Life Kitchen Ryan Riley, 2020-03-05 'Life Kitchen is a celebration of food' Lauren, Sunderland 'The recipes are just really simple, really easy and delicious' Carolyn, Newcastle 'His book is better than a bunch of flowers because it's going to last forever' Gillian, Sunderland Ryan Riley was just eighteen years old when his mum, Krista, was diagnosed with cancer. He saw first-hand the effect of her treatment but one of the most difficult things he experienced was seeing her lose her ability to enjoy food. Two years after her diagnosis, Ryan's mother died from her illness. In a bid to discover whether there was a way to bring back the pleasure of food, Ryan created Life Kitchen in his mum's memory. It offers free classes to anyone affected by cancer treatment to cook recipes that are designed specifically to overpower the dulling effect of chemotherapy on the taste buds. In Life Kitchen, Ryan shares recipes for dishes that are quick, easy, and unbelievably delicious, whether you are going through cancer treatment or not. With ingenious combinations of ingredients, often using the fifth taste, umami, to heighten and amplify the flavours, this book is bursting with recipes that will reignite the joy of taste and flavour. Recipes include: Carbonara with peas & mint Parmesan cod with salt & vinegar cucumber Roasted harissa salmon with fennel salad Miso white chocolate with frozen berries With an introduction from UCL's taste and flavour expert Professor Barry Smith, this inspiring cookbook focusses on the simple, life-enriching pleasure of eating, for everyone living with cancer and their friends and family too. 'This book is a life changer: this is not gush, but a statement of fact' Nigella Lawson

You May Say That I'm a Dreamer Victor Trucker, 2012-02 What is it we all seem to want? It would seem that we all want some simple answers to a bunch of impossible questions. While there are simple answers, they are by no means easy. We just want people to tell us what we want to hear. We don't want anyone or anything to rock our boat. Isn't it a bit ironic that the very thing that we think is going to save us is also the same thing that produces the condition that we believe we need saving from? So relax, I have no intention of rocking the boat. When all is said and done, we may realize that there never was a boat to rock in the first place as well as many other timeless myths we live (and die) by. I have no intention of telling you what you want to hear. Unless, of course, this is what you want to hear. I am simply trying to put into words some things that have been burning in what I, at least, refer to as my human mind since I was a child. If this helps even one person (even if that one person is me) awaken to what is authentic and real within them, then it will have succeeded. I will let you be the one to make that call, as anything I say to this effect would serve only to persuade, and that is the last thing I am trying

to do. Would you like to take a little journey? I assure you that reading this book will in no way endanger your immortal soul. Perfect Health and Clarity of Mind, --Victor

Bella Annabel Langbein,2020-10-27 Bursting with tender and funny anecdotes and gorgeous recipes, Bella is Annabel Langbein's must-read memoir. For the first time, Annabel Langbein, New Zealand's most popular cookbook author, writes about her remarkable life and how food has shaped it, highlighting some of the recipes that have resonated most strongly with her over the years. From her childhood fascination with cooking to a teenage flirtation as a Maoist hippie, to possum trapping and living off the land as a hunter and forager, to travelling and starting her own croissant business in Brazil, Annabel's life has always been centred on food and nature. Out of this came an obsession with creating cookbooks, introducing a generation of cooks to her simple recipes for delicious, stylish meals. Annabel has lived a huge and varied life, and she writes vividly about her many adventures. From throughout this rich life in food she has chosen 60 key recipes, created with her signature style and flair that make cooking easy for everyone, sharing them in this beautifully photographed book.
