Digging Out Katherine Leiner, 2004-03-02 More information to be announced soon on this forthcoming title from Penguin USA.

American Builder, 1920

Motel of the Mysteries David Macaulay, 1979-10-11 It is the year 4022; all of the ancient country of Usa has been buried under many feet of detritus from a catastrophe that occurred back in 1985. Imagine, then, the excitement that Howard Carson, an amateur archeologist at best, experienced when in crossing the perimeter of an abandoned excavation site he felt the ground give way beneath him and found himself at the bottom of a shaft, which, judging from the DO NOT DISTURB sign hanging from an archaic doorknob, was clearly the entrance to a still-sealed burial chamber. Carson's incredible discoveries, including the remains of two bodies, one of them on a ceremonial bed facing an altar that appeared to be a means of communicating with the Gods and the other lying in a porcelain sarcophagus in the Inner Chamber, permitted him to piece together the whole fabric of that extraordinary civilization.

Digging Up Butch and Sundance ,2003-10-01 Lawyer-turned-writer Anne Meadows and her husband, Dan Buck, set out to solve the mystery of what really happened to Butch Cassidy and the Sundance Kid. With the tenacity of Pinkerton agents, the couple tracks the outlaws and the enigmatic Etta Place through South America, where they fled in 1901. Meadows and Buck rove Argentinian pampas, Chilean deserts, and Bolivian sierras; pore over faded newspapers and musty documents; exhume skeletons with the aid of forensic anthropologist Clyde Snow; unearth eyewitness accounts of Butch and Sundance's final holdup and the Bolivian shootout; and examine letters by the bandits and interviews by the Argentine police who investigated their activities. Information about William T. Phillips, who claimed to be Butch Cassidy, is also included. ø While filling in the blanks in the Wild Bunch saga, Meadows explores the nature of truth and discovers how myths are made. She updates the search with a new afterword to this edition.

Loose of Earth Kathleen Dorothy Blackburn,2024-04-16 An arresting memoir of love and unbending religion, toxicity and disease, and one family's desperate wait for a miracle that never came. Kathleen Dorothy Blackburn was the oldest of five children, a twelve-year-old from Lubbock, Texas, whose evangelical family eschewed public education for homeschooling, and wove improbable scientific theories into literal interpretations of the Bible. Then her father, a former air force pilot, was diagnosed with cancer at the age of thirty-eight, and, "it was like throwing gasoline on the Holy Spirit." Stirred by her mother, the family committed to an extreme diet and sought deliverance from equally extreme sources: a traveling tent preacher, a Malaysian holy man, a local faith-healer who led services called "Miracles on 34th Street." What they didn't know at the time was that their lives were entangled with a larger, less visible environmental catastrophe. Fire-fighting foams containing carcinogenic compounds had contaminated the drinking water of every military site where her father worked.

Commonly referred to as “forever chemicals,” the presence of PFAS in West Texas besieged a landscape already burdened with vanishing water, taking up residence in wells and in the bloodstreams of people who lived there. An arresting portrait of the pernicious creep of decline, and a powerful cry for environmental justice, *Loose of Earth* captures the desperate futility and unbending religious faith that devastated a family, leaving them waiting for a miracle that would never come.

Digging Up A Conspiracy Martin Jones, 2015-06-24 Tim and Al were just two boys with a passion for mysteries and working on their allotment. In this, their second year on their allotment, the two would combine to put the boys into a lot of danger, but to give them a lot of fun. From pumpkin competitions to murders, it is going to be an exciting year. A modern day Enid Blyton It is great to see the characters back and grown with new characters who you really care for A great way to draw in the young reader with a series of short fast paced stories A great sequel to the most enjoyable *Digging up a Mystery*

Digging the Vein Tony O'Neill, 2006 Digging the Vein's unnamed narrator has a problem: He has a burgeoning drug habit and a wife he's only known for two days, but no job, no money, and no way out. As the narrator's life crumbles, the pills, booze, and problems multiply until he hits on a brilliant solution: heroin. Soon the narrator is associating with a cabal of street freaks. Just as the comedy is piling up, things go sour, making *Digging the Vein* a brutal look at a self-destructed, marginal life.

