The Scandinavian Home Niki Brantmark, 2017-04-18 Discover classic and contemporary Scandinavian style with specially commissioned photography of homes in Denmark, Norway, Sweden, and Finland. Discover classic and contemporary Scandinavian style with specially commissioned photography of homes in Denmark, Norway, Sweden, and Finland. Scandinavia is famous for its distinctive style: homes are pared-back and simple, and form and function are combined to create aesthetically pleasing and practical interiors. Scandinavians are inspired by light, having an abundance of it in summer but so little of it in winter, and house designs tend to maximize the amount of natural light that enters the home, and allow the inhabitants to make the most of outdoor life during the summer. Similarly, nature and the weather are major influences: homes are made warm and cozy for the freezing winter months—not just literally with log burners, but also through incorporating wood and natural materials. Here Niki Brantmark, owner of the interior design blog *My Scandinavian Home*, presents a wide-ranging collection of these beautiful homes and explores how the Scandinavian lifestyle is reflected in them all. The first chapter, *Urban Living*, features styles ranging from minimalist to bohemian, and pale palettes to dramatic dark colors. By contrast, the *Country Homes* tend to have a softer, calmer feel, through color and textiles, in line with a slower pace of life. Finally, the spectacular *Rural Retreats* include a mountain cabin, beach house, and rustic summer cottage, and demonstrate how having somewhere to escape to is so important to many Scandinavians. This collection of stunning interiors will put Scandi style within every reader's reach.

French Country Cottage Courtney Allison, 2018-08-14 Discover design inspiration as a photographer and blogger details the story of her renovation of a 1940s cottage in the California countryside. A little, abandoned vacation house that could, set in the center of rolling fields and trees becomes the cottage home of her dreams. The years of renovation allowed Courtney to create a lifestyle that is fueled by inspiration and beauty, a touch of whimsy, and an abundance of everyday elegance. The journey has

been shared on her popular blog French Country Cottage, and now, through the publication of her first book, her readers will experience a reveal of more of her home and property and the inspirations behind her beloved style. Courtney's inspiring photography reveals every nuance of her style and home including a muted color palette, old brassy door knobs, chippy paint, antiques, her greenhouse and garden, and an abundance of entertaining and holiday decorating style. Summer at Tiffany Marjorie Hart, 2009-10-13 The New York Times-bestselling memoir of two Iowa girls in 1945 New York City: "Hart has a genuine gift for conveying the texture of midcentury Manhattan." —USA Today "Although the country is still at war, Manhattan during the summer of 1945 is an intoxicating place, especially for two fresh-faced young coeds who step off a train from Iowa armed with little more than their youthful exuberance and the name of a very influential contact. The combination is enough to land Marjorie and her best friend, Marty, jobs as pages at the prestigious Tiffany & Co., making them the first female employees ever to work the sales floor. From this groundbreaking vantage point, the girls see and do it all, from assisting notorious gangsters and international playboys at the jewelry counters, to rubbing elbows with celebrities at the city's legendary nightclubs, to glimpsing General Eisenhower during his triumphant victory parade . . . Remarkably, this winsome memoir was written 60 years after that giddy summer spent pinching pennies and dreaming of diamonds, yet Hart's infectious vivacity resonates with a madcap immediacy, delectably capturing the city's heady vibrancy and a young girl's guileless enchantment." —Booklist "[A] warm account of more innocent times." —Kirkus Reviews "[A] glorious once-upon-a-time fairytale come true. . . . I loved every moment!"—Adriana Trigiani, New York Times-bestselling author of *The Good Left Undone* "Reminiscent of *The Best of Everything*." —BookPage "Hart writes about that stylish summer with verve, recollecting with a touching purity a magical summer in Manhattan, seen through the eyes of two 21-year-olds, just as the end of World War II approached." —The Cleveland Plain Dealer Includes photographs
