Empress of the Fall David Hair,2017-03-09 Desperate for the next Game of Thrones? Pick up *Empress of the Fall* for your full-on fix of epic fantasy. The Emperor is dead - long live the Empress! Emperor Constant is dead and his rivals are scrabbling for power - but any misstep could plunge the land, already devastated by the shocking outcome of the Third Crusade, into a calamitous civil war. The Imperial throne is not the only one in jeopardy. Two brothers, imprisoned veterans of the Crusades, finally return home to find their father's kingdom being plundered - but the price of regaining their birthright will have far-reaching implications for the entire empire. In the East, Sultan Salim, peacemaker and visionary ruler, faces his greatest challenge as his people demand an invasion of the West in retribution for the Rondian Crusades And lurking in the darkness, orchestrating both the power struggles and the inevitable conflicts, is a shadowy group threatening to destroy civilisation itself. Once more, Urte stands on the brink of cataclysm.

[And These Signs Will Follow](#) Rich Coyle,2014 The sheer number of miraculous interventions recounted in this book may tempt readers to assume that Mr. Rich Coyle made up these stories to bring glory to himself as a paragon of virtue and faith. Having known Mr. Coyle for more than twenty years, I can personally vouch for his honesty, integrity and genuine humility. I have no problem at all believing the miracles recounted in this volume for I know the faith of the man who experienced them and I know the power of Jesus Christ whom he serves. I do not believe it is possible to read this book without being inspired to grow in faith and believe God to manifest His supernatural power in our lives. Mr. Coyle has received from the mighty

hand of God so many times because he simply believes God's word is true. His faith is perhaps best summed up in this single verse of scripture: 'Jesus Christ the same yesterday, and today and forever' (Hebrews 13:8). -Dr. Thomas J. Kindell, ThD, PhD, founder and president of Reasons for Faith Ministries, Inc. This is put together so well, it's like someone else did it! -Sue Coyle, wife of the author

Practical Projects for Self-Sufficiency Chris Peterson, 2014-06-15 Complete plans, instructions, and color photos show precisely how to make 30 original projects to help you live a more self-sufficient lifestyle. Consent to Kill Vince Flynn, 2007-10-09 For ten years Mitch Rapp has fought on the frontline of the War on Terror. His bold actions have saved the lives of thousands -- but in the process his list of enemies has grown inexorably. There are even those within his own government who would like to see him eliminated. Thousands of miles away, the influential father of a dead terrorist demands retribution for the death of his son. He wants Rapp dead -- and his hate-filled plea has found sympathetic ears. In the tangled, duplicitous world of espionage, there are those, even among America's allies, who feel Rapp has grown too effective. They've been looking for an excuse to eliminate America's No 1 counterterrorism operative -- and they've decided to seize the chance. The Hunter has become the Hunted. A tragedy of unimaginable proportions is about to befall Mitch Rapp -- and he must use all his cunning, skill and ruthless determination to stay alive and seek vengeance against the traitor who would bring him down.

The Woman Who Loved the Moon Elizabeth A. Lynn, 2014-04-01 Elizabeth A. Lynn stands as a groundbreaking author of

fantasy and science fiction. Her stories weave richly drawn characters and complex scenes of daily life into the intricate tapestry of speculative fiction. But beyond her technical skill, Lynn has changed the landscape of fantasy writing as one of the first authors to incorporate themes of gender and gay relationships into her work. Importantly, these themes are not part of the fantastic story line but simply of the unremarkable, normal relationships around which the fantasy occurs. This collection of Lynn's early short stories serves as a wonderful introduction to her influential work. Soaring emotions, eloquent prose, and fully realized worlds are truly a joy to become lost within. That explains why the namesake short story "The Woman Who Loved the Moon" won Lynn one of her two World Fantasy Awards. With *The Woman Who Loved the Moon and Other Stories*, readers will delight in an author whose work George R. R. Martin has described as "the sort of fantasy we don't see enough of: lyrical and literate, and a treat from the first page to the last."

Between the Stepping Stones Joseph Edward Laxton, 2016-08-22 Great-Aunt Chris had begun Helen's story, but her death left Helen alone to scribble and scratch out a life now deprived of her deepest friend, whose greatest gift to Helen was a garden, a magical moonlit dance of crystal and gold and silver faeries. The stories of three girls verging on the precipice of womanhood intertwine. Each girl is a victim to brutality, and each was somehow dragged down into servitude and humiliation, yet each life is briefly illuminated by flashes of magic along her journey. The world is full of magic not that witching magic of sorcery and spells, but the subtle glimpses of magic found in the wrinkles and smiles of those whose wisdom and affection illuminate our journeys. They're like fireflies flitting and dancing along a country road at night or the moonlit lace of branches along the forest floor. Magic is sometimes found in the fleeting passing of someone whose momentary flare of kindness and beauty enriches our hearts and souls. And that kind of magic can only be found between the stepping stones in those places where people dare not tread because they are so afraid of the unknown. Helen, Miramund, and Kathleen find themselves in places deep and dark and seemingly hopeless, and only the kind intervention of another can lift them back into the light. Shall each heroine be destined to be a laundress all her life, or can each break with destiny and become a magician in her own right? The stories seek to merge at a place and time preordained by the efforts and struggles of each girl, not by a fickle destiny, and hopefully, each girl will have earned through her own heroic efforts and at that time and place the gift of true balance and insight.
