Barbara Westbrook: Gracious Rooms Barbara Westbrook, 2015-03-17 In her first book, the South's most inviting designer explores her principles for creating a beautiful home rich with comfort and warmth. Barbara Westbrook has been designing classically inspired homes full of Southern charm and a European touch for more than twenty years. A native of Virginia, Westbrook grew up accompanying her mother to antique shops and was introduced by her to Virginia's rich architectural legacy. With a design vocabulary that ranges from casual American to formal English to French modern, Westbrook's homes share a welcoming elegance, whether it is a country cottage or a penthouse apartment. In *Gracious Rooms*, she sets out her principles for creating a house rich with both polish and patina. Walking the reader through a dozen stunning homes—light-filled lake retreats, contemporary houses, and historic mansions—Westbrook shares her accessible, appealing ideas. From the judicious use of symmetry to the importance of including natural elements in a room, utilizing color to unify spaces within a house, and setting a mood with materials, *Gracious Rooms* is rich with advice and inspiration.
