. However, this principle often conflicts with the need to integrate all these "strangers" into a homogeneous, governable society, which causes the formation of hostile stereotypes of certain ethnic groups that do not "fit in." The authors in this volume look at the development of these "enemy images," which form a fairly consistent pattern, from the period of the American Revolution to the post-World War II era. In doing so, they focus on the question of to what extent these enemy images influence the formulation and outcome of foreign, domestic, and immigration policies.

Border images, border narratives Johan Schimanski, Jopi Nyman, 2021-02-02 This interdisciplinary volume explores the role of images and narratives in different borderscapes. Written by experienced scholars in the field, *Border images, border narratives* provides fresh insight into how borders, borderscapes, and migration are imagined and narrated in public and private spheres. Offering new ways to approach the political aesthetics of the border and its ambiguities, this volume makes a valuable contribution to the methodological renewal of border studies and presents ways of discussing cultural representations of borders and related processes. Influenced by the thinking of philosopher Jacques Rancière, this timely volume argues that narrated and mediated images of borders and borderscapes are central to the political process, as they contribute to the public negotiation of borders and address issues such as the in/visibility of migrants and the formation of alternative borderscapes. The contributions analyse narratives and images in literary texts, political and popular imagery, surveillance data, border art, and documentaries, as well as problems related to borderland identities, migration, and trauma. The case studies provide a highly comparative range of geographical contexts ranging from Northern Europe and Britain, via Mediterranean and Mexican-USA borderlands, to Chinese borderlands from the perspectives of critical theory,

literary studies, social anthropology, media studies, and political geography.

Midwatch in Verse David E. Johnson, Gary Guinn, 2023-02-14 Naval deck logs require young officers to record mundane details of a ship's condition every few hours. According to a U.S. Navy tradition, the New Year's midwatch log--covering midnight to early morning of January 1--can be entered as poetry. Each chapter of this first book-length examination of midwatch poems presents verses written 1941-1946 aboard a ship engaged in combat during World War II, including celebrated warships like the USS Enterprise and nameless vessels like PC 1264. Historical overviews of the ships' operations, along with biographical sketches of the author(s), relate each poem to its moment in history.

Shostakovich and His World Laurel E. Fay, 2021-06-08 Dmitri Shostakovich (1906-1975) has a reputation as one of the leading composers of the twentieth century. But the story of his controversial role in history is still being told, and his full measure as a musician still being taken. This collection of essays goes far in expanding the traditional purview of Shostakovich's world, exploring the composer's creativity and art in terms of the expectations--historical, cultural, and political--that forged them. The collection contains documents that appear for the first time in English. Letters that young Miti wrote to his mother offer a glimpse into his dreams and ambitions at the outset of his career. Shostakovich's answers to a 1927 questionnaire reveal much about his formative tastes in the arts and the way he experienced the creative process. His previously unknown letters to Stalin shed new light on Shostakovich's position within the Soviet artistic elite. The essays delve into neglected aspects of Shostakovich's formidable legacy. Simon Morrison provides an in-depth examination of the choreography, costumes, décor, and music of his ballet *The Bolt* and Gerard McBurney of the musical references, parodies, and quotations in his operetta *Moscow, Cheryomushki*. David Fanning looks at Shostakovich's activities as a pedagogue and the mark they left on his students' and his own music. Peter J. Schmelz explores the composer's late-period adoption of twelve-tone writing in the context of the distinctively Soviet practice of serialism. Other contributors include Caryl Emerson, Christopher H. Gibbs, Levon Hakobian, Leonid Maximenkov, and Rosa Sadykhova. In a provocative concluding essay, Leon Botstein reflects on the different ways listeners approach the music of Shostakovich.

A Small Price to Pay Graham Broad, 2013-10-21 We often picture life on the Canadian home front as a time of austerity, as a time when women went to work and men went to war. Graham Broad explodes this myth of home front sacrifice by bringing to light the contradictions of consumer society in wartime. Governments pressured Depression-weary citizens to save for the sake of the nation, but Canadians had money in their pockets, and advertisers tempted them with fresh groceries, glamorous movies, and new cars and appliances. Broad reveals that our greatest generation was not impervious to temptation but rather embarked on one of the biggest spending booms in our nation's history.

Mutual Perceptions and Images in Japanese-German Relations, 1860-2010, 2017-06-06 *Mutual Perceptions and Images in Japanese-German Relations, 1860-2010* examines the mutual images formed between Japan and Germany from the mid-

nineteenth to twenty-first centuries, and the influence of these images on the development of bilateral relations. Unlike earlier research on Japanese-German relations, which focused on the similarity of these countries' historical trajectories, this publication presents a more nuanced picture. It relativizes perceptions of a special "spiritual relationship" between Japan and Germany as well as their commonalities of "national character" through an exploration of previously untapped historical visual and textual sources. With essays by sixteen leading scholars in the field, this collection is an invaluable contribution to the historiography of modern Japan and Germany, and to the field of international relations. Contributors are: Hans-Joachim Bieber, Fukuoka Mariko, Hakoishi Hiroshi, Iwasa Takurō, Katō Yōko, Kawakita Atsuko, Gerhard Krebs, Kudō Akira, Heinrich Menkhaus, Danny Orbach, Peter Pantzer, Sven Saaler, Satō Takumi, Volker Stanzel, Suzuki Naoko, Tajima Nobuo, Tano Daisuke, and Rolf-Harald Wippich.