Digging Up the Dead Druin Burch, 2010-10-31 A tearaway young man from Norfolk, Astley Cooper (1768-1841) became the world's richest and most famous surgeon. Admired from afar by the Brontës and up close by his student Keats, his success was born of an appetite for bloody revolutions. He set up an international network of bodysnatchers, won the Royal Society's highest prize and boasted to Parliament that there was no one whose body he could not steal. Experimenting on his neighbours' corpses and the living bodies of their stolen pets, his discoveries were as great as his infamy. Caught up in the French Revolution, and in attempts to bring radical democracy to Britain, Cooper nevertheless rose to become surgeon to royals from the Prince Regent to Queen Victoria. Setting the past against his own reactions to autopsies and operations, hospitals and poetry, Burch's *Digging Up the Dead* is a riveting account of a world of gothic horror as well as fertile idealism.

The Water-Saving Garden Pam Penick, 2016-02-23 A guide to growing beautiful gardens in drought-prone areas utilizing minimal water for maximum results. With climate change, water rationing, and drought on the rise, water conservation is more important than ever—but that doesn't mean your gardening options are limited to cacti and rocks. *The Water-Saving Garden* provides gardeners and homeowners with a diverse array of techniques and plentiful inspiration for creating sustainable gardens that are so beautiful and inviting, it's hard to believe they are water-thrifty. Including a directory of 100 plants appropriate for a variety of drought-prone regions of the country, this accessible and contemporary xeriscaping guide is full of must-know information on popular gardening topics like native and drought-tolerant plants (including succulents), rainwater harvesting, greywater systems, permeable paving, and more.

Digging the Dead Guys Maddie James, Welcome to Carrington, Louisiana, and this deadly romantic comedy series! (Box Set) Three southern-fried comedies with a touch of romance, a side of mystery, a smattering of paranormal, and three crazy sisters.... Freshly Dead, Book 1 All Mitzi Winston wants is enough money to pay this month's mortgage payment. That is the only reason she even considers the phone sex job. Ever since her husband's disappearance, she has held things together nicely—until recently. And now, well, she just needs the money. Biting the bullet, she goes for the interview, only to find that the phone sex job isn't real and she's too late—not for the interview, but to save her husband. For there he is, dead on the floor, a bullet to the back of the head. To make matters worse, his ghost is hovering around and chiding her for being late. Not to mention he is horny as hell and trying to cop a feel. Which only begs the question, "Do dead men still want it?" Seriously Dead, Book 2 Molly Campbell had everything—a gorgeous Louisiana mansion, a rich husband, and a lucrative career. Had—not has—because her redneck husband dies in a seven-car pileup on the way to a monster truck pull, setting off a chain of events that leaves her penniless and moving into her deceased Gran's home in Carrington, Louisiana. To say lifestyle change is a bitch is an understatement. She misses Don (and admittedly, his money) but doesn't miss his belittling manner. When he comes to her in ghostly spirit and apologizes for every nasty thing he's ever done (too little, too late), and that he lied to her about the bank account (too little, too gone), and tells her she needs to pay off his casino debt to keep the family safe (too overwhelming, too damn much!), and suggests that the truck accident might not have been an accident after all (too creepy, too murdered?), she gives him the cold shoulder. Molly has no desire to listen to her deceased husband's honeymoon phase sweet-talk and probable lies in death. She'd had enough of that while he was living. But Don insists he was murdered, and when things start happening—eerie phone calls, threatening messages, and bullets whizzing past her on Gran's porch—Molly concedes. With her sisters in tow, and aided by a charming, tattooed private investigator, Molly seeks to uncover the truth. The suspense and hilarity that ensues might make you laugh out loud—seriously. Dead seriously. Gratefully Dead, Book 3 Marla Newberry has no interest in dating someone local. She much prefers midnight runs to a biker bar in Shreveport. Cooter Haines, drummer for a Grateful Dead tribute band called Skull Bone, owns the biker bar called The Deadhead. He also is the only guy who can curl her toes like a sprung guitar string. And while she enjoys surrendering to his toe-curling occasionally, she's not interested in bringing the long-haired drummer home to daddy—until the night Cooter tells her he loves her, and then comes up missing. That Saturday night, a rival drummer makes a deal with the devil (aka the Skull Bone's manager) and steals the drummer job away from Cooter. Cooter angrily speeds off on his bike and doesn't return. Marla smells a rat. Later, she wakes up to find a ghostly Cooter sitting at the foot of her bed. Dead isn't so great, he tells her, and those rumors about Southern Rock bands jamming in Heaven? He's seen no evidence. Plus, he's pretty sure someone jacked up something on his Harley, making him roll the bike. He needs her help to find out who wanted him dead.

