*Happier at Home* Gretchen Rubin,2012-09-04 Tolstoy wrote, Happy families are all alike; every unhappy family is unhappy in its own way. This is the statement that inspired bestselling author Gretchen Rubin to wonder whether she could foster an even greater happiness in her home. During The Happiness Project, the same questions kept tugging at her. How can I raise happy children? How can I maintain a tender, romantic relationship with my spouse--after fifteen years of marriage? How do I keep my Blackberry from taking over my private life? How can I foster a well-ordered, light-hearted atmosphere in my house, when no one else will lift a finger to cooperate? This book is Gretchen's account of her second

journey in pursuit of happiness. Prescriptive, easy-to-follow, and anecdotal, *Happier at Home* offers readers a way of thinking and being that is positive and life-affirming. With specific examples following the calendar year, an intimate voice, and drawing from science and pop culture, this book will resonate with anyone looking to strengthen the bonds of family.

*A Piece of Home* Jeri Watts, 2016-06-14 A child-friendly story about the trials and triumphs of starting over in a new place while keeping family and traditions close. When Hee Jun's family moves from Korea to West Virginia, he struggles to adjust to his new home. His eyes are not big and round like his classmates', and he can't understand anything the teacher says, even when she speaks s-l-o-w-l-y and loudly at him. As he lies in bed at night, the sky seems smaller and darker. But little by little Hee Jun begins to learn English words and make friends on the playground. And one day he is invited to a classmate's house, where he sees a flower he knows from his garden in Korea — mugunghwa, or rose of Sharon, as his friend tells him — and Hee Jun is happy to bring a shoot to his grandmother to plant a "piece of home" in their new garden. Lyrical prose and lovely illustrations combine in a gentle, realistic story about finding connections in an unfamiliar world.

Life Unstyled Emily Henson,2021-04-13 We are bombarded by perfect interiors, images that aren't attainable because they have been styled to the point where they bear no resemblance to reality. These interiors may be stunning, but they aren't an honest reflection of how we really live. Life Unstyled is about taking inspiration from real homes that are beautiful, creative and inspiring but at the same time a little rough around the edges, with signs of everyday life evident throughout. The first section, 'Homes Unstyled', sets out Emily's manifesto for creating a stylish home that is beautiful but lived in. A Home is Never Done advocates allowing your space to evolve gradually so it is an ever-changing expression of your tastes and interests. Work with What You've Got suggests ways to make the most of the home you have rather than yearning for unattainable perfection. Signs of Life offers ideas for wrangling papers, clutter and other stuff. Creative Clutter tackles collections and displays, while Break the Rules rejects style diktats and shows how individuality can bring a home to life. The second section, 'People Live Here', visits real-life homes that are definitely not perfect yet display incredible style and creativity and reflect their owners' needs, tastes and style. And throughout the book, quick fixes, DIY makes and ' Every Home Should Have...' boxes offer creative solutions with unique results.