Guide to Federal Records in the National Archives of the United States: Record groups 1-170 United States. National Archives and Records Administration, 1995

Saints and Liars: The Story of Americans Who Saved Refugees from the Nazis Debórah Dwork, 2025-01-14 A gripping history that plumbs the extraordinary stories of American relief and rescue workers during World War II. Long before their country officially joined the war, American aid workers were active in rescue efforts across Europe. Two such Americans were Martha and Waitstill Sharp, who were originally sent to Prague as part of a relief effort but turned immediately to helping Jews and dissidents after the 1939 invasion by Germany. They were not the only ones. Renowned historian Debórah Dwork follows the story of rescue workers in five major cities as the refugee crisis expanded to Vilna, Shanghai, Marseille, and Lisbon. Followed by Nazi agents, spirited people across borders, they learned secrecy. Others negotiated with government representatives, like Laura Margolis, who worked with the Japanese, to get enough food and warm shelter for the refugees in Shanghai. Yet, the women also often faced lack of support from their agencies; if part of a couple, they fought to get paid even at a low salary despite working as long and hard as their husbands. Moving and revelatory, *Saints and Liars* illuminates the unpredictable circumstances and often fast-changing historical events with which these aid workers contended, while revealing the moral questions they encountered and the devastating decisions they had to make. Drawing on a multitude of archival documents, from letters to diaries and memos, Dwork offers us a rare glimpse into the lives of individuals who—at times with their organizations' backing, but sometimes against their directives—sought to help people find safe haven from persecution.

HVMP Movie Poster Auction Catalog #640 Ivy Press, 2006-10

Soundies and the Changing Image of Black Americans on Screen Susan Delson, 2021-12-07 In the 1940s, folks at bars and restaurants would gather around a Panoram movie machine to watch three-minute films called Soundies, precursors to today's music videos. This history was all but forgotten until the digital era brought Soundies to phones and computer

screens—including a YouTube clip starring a 102-year-old Harlem dancer watching her younger self perform in Soundies. In *Soundies and the Changing Image of Black Americans on Screen: One Dime at a Time*, Susan Delson takes a deeper look at these fascinating films by focusing on the role of Black performers in this little-known genre. She highlights the women performers, like Dorothy Dandridge, who helped shape Soundies, while offering an intimate look at icons of the age, such as Duke Ellington and Nat King Cole. Using previously unknown archival materials—including letters, corporate memos, and courtroom testimony—to trace the precarious path of Soundies, Delson presents an incisive pop-culture snapshot of race relations during and just after World War II. Perfect for readers interested in film, American history, the World War II era, and Black entertainment history, *Soundies and the Changing Image of Black Americans on Screen* and its companion video website (susandelson.com) bring the important contributions of these Black artists into the spotlight once again.

Certain Victory: Images of World War II in the Japanese Media David C. Earhart, 2015-06-01 This unique window on history employs hundreds of images and written records from Japanese periodicals during World War II to trace the nation's transformation from a colorful, cosmopolitan empire in 1937 to a bleak total war society facing imminent destruction in 1945. The author draws upon his extensive collection of Japanese wartime publications to reconstruct the government-controlled media's narrative of the war's goals and progress - thus providing a close-up look at how the war was shown to Japanese on the home front. Many of these visual and written sources are rare in Japan and were previously unavailable in the West. Strikingly, the narrative remains consistent and convincing from victory to retreat, and even as defeat looms large. Earhart's nuanced reading of Japan's wartime media depicts a nation waging war against the world and a government terrorizing its own people. At once informed, scholarly, and readily accessible, this lavishly illustrated volume offers an accurate representation of the official Japanese narrative of the war in contemporary terms. The images are fresh and compelling, revealing a forgotten world by turns familiar and alien, beautiful and stark, poignant and terrifying.

FDR Iwan Morgan, 2022-07-14 One of the greatest American presidents, Franklin Delano Roosevelt built a coalition of labour, ethnic, urban, low-income and African American voters that underwrote the Democratic Party's national ascendancy from the 1930s to the 1980s. Over his four terms, he promoted the New Deal - the greatest reform programme in US history - to meet the challenges of the Great Depression, led the United States to the brink of victory in the Second World War, and established the modern presidency as the driving force of American politics and government. Iwan Morgan takes a fresh look at FDR, showing how his leadership enabled the United States of America to become the most successful country of the twentieth century. This astute and original assessment of a highly consequential presidency explains how Roosevelt enhanced the governing capacity of his office, promoted a constitutional revolution through his dealings with the Supreme Court, and forged a new intimacy between the president and the American people through his genius for political communication. It also demonstrates the significance of his organizational and strategic leadership as commander-in-chief in

America's greatest foreign war, his role in holding together the US-British-Soviet Grand Alliance against the Axis powers, and his pioneering development of the national-security presidency that sought to promote a lasting post-war peace for the world. In fluid, immensely readable prose, Morgan focuses on the ways in which FDR transformed the presidency into an institution of domestic and international leadership to establish the modern ideal of the office as an assertive, democratic executive charged with meeting the challenges facing the US at home and abroad.

Img 1942 Introduction

In the digital age, access to information has become easier than ever before. The ability to download Img 1942 has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Img 1942 has opened up a world of possibilities. Downloading Img 1942 provides numerous advantages over physical copies of

books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Img 1942 has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Img 1942. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Img 1942. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Img 1942,

users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Img 1942 has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Img 1942 Books

What is a Img 1942 PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Img 1942 PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications

and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Img 1942 PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Img 1942 PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Img 1942 PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, I LovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat,

Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
