In the wake of *Fifty Shades of Grey*, here is a memoir that offers the real story of what it means to be a submissive and follows Sophie's story as she progresses from her early erotic experiences through to experimenting with her newfound awakened sexuality. From the endorphin rush of her first spanking right through to being

But it isn't until she meets James, a real life 'Christian Grey,' that her boundaries and sexual fetishism are really pushed. As her relationship with James travels into darker and darker places, the question becomes: Where will it end? Can Sophie reconcile her sexuality with the rest of her life, and is it possible for the perfect man to be perfectly cruel?