Lights All Night Long Lydia Fitzpatrick, 2020-02-04 A gripping and deftly plotted narrative of family and belonging, *Lights All Night Long* is a dazzling debut novel from an acclaimed young writer. *Lights All Night Long* is utterly brilliant and completely captivating. . . . One of the most propulsive, un-put-downable literary novels I've read in ages.--Anthony Marra, author of *A Constellation of Vital Phenomena* Fifteen-year-old Ilya arrives in Louisiana from his native Russia for what should be the adventure of his life: a year in America as an exchange student. But all is not right in Ilya's world: he's consumed by the fate of his older brother Vladimir, the magnetic rebel to Ilya's dutiful wunderkind, back in their tiny Russian hometown. The two have always been close, spending their days dreaming of escaping to America. But when Ilya was tapped for the exchange, Vladimir disappeared into their town's seedy, drug-plagued underworld. Just before Ilya left, the murders of three young women rocked the town's usual calm, and Vladimir found himself in prison. With the help of Sadie, who has secrets of her own, Ilya embarks on a mission to prove Vladimir's innocence. Piecing together the timeline of the murders and Vladimir's descent into addiction, Ilya discovers the radical lengths to which Vladimir has gone to protect him--a truth he could only have learned by leaving him behind. A rich tale of belonging and the pull of homes both native and adopted, *Lights All Night Long* is a spellbinding story of the fierce bond between brothers determined to find a way back to each other.

The Dallas Women's Guide to Gold-Digging with Pride Jennifer Ross,2008-12-24 "Here, in the land of conspicuous consumption, marriage isn't considered a lifelong commitment. It's the ultimate accessory." -from *The Dallas Women's Guide to Gold-Digging with Pride* Jennifer Barton's life has veered 180 degrees. A transplanted New Yorker now in a Lone Star state of mind, she's ditched her urban hipster look for the waxed, Botoxed, and blond glow of the Dallas women she now walks among and mingles with. Jenny's mission: to be in "tall cotton," which in Texan husband-hunting terms means sporting a major rock on your finger and seeing the prenup torn up before you walk down the aisle. But learning the local lingo is only the tip of the cactus for Jenny, who is used to picking men based on attraction and long-term compatibility, not net assets. No matter that in Dallas, a husband is "like a Hermès bag or a Chanel coat, a good investment that will mature over time. If he no longer fits, you can trade up to a more luxurious model." To Aimee, Jenny's pretty-as-a-beauty queen roommate (and an expert gold-digger), marrying for material worth is gospel-she's already successfully managed her first divorce and is on the lookout for husband number two. Jenny has laughed off Aimee's ideas on flirting and courting ("Never directly engage a man you're interested in"), but after catching her boyfriend cheating and listening to her mother's constant laments over her lack of grandchildren, Jenny reconsiders Aimee's businesslike approach to marriage: plan, strategize, conquer. Under Aimee's guidance, Jenny finds herself grocery shopping in stilettos, attending skeet shoots and rattlesnake hunts, and traversing the ultimate husband-hunting ground-a Baptist wedding. But in between secretly decoding her targets' e-mail passwords and breaking into potential mates' houses to figure out what their interests are, Jenny wonders if love ever enters into the deal. Welcome to Dallas, where the higher the hair the closer to God. Grab the steer by the horns and sharpen your nails, J. C. Conklin's hilariously funny debut novel will have you going Texas wild!
