**My Passion for Design** Barbra Streisand,2010-11-16 For nearly six decades Barbra Streisand has been one of the singular figures in American entertainment. From the cabaret to the Broadway stage, from television and film stardom to her acclaimed work as a director, from the recording studio to the concert hall, she has demonstrated that the extraordinary voice that launched her career was only one of her remarkable gifts. Now, in her first book, Barbra Streisand reveals another aspect of her talent: the taste and style that have inspired her beautiful homes and collections. My Passion for Design is her account of the creation and construction of her newest home—the dream refuge she has longed for since the days when she shared a small Brooklyn apartment with her mother, brother, and grandparents, and a culmination and reflection of her love of American architecture and design from the 18th to the 20th centuries. Whether she is seeking an elusive shade of blue for the paneling in a Federal lounge, tracking down a contemporary woodworker who was able to recreate the exquisite Greene & Greene style, or choosing the roses to harmonize with both the interior and exterior of a given room, Barbra's perseverance and attention to detail are remarkable—and remarkably engaging. She is a wonderfully witty storyteller as well as a knowledgeable and charming guide. My Passion for Design contains not only Barbra's own photographs of the rooms she has decorated, the furniture and art she has collected, and the ravishing gardens she has planted on her land on the California coast, but memories of her childhood, and insights into the development of her own sense of style. The millions of fans who have cherished her voice as a singer will find that she has an equally inimitable and compelling voice as a writer. Here is a rare and intimate private tour of the world of one of our most beloved stars, which will be welcomed by her fans and all lovers of the great achievements of American design.

**A Passion for Blue and White** Carolyne Roehm, 2008-10-28 "Nature's quintessential color combination of blue and white never ceases to amaze me. The look of pristine snow against deep blue Aspen skies; spires of blue and white delphinium in a garden; Connecticut's spring mornings where the apple blossoms and nodding heads of white narcissus are

in contrast to soft blue skies and vibrant green grass—these and many more images found in nature have informed my work for the last thirty-five years. From fashion to interiors, and tabletop to gardens, the presence of blue and white is a constant in my past collections as well as throughout my previous eight books. It seems natural that I would eventually do a book on living and designing with this seminal color combination.” —from the Introduction This private tour of the dazzling homes of legendary style-setter Carolyne Roehm showcases her favorite color combination in more than three hundred glorious photographs. From the time designer Carolyne Roehm rented her first small apartment in New York in her twenties, she has loved blue and white. In that one-bedroom flat, she draped the walls, chairs, sofa, and a canopy bed in an inexpensive blue and white sheeting fabric designed by her boss, Oscar de la Renta, and began collecting blue-and-white porcelain from around the world—initially bargain reproductions and eventually museum-quality pieces—from China, Japan, Portugal, the Netherlands, and elsewhere. Today, Carolyne Roehm presides over a magnificent duplex in Manhattan, an antique-filled stone house in Connecticut, and a chic yet rustic home in Aspen, all of which contain rooms decorated in blue and white, featuring accents from her collections of china, ceramics, glassware, linens, furniture, and decorative pieces. These rooms employ the whole spectrum of blues, from delicate sky to the deepest, boldest navy, evoking moods ranging from tranquil to vibrant. In *A Passion for Blue and White*, Carolyne Roehm takes us inside her homes (including her former pied-à-terre in Paris) in never-before-seen photographs of these stunning rooms. She also reveals how she has used blue and white to magnificent effect outdoors in Connecticut around her pool and in her gardens—and even how she used the combination in designing a wedding for a friend. She provides inspiration for tabletop design, flower arranging, and gift-wrapping, suitable for all budgets. Her ceramic, textile, and glass collections (endless sources of her creativity) can be emulated by anyone with trips to flea markets, thrift shops, and inexpensive import stores as well as antique stores and galleries. A swatch of French fabric began Carolyne Roehm’s lifetime love affair with blue and white. In this book, she demonstrates through her own decorating and designs, how this combination works its magic on everything from upholstery and drapes to napkins and tablecloths, wrapping paper and ribbons. For anyone with a passion for blue and white, here is the ultimate style guide and Carolyne Roehm’s most gorgeous book yet.
