Shifting Images of the Hasmoneans Vered Noam, 2018-02-22 The shifting image of the Hasmoneans in the eyes of their contemporaries and later generations is a compelling issue in the history of the Maccabean revolt and the Hasmonean commonwealth. Based on a series of six Jewish folktales from the Second Temple period that describe the Hasmonean dynasty and its history from its legendary founders, through achievement of full sovereignty, to downfall, this volume examines the Hasmoneans through the lens of reception history. On the one hand, these brief, colorful legends are embedded in the narrative of the historian of the age, Flavius Josephus; on the other hand, they are scattered throughout the extensive halakhic-exegetical compositions known as rabbinic literature, redacted and compiled centuries later. Each set of parallel stories is examined for the motivation underlying its creation, its original message, language, and the historical context. This analysis is followed by exploration of the nature of the relationship between the Josephan and the rabbinic versions, in an attempt to reconstruct the adaptation of the putative original traditions in the two corpora, and to decipher the disparities, different emphases, reworking, and unique orientations typical of each. These adaptations reflect the reception of the pristine tales and thus disclose the shifting images of the Hasmoneans in later generations and within distinct contexts. The compilation and characterization of these sources which were preserved by means of two such different conduits of transmission brings us closer to reconstruction of a lost literary continent, a hidden Jewish Atlantis of early pseudo-historical legends and facilitates examination of the relationship between the substantially different libraries and worlds of Josephus and rabbinic literature.

Start with Why Simon Sinek, 2011-12-27 The inspirational bestseller that ignited a movement and asked us to find our WHY Discover the book that is captivating millions on TikTok and that served as the basis for one of the most popular TED Talks of all time—with more than 56 million views and counting. Over a decade ago, Simon Sinek started a movement that inspired millions to demand purpose at work, to ask what was the WHY of their organization. Since then, millions have been touched by the power of his ideas, and these ideas remain as relevant and timely as ever. START WITH WHY asks (and answers) the questions: why are some people and organizations more innovative, more influential, and more profitable than others? Why do some command greater loyalty from customers and employees alike? Even among the successful, why are so few able to repeat their success over and over? People like Martin Luther King Jr., Steve Jobs, and the Wright Brothers had little in common, but they all started with WHY. They realized that people won't truly buy into a product, service, movement, or idea until they understand the WHY behind it. START WITH WHY shows that the leaders who have had the greatest influence in the world all think, act and communicate the same way—and it's the opposite of what everyone else does. Sinek calls this powerful idea The Golden Circle, and it provides a framework upon which organizations can be built, movements can be led, and people can be inspired. And it all starts with WHY.

Canada and Impressionism Katerina Atanassova, Christa Broeckx, Tobi Bruce, Anna Hudson, Adam Gopnik, Laurier Lacroix, Loren Lerner, Tracey Lock, Gerta Moray, Julie Nash, Sandra Paikowsky, 2019-07 - Approximately 125 masterworks by some 35 artists situate Canadian art within the global phenomenon of Impressionism- A detailed chronology explores the multifaceted ways in which Canadians contributed to the evolution of Impressionism Follow these Canadian artists as they travel abroad and return home again, over a series of journeys taking place during the last decades of the nineteenth century to the turn of the twentieth. Approximately 125 masterworks by some 35 artists situate Canadian art within the global phenomenon of Impressionism and present a fresh perspective on its reception in the arts of Canada. Adopting a thematic approach, comprehensive essays demonstrate the commitment of these pioneering artists to an innovative interpretation of foreign and familiar surroundings, imbued with an Impressionist vocabulary. A detailed chronology explores the multifaceted ways in which Canadians contributed to the evolution of Impressionism and to the advent of modernity in their homeland. Proceedings of the International Conference of Public Administration and Governance (ICoPAG 2022) Firda Hidayati, Niken Lastiti Veri Anggaini, Fadillah Putra, Muhammad Chazienul Ulum, 2023-07-25 This is an open access book. The role of administrative science in the management of public sector organizations and the business sector is crucial. Accordingly, it must be able to create science-based contributions in the disruption time caused by the current pandemic.

