A Book about Mom with Words and Pictures by Me Workman Publishing,2021-03-30 Dear Mom, Keep this book forever to remember all the reasons why I love you. Every page has a heartwarming, imaginative (and sometimes cheeky!) prompt—a sentence to finish or an illustration to complete—to help kids capture everything they know and love about their parent, from their favorite things to do together to what kind of pizza topping they would be. A sheet of illustrated stickers gives kids even more ways to customize the work! Each book starts with a letter to parent from child, and then the fun begins, from: Your favorite animal is _____. You are terrified of _____! To: I wrote a story about you. Want to read it together? To: Look! I drew a picture of us on an intergalactic space adventure! And finally: This is us, having the greatest adventure ever. I love you, Mom!

Because I'm Your Dad Ahmet Zappa,2015-06-04 Because I'm your dad, you can have spaghetti for breakfast, French toast for dinner, and rocky road ice cream in the bathtub. In a text that's both playful and loving, a father expresses his hopes and dreams for a one-of-a-kind relationship with his child. Whimsical monster characters bring the silly and sweet scenes to life and keep the book universal. The book's ending, a moving tribute to the author's father, guarantees intergenerational appeal. Because I'm your dad, I will do all of these things for you and more . . . because that's what my dad did for me.

A Father's Day Thank You Janet Nolan,2011-02-01 Harvey doesn't know what to get his father for Father's Day. It's especially hard when his older sisters and brother seem so sure that their presents are his favorites. Laurie Ann gives him a tie--every year! And Martin always gives him a box of nails. Nadine says Dad loves golf balls. How do they know he likes these presents so much? Because every year Dad gives them each a hug and says, Thank you. And they say, You're welcome.

The night before Father's Day, Harvey remembers all of the nice things his dad helped him with that week. He picks up a crayon and starts to draw. And when Harvey gives his dad his present, it's Harvey who has said, Thank you. And it's his Dad who responds, You're welcome.

A Pair of Miracles Karla Akins,2017 A parent's gripping journey of awareness, acceptance, and appreciation of her two boys dealing with significant challenges brought on by autism. --Stephen Mark Shore, EdD When Karla Akins hoped that her autistic sons could learn to read and function independently, doctors warned her that those expectations would never be met. She set out to prove that, despite those warnings, all things are possible through God. Laced with humor and compassion, *A Pair of Miracles* is the heartwarming story of her journey rearing adopted twin sons, each diagnosed with autism and fetal alcohol disorder. This is more than a moving biography from a mom on the front lines, however. It is a powerful tool, full of practical help for parents, educators, and church members working with children who have intellectual disabilities, speech impairments, and other limitations on the autism spectrum. It is also a challenge to the church to welcome and celebrate all the members of their congregation, no matter their abilities. Thanks to Karla's determination, faith, and unconditional love--and contrary to the doctors' predictions--her adult twins are now able to function independently in many ways. They help their dad install pools, do carpentry work, and serve in the church as ushers, sound engineers, and children's ministry workers. For parents seeking hope, answers, and peace, Karla leads the way to all three down a path she's already been.
