Adventures in Edible Plant Foraging Karen Monger, 2016-03-22 Purchasing vegetables and leafy greens can become

rather pricy. Moreover store-bought greens often contain unhealthy pesticides and chemicals that can be harmful to your health. Foraging for wild plants is a cost effective and healthy alternative. Harvested wild plants are cheaper, and much healthier with a significantly higher nutritional value than what you typically purchase in grocery stores contain. On top of that, harvesting your own plants will force you to get out, exercise, and explore the great outdoors, which is an excellent way to stay fit and spend time with your family. Written with novice foragers in mind, *Adventures in Edible Plant Foraging*, serves as a simplified guide to edible plants that can be found throughout North America, and includes a glossary of botanical terms. This all encompassing guide will teach you how to prepare for your first foray into foraging—what to bring and what to watch out for—and show you how to identify various edible wild plants native to your own backyard, the forest, fields and the sandy shores along lakes and beaches. With over 90 full color photographs and 20 recipes for soups, salads, muffins, desserts, and more, this book is a must have for anyone looking to save money and begin their first expedition into foraging.

Debt Bomb Michael Ginsberg, 2021-07-01 A deftly crafted thriller that kept me turning pages---through politics, money, and murder---to the ending I didn't see coming. - Chris DeRose, New York Times Bestselling Author of *The Fighting Bunch*. A political thriller, tied in to real events, about an apocalyptic threat to America that is ticking remorselessly in the background while Americans continue their daily routines, oblivious to the danger. For years, China's spy agency has been watching the United States rack up trillions of dollars in debt, waiting for the right moment to weaponize that debt to collapse the American government and install a Communist puppet regime. At the same time, suburban accountant Andrea Gartner has been an outspoken critic of the debt as a leader in the South Carolina state Republican Party. When the United States elects President Earl Murray, he brings Andrea into his government as budget director to solve America's debt problem. But before the nameplate is even installed on her office door, China strikes, engineering an American debt crisis that brings the country to the brink of collapse. Government operations come to a screeching halt. With the American hegemon on its knees, China violently seizes the opportunity to fulfill its territorial ambitions in Taiwan and the South China Sea. Thrust into the rapacious, cutthroat world of American politics and surrounded by crises on all sides, Andrea begins a desperate effort to

save the United States. Arrayed against her are cynical politicians and belligerent military brass, some of whom just might be secret Chinese agents. Will Andrea be able to keep the United States alive to fight another day? Or will America drown in a sea of red ink at the hands of the Chinese and see its democratic government replaced by a Chinese Communist puppet regime? American life as we know it is about to be obliterated by a debt bomb. And the only person who can save the country is a suburban accountant.

The Words in My Hands Asphyxia, 2021-11-09 Part coming of age, part call to action, this fast-paced #ownvoices novel about a Deaf teenager is a unique and inspiring exploration of what it means to belong. Smart, artistic, and independent, sixteen year old Piper is tired of trying to conform. Her mom wants her to be “normal,” to pass as hearing, to get a good job. But in a time of food scarcity, environmental collapse, and political corruption, Piper has other things on her mind—like survival. Piper has always been told that she needs to compensate for her Deafness in a world made for those who can hear. But when she meets Marley, a new world opens up—one where Deafness is something to celebrate, and where resilience means taking action, building a community, and believing in something better. Published to rave reviews as *Future Girl* in Australia (Allen & Unwin, Sept. 2020), this empowering, unforgettable story is told through a visual extravaganza of text, paint, collage, and drawings. Set in an ominously prescient near future, *The Words in My Hands* is very much a novel for our turbulent times.

More Veggies Please! Nikki Dinki, 2021-10-12 NATIONAL INDIE EXCELLENCE AWARDS FINALIST — COOKBOOKS: GENERAL Looking for ways to get your kids to eat more veggies? Packed with creative recipes, this modern approach to classic family comfort foods ups the nutritional ante—infusing TONS of healthful vegetables into every dish (even snacks and desserts!)—while always putting flavor first. As a chef and cookbook author, Nikki Dinki loves veggies. But like most parents, getting her kids to love them is a work in progress. There will always be a side of veggies on their dinner plates, but when those veggies go untouched, Nikki doesn't stress. That's because her cooking incorporates vegetables at every turn: the kids may not have eaten their sides of peas, but they ate cauliflower and sweet potatoes in their Mac and Cheese, devoured Green Eggs (with spinach) and White Bean Pancakes for breakfast, and asked for seconds of the Zucchini Crust Pizzas at lunch! Although the veggies are sometimes hidden—your kids will be eating mushrooms and eggplant without thinking twice!—the real goal is using the qualities of each vegetable to make each classic, family meals even better than the original version. In these recipes, mushrooms enhance the beefy taste of the Mushroom and Onion Burgers, while eggplant replaces egg for breading on Chicken Tenders and Chicken Parmesan, which keeps them irresistibly moist. Inside, discover other delicious recipes that will become mealtime staples, including: Chicken Pot Pie with Sweet Potato Crust Cauliflower + Yogurt Bagels Eggplant Parm Meatballs Pumpkin Pasta Dough Taco Meat (with Pinto Beans) Mac and Cheese with Cauliflower + Sweet Potato Chicken Nuggets with Beans + Carrots Creamed Spinach Garlic Bread Loaded Queso (with Squash) Banana Carrot
