*The Freezer Door* Mattilda Bernstein Sycamore, 2020-11-24 A meditation on the trauma and possibility of searching for connection in a world that enforces bland norms of gender, sexual, and social conformity. When you turn the music off, and suddenly you feel an unbearable sadness, that means turn the music back on, right? When you still feel the sadness, even with the music, that means there's something wrong with this music. Sometimes I feel like sex without context isn't sex at all. And sometimes I feel like sex without context is what sex should always be.--The Freezer Door The Freezer Door records the ebb and flow of desire in daily life. Crossing through loneliness in search of communal pleasure in Seattle, Mattilda Bernstein Sycamore exposes the failure and persistence of queer dreams, the hypocritical allure of gay male sexual culture, and the stranglehold of the suburban imagination over city life. Ferocious and tender, The Freezer Door offers a complex meditation on the trauma and possibility of searching for connection in a world that relentlessly enforces bland norms of gender, sexual, and social conformity while claiming to celebrate diversity.

*Book of the Dead* Foy Scalf, 2017 Discover how the ancient Egyptians controlled their immortal destiny! This book, edited by Foy Scalf, explores what the Book of the Dead was believed to do, how it worked, how it was made, and what happened to it.

**Children of the Jacaranda Tree** Sahar Delijani, 2013-06-18 New York Times bestselling author Khaled Hosseini says, "Set in post-revolutionary Iran, Sahar Delijani's gripping novel is a blistering indictment of tyranny, a poignant tribute to those who bear the scars of it, and a celebration of the human heart's eternal yearning for freedom." Neda is born in Iran's Evin Prison, where her mother is allowed to nurse her for a few months before an anonymous guard appears at the cell door one day and simply takes her away. In another part of the city, three-year-old Omid witnesses the arrests of his political activist parents from his perch at their kitchen table, yogurt dripping from his fingertips. More than twenty years after the violent, bloody purge that took place inside Tehran's prisons, Sheida learns that her father was one of those executed, that the silent void firmly planted between her and her mother all these years was not just the sad loss that comes with death but the anguish and the horror of murder. These are the Children of the Jacaranda Tree. Set in post-revolutionary Iran from 1983 to 2011, this stunning debut novel follows a group of mothers, fathers, children, and lovers, some related by blood, others brought together by the tide of history that washes over their lives. Finally, years later, it is the next generation that is left

with the burden of the past and their country's tenuous future as a new wave of protest and political strife begins.

"Heartbreakingly heroic" (Publishers Weekly), *Children of the Jacaranda Tree* is an evocative portrait of three generations of men and women inspired by love and poetry, burning with idealism, chasing dreams of justice and freedom. Written in Sahar Delijani's spellbinding prose, capturing the intimate side of revolution in a country where the weight of history is all around, it is a moving tribute to anyone who has ever answered its call.

*Iberia* James A. Michener, 2015-03-10 "Massive, beautiful . . . unquestionably some of the best writing on Spain [and] the best that Mr. Michener has ever done on any subject."—The Wall Street Journal Spain is an immemorial land like no other, one that James A. Michener, the Pulitzer Prize-winning author and celebrated citizen of the world, came to love as his own. *Iberia* is Michener's enduring nonfiction tribute to his cherished second home. In the fresh and vivid prose that is his trademark, he not only reveals the celebrated history of bullfighters and warrior kings, painters and processions, cathedrals and olive orchards, he also shares the intimate, often hidden country he came to know, where the congeniality of living souls is thrust against the dark weight of history. Wild, contradictory, passionately beautiful, this is Spain as experienced by a master writer.

**Lillian Boxfish Takes a Walk** Kathleen Rooney, 2017-01-17 NOW A NATIONAL INDIE BESTSELLER A love letter to city life in all its guts and grandeur, *Lillian Boxfish Takes a Walk* by Kathleen Rooney paints a portrait of a remarkable woman across the canvas of a changing America: from the Jazz Age to the onset of the AIDS epidemic; the Great Depression to the birth of hip-hop. "In my reckless and undiscouraged youth," Lillian Boxfish writes, "I worked in a walnut-paneled office thirteen floors above West Thirty-Fifth Street..." She took 1930s New York by storm, working her way up writing copy for R.H. Macy's to become the highest paid advertising woman in the country. It was a job that, she says, "in some ways saved my life, and in other ways ruined it." Now it's the last night of 1984 and Lillian, 85 years old but just as sharp and savvy as ever, is on her way to a party. It's chilly enough out for her mink coat and Manhattan is grittier now—her son keeps warning her about a subway vigilante on the prowl—but the quick-tongued poetess has never been one to scare easily. On a walk that takes her over 10 miles around the city, she meets bartenders, bodega clerks, security guards, criminals, children, parents, and parents-to-be, while reviewing a life of excitement and adversity, passion and heartbreak, illuminating all the ways New York has changed—and has not. Lillian figures she might as well take her time. For now, after all, the night is still young. "Transporting...witty, poignant and sparkling." —People (People Picks Book of the Week)

