My Money My Way Kumiko Love,2022-02-01 Barnes and Nobles' 2022 List of "Best Books that Help! Does fear and insecurity keep you from looking at your bank account? Is your financial anxiety holding you captive? You don't have to stress about money anymore. YOU can take back control. As a newly divorced single mom making \$24,000 per year and facing down \$77,000 in debt, Kumiko Love worried constantly about money. She saw what other moms had—vacations, birthday parties, a house full of furniture—and felt ashamed that she and her son lived in a small apartment and ate dinner on the floor. Worse, when her feelings began to exhaust her, she binge-shopped, reasoning that she'd feel better after a trip to the mall. On the day she needed to pay for a McDonald's ice cream cone without her credit card, she had an epiphany: Money is not the problem. Self-Doubt is the problem. Shame is the problem. Guilt is the problem. Society's expectations for her are the problem. She is the solution. Once she reversed the negative thinking patterns pushing her toward decisions that didn't serve her values or goals, her financial plan wrote itself. Now, she's not only living debt-free in her dream home, which she paid for in cash, but she has spread her teachings around the world and helped countless women envision better lives for themselves and their families. Now, building on the lessons she's taught millions as the founder of The Budget Mom, she shares a step by step plan for taking control back over your financial life—regardless of your level of income or your credit card balance. Through stories from navigating divorce to helping clients thrive through recessions, depression, eviction, layoffs and so much more, you will learn foundational practices such as: How to use your emotions to your financial advantage, instead of letting them control you How to create a budget based on your real life, not a life of self-denial How to create a motivating debt pay-off plan that makes you excited about your future, instead of fearing it My Money My Way will give you the tools to align your emotional health with your financial health—to let go of deprivation and embrace desire. Love's paradigm-shifting system will teach you how to honor your unique personal values, driving emotions, and particular needs so that you can stop worrying about money and start living a financially fulfilled life.

The Young Wives Club Julie Pennell,2017-02-14 Southern Living's Best New Summer Books In Toulouse, Louisiana finding your one true love happens sometime around high school. If you're lucky, he might be the man you thought he was. But as four friends are about to find out, not every girl has luck on her side in this charming debut novel perfect for fans of *The Divine Secrets of the Ya-Ya Sisterhood* and *Desperate Housewives*. Laura Landry's quarterback husband was her ticket out of Toulouse. But when a devastating football injury sidelines him, they're forced to move back to the small town she was so desperate to leave. As Brian starts drinking instead of rehabbing his knee, Laura must reevaluate what her future looks like...and if it includes her husband. For years, Madison Blanchette has been waiting for bad-boy musician Cash Romero to commit to her. When wealthy George Dubois asks her out, she figures she may as well wait in style. Life with George means weekend trips to New Orleans, gourmet meals, and expensive gifts. At first she loves how George's affection sparks Cash's jealousy, but when George proposes to Madison, she finds herself torn between two men... All Claire Thibodeaux wants is to be the perfect wife and mother. If she can do everything right she won't end up like her mom, a divorced, single parent trying to make ends meet. But when Claire's husband Gavin, a well-respected local pastor, starts spending late nights at work and less time in their bed, she can't help but fear that history is about to repeat itself... Gabrielle Vaughn never thought she'd end up with someone like her fiancé. The son of a prominent congressman, Tony Ford is completely out of her league—which is why she lied to him about everything from having a college degree to the dark truth about her family. She knows she has to come clean, but how do you tell the love of your life that your entire relationship is a lie? As these young wives come together to help each other through life, love, and heartbreak, they discover that there are no easy answers when it comes to matters of the heart.

Louisiana Lucky Julie Pennell,2020-08-04 From the critically acclaimed author of *The Young Wives Club*, a

“heartwarming story about friendship, heartache, and self-discovery” (Karen White, New York Times bestselling author), comes a charming novel reminiscent of the works of Mary Alice Monroe and Kristy Woodson Harvey, about three sisters who win a huge lottery prize and learn what it truly means to be lucky. Lexi, Callie, and Hanna Breaux grew up in small-town Louisiana, and have always struggled to make ends meet. For years, they’ve been playing the lottery, fantasizing about how much better life would be if they had the money. For Lexi, it means the perfect wedding; for Callie, it means having the courage to go after her career dreams; and for Hanna, it means buying a house that isn’t falling apart and sending her bullied son to private school. When the incredible happens and the Breaux sisters hit it big—\$204 million dollars big—all their dreams come true. Or so they think. Because it’s actually not a cliché—money isn’t the answer to everything, and it often comes with problems of its own. Heartfelt, engaging, and featuring characters you’ll root for from the first moment you meet them, Louisiana Lucky is a satisfying page-turner from a rising star in women’s fiction.
