[Because I'm Your Dad](#) Ahmet Zappa,2015-06-04 Because I'm your dad, you can have spaghetti for breakfast, French toast for dinner, and rocky road ice cream in the bathtub. In a text that's both playful and loving, a father expresses his hopes and dreams for a one-of-a-kind relationship with his child. Whimsical monster characters bring the silly and sweet scenes to life and keep the book universal. The book's ending, a moving tribute to the author's father, guarantees intergenerational appeal. Because I'm your dad, I will do all of these things for you and more . . . because that's what my dad did for me.

**A Pair of Miracles** Karla Akins,2017 A parent's gripping journey of awareness, acceptance, and appreciation of her two boys dealing with significant challenges brought on by autism. --Stephen Mark Shore, EdD When Karla Akins hoped that her autistic sons could learn to read and function independently, doctors warned her that those expectations would never be met. She set out to prove that, despite those warnings, all things are possible through God. Laced with humor and compassion, *A Pair of Miracles* is the heartwarming story of her journey rearing adopted twin sons, each diagnosed with autism and fetal alcohol disorder. This is more than a moving biography from a mom on the front lines, however. It is a powerful tool, full of practical help for parents, educators, and church members working with children who have intellectual disabilities, speech impairments, and other limitations on the autism spectrum. It is also a challenge to the church to welcome and celebrate all the members of their congregation, no matter their abilities. Thanks to Karla's determination, faith, and unconditional love--and contrary to the doctors' predictions--her adult twins are now able to function independently in many ways. They help their dad install pools, do carpentry work, and serve in the church as ushers, sound engineers, and children's ministry workers. For parents seeking hope, answers, and peace, Karla leads the way to all three down a path she's already been.

Nadine says Dad loves golf balls. How do they know he likes these presents so much? Because every year Dad gives them each a hug and says, Thank you. And they say, You're welcome. The night before Father's Day, Harvey remembers all of the nice things his dad helped him with that week. He picks up a crayon and starts to draw. **Without Looking Too Far** Matthew Henningsen,2007 The line that separates good and evil has become blurred over the past fifty years. It happened so gradually that most people didn't even see it coming. Many people still don't know it has occurred. The moral atmosphere in America has become decayed and deteriorated. Something must be done before we reach the point of no return. This book contains chapters for grandparents, parents, children to age 12, teenagers, young adults, teachers, religious leaders, police, attorneys, medical profession, business executives, employees, internet, entertainment, newspapers, TV journalists, professional athletes and the government. Sex, drugs, murders, corporate corruption, racial inequality and political shenanigans are just a few things covered in this book. Virtually every area of our lives has been infected with evil, from computers and sports to the greatest tragedy Americans have witnessed, September 11, 2001. Just in case September 11th wasn't enough of a wake-up call to all Americans, this book will surely open many eyes to the evil that surrounds our great country. It's time to wake up and smell the coffee. It's time for all Americans to join hands, hearts, minds and voices to eliminate the evil that has taken up residence in this wonderful land we all call home. If we succeed in our efforts, we will, once again, become a beacon of love, freedom, morality and truth to the entire world. If we fail in our efforts, we will be doomed! The choice is yours.