**Mummy Portraits of Roman Egypt** Marie Svoboda, Caroline Cartwright, 2020-08-25 This publication presents fascinating new findings on ancient Romano-Egyptian funerary portraits preserved in international collections. Once interred with mummified remains, nearly a thousand funerary portraits from Roman Egypt survive today in museums around the world, bringing viewers face-to-face with people who lived two thousand years ago. Until recently, few of these paintings had

undergone in-depth study to determine by whom they were made and how. An international collaboration known as APPEAR (Ancient Panel Paintings: Examination, Analysis, and Research) was launched in 2013 to promote the study of these objects and to gather scientific and historical findings into a shared database. The first phase of the project was marked with a two-day conference at the Getty Villa. Conservators, scientists, and curators presented new research on topics such as provenance and collecting, comparisons of works across institutions, and scientific studies of pigments, binders, and supports. The papers and posters from the conference are collected in this publication, which offers the most up-to-date information available about these fascinating remnants of the ancient world. The free online edition of this open-access publication is available at [www.getty.edu/publications/mummyportraits/](http://www.getty.edu/publications/mummyportraits/) and includes zoomable illustrations and graphs. Also available are free PDF, EPUB, and Kindle/MOBI downloads of the book.

**Visualizing the Afterlife in the Tombs of Graeco-Roman Egypt** Marjorie Susan Venit, 2015-11-24 Lost in Egypt's honeycombed hills, distanced by its western desert, or rendered inaccessible by subsequent urban occupation, the monumental decorated tombs of the Graeco-Roman period have received little scholarly attention. This volume serves to redress this deficiency. It explores the narrative pictorial programs of a group of decorated tombs from Ptolemaic and Roman-period Egypt (c.300 BCE–250 CE). Its aim is to recognize the tombs' commonalities and differences across ethnic divides and to determine the rationale that lies behind these connections and dissonances. This book sets the tomb programs within their social, political, and religious context and analyzes the manner in which the multicultural population of Graeco-Roman Egypt chose to negotiate death and the afterlife.

The End of San Francisco Mattilda Bernstein Sycamore, 2013-03-08 The End of San Francisco breaks apart the conventions of memoir to reveal the passions and perils of a life that refuses to conform to the rules of straight or gay normalcy. A budding queer activist escapes to San Francisco, in search of a world more politically charged, sexually saturated, and ethically consistent—this is the person who evolves into Mattilda Bernstein Sycamore, infamous radical queer troublemaker, organizer and agitator, community builder and anti-assimilationist commentator. Here is the tender, provocative and exuberant story of the formation of one of the contemporary queer movement's most savvy and outrageous writers and spokespersons. Using an unrestrained associative style to move kaleidoscopically between past, present and future, Sycamore conjures the untidy push and pull of memory, exposing the tensions between idealism and critical engagement, trauma and self-actualization, inspiration and loss. Part memoir, part social history and part elegy, *The End of San Francisco* explores and explodes the dream of a radical queer community and the mythical city that was supposed to nurture it. Mattilda is a dazzling writer of uncommon truths, a challenging writer who refuses to conform to conventionality. Her agitation is an inspiration.—Justin Torres, author of *We the Animals* “Author Mattilda Bernstein Sycamore is the artistic love child of John Genet and David Wojnarowicz, deconstructing language swathed in unbridled sensuality, while flinging

readers into a disrupted, chaotic life of queer anarchy.”—Gay and Lesbian Review Bring on The End of San Francisco! And Mattilda Bernstein Sycamore, whose new book has reinvented memoir without the predictable gloss of passive resolution. This book is undeniably brave and new, and the internal energy churning at its core is like nothing you've seen, heard or read before. I swear.—T. Cooper, author of *Real Man Adventures* We hear so much about coming-of-age narratives that we seldom think about going-of-age—the shutting down and closure, the making sense of where we've been. Written with grace, reserve and the honest tremblings that come when things matter, Mattilda shows us that *The End of San Francisco* is really the beginning of joy.—Daphne Gottlieb, author of *15 Ways to Stay Alive* It would be easy to describe *The End of San Francisco* as a Joycean 'Portrait of the Artist as a Young Queer' (although the book's intense stream of consciousness is reminiscent of the later, more experimental, Joyce) . . . but this is misleading. This journey of a life that begins in the professional upper-middle class (both parents are therapists) and the Ivy League and moves to hustling, drugs, activism—Sycamore was active in ACT UP and Queer Nation—and queer bohemian grunge, is profoundly American. At heart, Sycamore is writing about the need to escape control through flight or obliteration.—Michael Bronski, *San Francisco Chronicle*

**Brother & Sister** Diane Keaton, 2021-01-05 NEW YORK TIMES BESTSELLER When they were kids in the suburbs of Los Angeles in the 1950s, Diane Keaton and her younger brother, Randy, were best friends and companions. But as they grew up, Randy became troubled, then reclusive. Before he was thirty, he was divorced, an alcoholic, a man who couldn't hold on to full-time work—his life a world away from his sister's, and from the rest of their family. Now Diane delves into the nuances of their shared, and separate, pasts to confront the difficult question of why and how Randy ended up living his life on “the other side of normal.” In beautiful and fearless prose intertwined with journal entries, letters, and poetry—much of it Randy's own—and supplemented by personal photographs and artwork, this insightful, heartfelt memoir contemplates the inner workings of a family, the ties of love and responsibility that hold it together, and the special bond between siblings—even those who are pulled far apart.
