Sunday Express On 21 June 1922 Count Alexander Rostov - recipient of the Order of Saint Andrew, member of the Jockey Club, Master of the Hunt - is escorted out of the Kremlin, across Red Square and through the elegant revolving doors of the Hotel Metropol. But instead of being taken to his usual suite, he is led to an attic room with a window the size of a chessboard. Deemed an unrepentant aristocrat by a Bolshevik tribunal, the Count has been sentenced to house arrest indefinitely. While Russia undergoes decades of tumultuous upheaval, the Count, stripped of the trappings that defined his life, is forced to question what makes us who we are. And with the assistance of a glamorous actress, a cantankerous chef and a very serious child, Rostov unexpectedly discovers a new understanding of both pleasure and purpose.

Start with Why Simon Sinek,2011-12-27 The inspirational bestseller that ignited a movement and asked us to find our WHY Discover the book that is captivating millions on TikTok and that served as the basis for one of the most popular TED Talks of all time—with more than 56 million views and counting. Over a decade ago, Simon Sinek started a movement that inspired millions to demand purpose at work, to ask what was the WHY of their organization. Since then, millions have been touched by the power of his ideas, and these ideas remain as relevant and timely as ever. START WITH WHY asks (and answers) the questions: why are some people and organizations more innovative, more influential, and more profitable than others? Why do some command greater loyalty from customers and employees alike? Even among the successful, why are so few able to repeat their success over and over? People like Martin Luther King Jr., Steve Jobs, and the Wright Brothers had little in common, but they all started with WHY. They realized that people won't truly buy into a product, service, movement, or idea until they understand the WHY behind it. START WITH WHY shows that the leaders who have had the greatest influence in the world all think, act and communicate the same way—and it's the opposite of what everyone else does. Sinek calls this powerful idea The Golden Circle, and it provides a framework upon which organizations can be built, movements can be led, and people can be inspired. And it all starts with WHY.

The Rise of Pacific Literature Matthew Hayward, Maebh Long,2024-09-03 In the 1960s and 1970s, the staff and students of two newly founded universities in the Pacific Islands helped foster a golden age of Oceanian literature. At the University of Papua New Guinea and the University of the South Pacific, bold experiments in curriculum design recentered

literary studies around a Pacific modernity. Rejecting the established British colonial model, writer-scholars placed Pacific oratory and a growing body of Oceanian writing at the heart of the syllabus. From this local core, students ventured outward to contemporary postcolonial literatures, where they saw modernist techniques repurposed for a decolonizing world. Only then did they turn to foundational modernist texts, encountered at last as a set of creative tools rather than a canon to be copied or learned by rote. *The Rise of Pacific Literature* reveals the transformative role and radical adaptations of global modernisms in this golden age. Maebh Long and Matthew Hayward examine the reading and teaching of Pacific oral narratives, European and American modernisms, and African, Caribbean, and Indian literature, tracing how Oceanian writers appropriated and reworked key texts and techniques. They identify the local innovations and international networks that spurred Pacific literature's golden age by reading crucial works against the poetry, prose, and plays on the syllabi of the new universities. Placing internationally recognized writers such as Albert Wendt, Subramani, Konai Helu Thaman, Marjorie Crocombe, and John Kasaipwalova alongside lesser-known authors of works published in Oceanian little magazines, this book offers a wide-ranging new account of Pacific literary history that tells a fresh story about modernism's global itineraries and transformations.

Students of trends, policymakers, entrepreneurs, academics, journalists and anyone eager for a glimpse into the next decades, will find this report, with colored graphs, essential reading.

Salmond David Torrance, 2012-05-23 NEW POST-REFERENDUM EDITION. Alex Salmond is well known in Scotland, the UK and beyond as the leader of the Scottish National Party and Scotland's First Minister, but relatively little is understood about Salmond as a human being, what makes him a Nationalist, what shaped his political views, and what sort of country he believes an independent Scotland can be. In this first biography, with which close colleagues and friends have co-operated, the acclaimed political biographer David Torrance turns his attention to perhaps one of the most capable and interesting politicians Scotland has produced in the last few decades. Utilising a raft of published and unpublished material, Torrance charts the life and career of Alex Salmond from his schooldays, his political activism at St Andrews University, his early career at the Royal Bank of Scotland, his election as the MP for Banff and Buchan and, in greater depth than ever before, his two spells as leader of the SNP and, from 2007, as First Minister of Scotland.

The First Forty Days Heng Ou, Amely Greeven, Marisa Belger, 2016-04-26 After labor, it's time for rest: A gentle guide to *zuo yuezi*, the ancient Chinese practice of postpartum self-care, including sixty simple recipes. The first forty days after the birth of a child offer an essential and fleeting period of rest and recovery for the new mother. Based on Heng Ou's own postpartum experience with *zuo yuezi*, a set period of "confinement" in which a woman remains at home focusing on healing and bonding with her baby, *The First Forty Days* revives the lost art of caring for the mother after birth. As modern mothers are pushed to prematurely "bounce back" after delivering their babies, and are often left alone to face the physical and emotional challenges of this new stage of their lives, the first forty days provide a lifeline—a source of connection, nourishment, and guidance. This book includes sixty simple recipes for healing soups, replenishing meals and snacks, and calming and lactation-boosting teas, all formulated to support the unique needs of the new mother. In addition to recipes, this warm and encouraging guide offers advice on arranging a system of help during the postpartum period, navigating relationship challenges, and honoring the significance of pregnancy and birth. Fully illustrated, it is a practical guide and
