A mysterious virus has infiltrated the good people of Lake Wobegon, transmitted via unpasteurized cheese made by a Norwegian bachelor farmer, the effect of which is episodic loss of social inhibition. Mayor Alice, Father Wilmer, Pastor Liz, the Bunsens and Krebsbachs, formerly taciturn elders, burst into political rants, inappropriate confessions, and rhapsodic proclamations, while their teenagers watch in amazement. Meanwhile, a wealthy outsider is buying up farmland for a Keep America Truckin' motorway and amusement park, estimated to draw 2.2 million visitors a year. Clint Bunsen and Elena the hometown epidemiologist to the rescue, with a Fourth of July Living Flag and sweet corn feast for a finale. In his newest Lake Wobegon novel, Garrison Keillor takes us back to the small prairie town where for so long American readers and listeners have found laughter as well as the wry airing of our foibles and most familiar desires and fears—a town where, as we know, all the women are strong, all the men are good-looking, and all the children are above average.

**Unbroken** Laura Hillenbrand, 2014-07-29 #1 NEW YORK TIMES BESTSELLER • The incredible true story of survival and salvation that is the basis for two major motion pictures: *Unbroken* and *Unbroken: Path to Redemption*. “Extraordinarily moving . . . a powerfully drawn survival epic.”—The Wall Street Journal Hailed as the top nonfiction book of the year by Time magazine • Winner of the Los Angeles Times Book Prize for biography On a May afternoon in 1943, an Army Air Forces bomber crashed into the Pacific Ocean and disappeared, leaving only a spray of debris and a slick of oil, gasoline, and blood. Then, on the ocean surface, a face appeared. It was that of a young lieutenant, the plane's bombardier, who was struggling to a life raft and pulling himself aboard. So began one of the most extraordinary odysseys of the Second World War. The lieutenant's name was Louis Zamperini. In boyhood, he'd been a cunning and incorrigible delinquent, breaking into houses, brawling, and fleeing his home to ride the rails. As a teenager, he had channeled his defiance into running, discovering a prodigious talent that had carried him to the Berlin Olympics and within sight of the four-minute mile. But when war had come, the athlete had become an airman, embarking on a journey that led to his doomed flight, a tiny raft, and a drift into the unknown. Ahead of Zamperini lay thousands of miles of open ocean, leaping sharks, a foundering raft, thirst and starvation, enemy aircraft, and, beyond, a trial even greater. Driven to the limits of endurance, Zamperini would answer desperation with ingenuity; suffering with hope, resolve, and humor; brutality with rebellion. His fate, whether triumph or tragedy, would be suspended on the fraying wire of his will. Laura Hillenbrand writes with the same rich and vivid narrative voice she displayed in *Seabiscuit*. Telling an unforgettable story of a man's journey into extremity, *Unbroken* is a testament to the resilience of the human mind, body, and spirit.

It is called *Le Cirque des Rêves*, and it is only open at night. But behind the scenes, a fierce competition is underway: a duel between two young magicians, Celia and Marco, who have been trained since childhood expressly for this purpose by their mercurial instructors. Unbeknownst to them both, this is a game in which only one can be

left standing. Despite the high stakes, Celia and Marco soon tumble headfirst into love, setting off a domino effect of dangerous consequences, and leaving the lives of everyone, from the performers to the patrons, hanging in the balance.