Since a lot of challenges arise in administrative science due to this pandemic, such as physical restrictions, digitization of services, and also loss of economic resources need some change and adaptation in the practise of public administration. Various important discussions and research in public administration on pandemics have achieved many things, starting from the impact of the pandemic in various sectors, organizational adaptation strategies, policy implementation and evaluation, policy best practices for resilience, but among that good work, much is still needed. One of them is public discussion forums that are able to provide inspiration and solutions to various problems in this new normal era. Therefore, the Master of Public Administration program organize an international seminars and conferences entitled 'Globalization and the Challenges of Public Administration in the Post Covid 19 amid intense geopolitical competition'. The whole series of virtual international seminar and conference is open to students, lecturers, researchers, policy makers, and practitioners who are interested in issues related to Administrative Science to share their work and ideas. Participants will present their paper work in English. Non-presenting participants are allowed to choose discussion groups according to their respective interests, and thus the seminar will be a good opportunity to receive feedback for the presented papers. and stay informed about trends and research agendas in the field.

Creativity, Inc. (The Expanded Edition) Ed Catmull,Amy Wallace,2023-09-28 The co-founder and longtime president of Pixar updates and expands his 2014 New York Times bestseller on creative leadership, reflecting on the management principles that built Pixar's singularly successful culture, and on all he learned during the past nine years that allowed Pixar to retain its creative culture while continuing to evolve. "Might be the most thoughtful management book ever."—Fast Company For nearly thirty years, Pixar has dominated the world of animation, producing such beloved films as the Toy Story trilogy, Finding Nemo, The Incredibles, Up, and WALL-E, which have gone on to set box-office records and garner eighteen Academy Awards. The joyous storytelling, the inventive plots, the emotional authenticity: In some ways, Pixar movies are an object lesson in what creativity really is. Here, Catmull reveals the ideals and techniques that have made Pixar so widely admired—and so profitable. As a young man, Ed Catmull had a dream: to make the first computer-animated movie. He nurtured that dream as a Ph.D. student, and then forged a partnership with George Lucas that led, indirectly, to his founding Pixar with Steve Jobs and John Lasseter in 1986. Nine years later, Toy Story was released, changing animation forever. The

essential ingredient in that movie's success—and in the twenty-five movies that followed—was the unique environment that Catmull and his colleagues built at Pixar, based on philosophies that protect the creative process and defy convention, such as:

- Give a good idea to a mediocre team and they will screw it up. But give a mediocre idea to a great team and they will either fix it or come up with something better.
- It's not the manager's job to prevent risks. It's the manager's job to make it safe for others to take them.
- The cost of preventing errors is often far greater than the cost of fixing them.
- A company's communication structure should not mirror its organizational structure. Everybody should be able to talk to anybody.

Creativity, Inc. has been significantly expanded to illuminate the continuing development of the unique culture at Pixar. It features a new introduction, two entirely new chapters, four new chapter postscripts, and changes and updates throughout. Pursuing excellence isn't a one-off assignment but an ongoing, day-in, day-out, full-time job. And Creativity, Inc. explores how it is done.

Conservation of the Last Judgment Mosaic, St. Vitus Cathedral, Prague Francesca Piqué, Dusan Stulik, 2004

Illustrated in color throughout, this handsome volume presents selected papers from an international symposium held in June 2001 marking the completion of a ten-year project to conserve the Last Judgment mosaic, at St. Vitus Cathedral in Prague. The project was a partnership between the Office of the President of the Czech Republic, the Prague Castle Administration, and the Getty Conservation Institute. The goal of the symposium was to present the methodology, research, and results of the project, which involved conserving one of the finest examples of monumental medieval mosaic art in Europe. The volume's essays are divided into three parts, which cover the historical and art-historical context, conservation planning and methodology, and project implementation and maintenance. Topics addressed include the history, iconography, and visual documentation of the mosaic; the development and application of surface cleaning and protective coating techniques for the mosaic's glass tesserae; and post-treatment monitoring and maintenance.

Inspiration Gallery Link Party 1 30 Introduction

In today's digital age, the availability of Inspiration Gallery Link Party 1 30 books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Inspiration Gallery Link Party 1 30 books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Inspiration Gallery Link Party 1 30 books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Inspiration Gallery Link Party 1 30 versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Inspiration Gallery Link Party 1 30 books and manuals for download are incredibly convenient. With just a

computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Inspiration Gallery Link Party 1 30 books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Inspiration Gallery Link Party 1 30 books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a

library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Inspiration Gallery Link Party 1 30 books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Inspiration Gallery Link Party 1 30 books and manuals for download and embark on your journey of knowledge?
