Her first collection That Winter (Bloodaxe, 1986) was shortlisted for the Commonwealth Poetry Prize.

You May Say That I'm a Dreamer Victor Trucker,2012-02 What is it we all seem to want? It would seem that we all want some simple answers to a bunch of impossible questions. While there are simple answers, they are by no means easy. We just want people to tell us what we want to hear. We don't want anyone or anything to rock our boat. Isn't it a bit ironic that the very thing that we think is going to save us is also the same thing that produces the condition that we believe we need saving from? So relax, I have no intention of rocking the boat. When all is said and done, we may realize that there never was a boat to rock in the first place as well as many other timeless myths we live (and die) by. I have no intention of telling you what you want to hear. Unless, of course, this is what you want to hear. I am simply trying to put into words some things that have been burning in what I, at least, refer to as my human mind since I was a child. If this helps even one person (even if that one person is me) awaken to what is authentic and real within them, then it will have succeeded. I will let you be the one to make that call, as anything I say to this effect would serve only to persuade, and that is the last thing I am trying to do. Would you like to take a little journey? I assure you that reading this book will in no way endanger your immortal soul. Perfect Health and Clarity of Mind, --Victor

*Shortcut Your Startup* Courtney Reum, Carter Reum, 2018-01-18 'Shortcut Your Startup shows you how to launch a sustainable startup so that both you and your business can thrive.' Arianna Huffington The world of startups is more competitive than ever: what will make yours stand out from the crowd? *Shortcut Your Startup* has the answers you need. Star entrepreneurs Courtney and Carter Reum have invested in such global successes as Lyft, Pinterest and SpaceX, as well as launching a multimillion-dollar business of their own - they have the hands on experience, insights and tips that will make all the difference. The first step is to rip up the rule book. Convinced that only killer new ideas will work? No, sometimes it makes more sense to capitalise on others' innovations. Have people advised you to manage everything yourself? They should have told you to outsource all but your venture's key strengths. Moving from initial idea to exist strategy, the Reum brothers take received wisdom, turn it on its head, and give you the real low-down on what works. Whether you're a business veteran looking for new ways to boost performance and reinvent your brand, or an aspiring entrepreneur ready to take a leap of faith, *Shortcut Your Startup* is an essential guide that will speed up your journey to success. 'Courtney and Carter Reum have generously pulled back the curtain to reveal the tools and tactics that many of the most successful startups use to disrupt, scale and succeed.' Tony Robbins

*The Lost Child* Suzanne McCourt, 2014-02-26 From the headland, we look across to the lighthouse on Seal Island where Mr Hammett has to take the gas bottle to keep the light flashing at night. Aunt Cele says there is no land between us and the bottom of the world where everything is white ice and there are penguins as big as men, but I know this already because Dunc has told me. Sylvie is five. It's the 1950s and she lives in Burley Point, a fishing village south of the Coorong on Australia's wild southern coast. She worships her older brother Dunc. She tries to make sense of her brooding mother, and

her moody father who abandons the family to visit The Trollop, Layle Lewis, who lives across the lagoon. It's hard to keep secrets in a small town, but when Dunc goes missing, Sylvie is terrified that she is the cause. Now her father is angry all the time; her mother won't leave the house or stop cleaning. The bush and the birds and the endless beach are Sylvie's only salvation, apart from her teacher, Miss Taylor. In the tradition of the novels of Anne Tyler and Eudora Welty, *The Lost Child* is a beautifully written story about family and identity and growing up. Sylvie is a charming narrator with a big heart and a sharp eye for the comic moment. As the years go by she learns how tiny events can change entire lives, and how leaving might be the only solution when the world will never be the same again.
