My Money My Way Kumiko Love,2022-02-01 Barnes and Nobles' 2022 List of "Best Books that Help! Does fear and insecurity keep you from looking at your bank account? Is your financial anxiety holding you captive? You don't have to stress about money anymore. YOU can take back control. As a newly divorced single mom making \$24,000 per year and facing down \$77,000 in debt, Kumiko Love worried constantly about money. She saw what other moms had—vacations, birthday parties, a house full of furniture—and felt ashamed that she and her son lived in a small apartment and ate dinner on the floor. Worse, when her feelings began to exhaust her, she binge-shopped, reasoning that she'd feel better after a trip to the mall. On the day she needed to pay for a McDonald's ice cream cone without her credit card, she had an epiphany: Money is not the problem. Self-Doubt is the problem. Shame is the problem. Guilt is the problem. Society's expectations for her are the problem. She is the solution. Once she reversed the negative thinking patterns pushing her toward decisions that didn't serve her values or goals, her financial plan wrote itself. Now, she's not only living debt-free in her dream home, which she paid for in cash, but she has spread her teachings around the world and helped countless women envision better lives for themselves and their families. Now, building on the lessons she's taught millions as the founder of *The Budget Mom*, she shares a step by step plan for taking control back over your financial life—regardless of your level of income or your credit card balance. Through stories from navigating divorce to helping clients thrive through recessions, depression, eviction, layoffs and so much more, you will learn foundational practices such as: How to use your emotions to your financial advantage, instead of letting them control you How to create a budget based on your real life, not a life of self-denial How to create a motivating debt pay-off plan that makes you excited about your future, instead of fearing it *My Money My Way* will give you the tools to align your emotional health with your financial health—to let go of deprivation and embrace desire. Love's paradigm-shifting

system will teach you how to honor your unique personal values, driving emotions, and particular needs so that you can stop worrying about money and start living a financially fulfilled life.

Louisiana Lucky Julie Pennell,2020-08-04 From the critically acclaimed author of *The Young Wives Club*, a

“heartwarming story about friendship, heartache, and self-discovery” (Karen White, New York Times bestselling author), comes a charming novel reminiscent of the works of Mary Alice Monroe and Kristy Woodson Harvey, about three sisters who win a huge lottery prize and learn what it truly means to be lucky. Lexi, Callie, and Hanna Breaux grew up in small-town Louisiana, and have always struggled to make ends meet. For years, they’ve been playing the lottery, fantasizing about how much better life would be if they had the money. For Lexi, it means the perfect wedding; for Callie, it means having the courage to go after her career dreams; and for Hanna, it means buying a house that isn’t falling apart and sending her bullied son to private school. When the incredible happens and the Breaux sisters hit it big—\$204 million dollars big—all their dreams come true. Or so they think. Because it’s actually not a cliché—money isn’t the answer to everything, and it often comes with problems of its own. Heartfelt, engaging, and featuring characters you’ll root for from the first moment you meet them, Louisiana Lucky is a satisfying page-turner from a rising star in women’s fiction.
